EXECUTIVE COMMITTEE

President: Martin Bowerman

Secretary: Jim Micsko

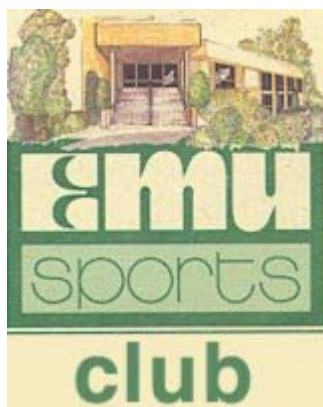

Committee members: Ange Barbaro, Sam Barbaro, Miles Anderson, Sue Masters

Vice-President: Trevor Wilson

Junior Secretary: Elizabeth Dowd

Treasurer: Jamie Large

CLUB SPONSORS

MAJOR SPONSOR - EMU PLAINS SPORTING AND RECREATION CLUB

Emu Sports has been our primary sponsor for many years. Through their sponsorship, we have been able to purchase most of the kits and other equipment used by juniors and seniors.

Wherever possible, please support the club that supports cricket at Emu Plains.

Phone: 4735 5300

McDonalds - EMU PLAINS

Kerry & Dave Gordon at McDonalds Emu Plains have been kind enough to join our club sponsors. Please show your support whenever you can.

McDonalds Emu Plains
Emu Plains Visitor Information Centre
Corner Old Bathurst Road & Russell Street

7th Grade: T.J. Rance Trophy

1980/81

9th Grade: J.L. Mason Trophy

1996/97

COMMITTEE REPORTS

PRESIDENT'S REPORT

With season 2007/08 being one of the most successful for the Club in recent years, season 2008/09 was looked forward to as being one that would bring as much, if not more, success on the field. Despite this optimism we were unable to bring home a premiership in either the Senior or Junior ranks.

But success is not just to be measured in on-field performances. Once again Emu Plains fielded a full list of teams and presented the opportunity for many young men and women to enjoy a game of cricket.

If I was honest I would have to say that this year provided the most challenges from an Administration point of view that I have encountered over the past five years. Our committee performed valiantly once again, and I thank them for that. They really are a hard-working bunch that every player, parent and coach should be appreciative of.

Just prior to the start of the season we were advised that only four clubs had nominated a First Grade side. My immediate reaction (to Secretary Jim Micsko) was to let the association know that Emu Plains would be prepared to field a second side in the First Grade competition. To my mind we had the numbers, drive and ability to do so. And so this happened.

Pat Anderson and Marty Romer, the captains of the two First Grade sides, will no doubt have their say in their respective reports as to the success or otherwise of this decision. My stance was that we should always select our best eleven in one team, and then work our way down the grades from there. Unfortunately this often left the second team with a fragmented side, and as a result while the top team finished first after the home-and-away season, the second team finished last. Yet many young (and older) players within the Club were given the opportunity to play on turf and against quality opposition that they would otherwise not have got. I think the bigger picture needs to be seen here. Our Club will be better for the experience.

I congratulate Pat Anderson on the way he handled a difficult year. We do not know the set up for next year yet, but I am sure that the experience will prove beneficial in the long run.

First Grade, after dominating for much of the year, and finishing minor premier, unfortunately were narrowly defeated in the semi-final. Those involved know that with an ounce of luck we could have gone all the way, but it was just not to be it seems. From a personal point of view, that team has a tremendous spirit, and if all or most back up again next year, I'm sure we can bring that premiership home.

Fourth Grade, having moved up a grade from the previous year, once again showed that there is some tremendous talent within the Club. They made the Grand Final for the third successive year, but also went down narrowly. The team did manage to win the inaugural NDCA Twenty20 B Grade Cup with a great win in the final at Dukes Oval. This team has developed a great camaraderie and it is easy to see why they are successful – they play for each other. I sincerely hope that Anthony, Ben and the boys will be back firing again next year.

Another event that gave me great inspiration during the year was the 8th Grade side turning up en-masse to the Trivia Night. They looked great (dressed as umpires) and won the event. These guys may not win every game, but they epitomise the true sense of the word 'team'. Well done 8th Grade!

In the Juniors it was left to the u/12s, admirably coached by Steve Masters, to fly the flag. Unfortunately, the boys went down in the Grand Final, but they did themselves and the Club proud. We reckon the u/10s would have cleaned up if finals were played in this age-group, but they have plenty of time on their side.

To all our Junior coaches, managers and parents, a sincere thank you on behalf of the Club for your selfless and untiring efforts throughout the year. I sincerely hope that season 2009/10 will see you all with us again in some capacity.

Our In-2-Cricket programme proved to be a great success, with head coach John Tooth and chief administrator Ange Barbaro doing a great job. We view this programme as essential to the long-term success of this Club, so it was very pleasing to see nearly 50 children running around each Saturday morning.

I say it every year, but thanks once again to my committee. The successful organisation of the Club does not just happen by itself. These men and women simply get stuck in, and do what is necessary, with little fanfare. Trevor Wilson (Vice President), Jim Micsko (Secretary), Jamie Large (Treasurer), Liz Dowd (Junior Secretary), Sam Barbaro (Equipment officer), Ange Barbaro, Sue Masters and Miles Anderson, the whole Club thanks you.

I encourage anyone who thinks that they can provide input, new ideas or just want to have a go, to put your hand up for the committee at the next AGM. I will welcome you.

We continue to foster a very good relationship with the Emu Sports Club and I encourage all cricket club members to use Emu Sports' facilities as often as you can. To Peter Butler, the Board Chairman, thank you for your support and I look forward to future mutual success.

Congratulations to all the trophy winners and to all the players. Be proud of Emu Plains Cricket Club, your Club....I am.

Martin Bowerman, President

TREASURER'S REPORT

A review of the financial statements for season 2008/09 shows that we have a balance of \$5903.85.

Total income received for this year is \$28,722.31 with a further \$1,050.00 in fees to be collected. Here are some of the main income streams:

| | |
|------------------------|-------------|
| Registration fees | \$18,330.00 |
| Clothing | \$1,680.00 |
| Trivia Night | \$2,585.00 |
| Meat Raffles | \$511.45 |
| Fundraising / Auctions | \$1,414.55 |
| Grants | \$3,100.00 |

Our expenditure for this year is \$31,403.16. Some of the main out goings are:

| | |
|-------------------------------|------------|
| Balls and equipment | \$6,312.06 |
| Team registrations | \$7,704.55 |
| Nepean High School net hire | \$200.00 |
| Emu Sports memberships | \$561.00 |
| Postage, printing, stationery | \$203.85 |
| Presentation Night Costs | \$9,103.75 |
| Website | \$169.00 |
| BBQ entertaining | \$318.00 |
| Umpires | \$200.00 |
| Repairs & Maintenance | \$4,059.00 |

I would like to take this opportunity to thank all of the committee for their support this year. I would also like to thank everyone that was involved in the trivia night, and to all the people that bought auction items.

I will be recommending we look at raising our fee structure in the coming year to help with rising costs. We also have been given a \$1,000 grant from Telstra thanks to the efforts of Sam Barbaro. This has not been included in the profit / loss statement. The club would like to see more effort applied to the fundraising for next year. This would help in keeping cost to players down during these hard times, so we can give as many players as possible the opportunity to play cricket.

Jamie Large, Treasurer

SENIOR REPORT

Season 2008/09 was a difficult year for the club. With six senior teams, two less than 07/08, we entered the season with high hopes on the back of 2 premierships. Where in the past we have been competitive across the grades, only the Premier Grade (Red), 4th Grade and, to a lesser extent, 8th Grade sides ever looked a chance of winning a title. The other sides struggled all season and were basically making up the numbers from the mid-season point.

Our top side (Prem Red) has changed quite a bit in the last few years and it is exciting to see a lot of younger players coming into the side and making the most of their chances. The blend of youth and experience in this side is great resulting in the core of a very good team. With a bit of hard work, they will bring home a premiership in the near future.

4th Grade were unlucky in finishing as runners up after it looked a certainty that they would win their Grand Final up at Lomatia. The game is truly never over until it is over!

One especially pleasing aspect of this season was the success of our 8th Grade side. While finishing 5th, this team epitomised the great spirit and fun that can be had with a bunch of team mates enjoying their cricket. A great blend of youth and experience, skippered by a 1st year captain (Shaun Wood), it was great to see these guys at training, at the club after games, and putting in a great performance at the Trivia night.

In2Cricket was another great success this year. This is largely due to the hard work of Ange Barbaro. John Tooth was a welcome addition to the coaching role this season and his efforts were greatly appreciated.

We had success in the inaugural season of NDCA Twenty20 cricket. Our B Grade side won their comp easily defeating Glenmore Park in the final while our A Grade side narrowly lost their final to Springwood.

I would like to thank the hard-working EPCC Management Committee for all their efforts during the season. This group of volunteers are the backbone of the club and ensure that all players are able to go out and enjoy a game of cricket on the weekend.

The club's website is now our major source of information. We are hoping to get all past statistics integrated into the MyCricket database so that all records of the club going back to at least the 1980s are available on-line.

We have a few challenges for the year ahead. The club needs to have a good hard look at the selection policies and the way players are picked. After a few unpleasant instances in 08/09, we hope to avoid this in the future.

Jim Micsko, Secretary

JUNIOR REPORT

Well, another season of cricket has come and gone in what appears to be the blink of an eye! It doesn't seem that long ago that we were registering teams in hopeful anticipation of the new season...

And what a great cricket season for the Emu Plains Junior Cricket Club!

This season we welcomed 42 new junior players to our club, comprising two U8 teams, 1 U9 team and new players in every other age group. This is excellent for the continued growth and development of our club. On a less encouraging note, we were unable to field an U11 team this year. This is a team that has been filled in previous seasons and it meant that boys who were registered either missed a season or played for another club. This is something we are certainly aiming to rectify for next season.

Once again I would like to express my thanks to the dedicated coaches and managers of our junior teams and the hard-working, dedicated committee members. A special mention of thanks to Susan Masters, who took on the newly created role of Assistant Junior Secretary and did a fantastic job. Succession planning at it's best!!

We had eight junior teams registered this year; with two teams in the Under 8 age group, one team in each of the Under 9, 10, 12, 13/14 age groups and two teams in the Under 16 age group.

While a number of teams came close, this season only one of our teams made it into the semi-finals – U12 Division 2, and they continued their success in making their way through to the Finals. Although they were beaten on the day, they were great ambassadors for the club and themselves. Congratulations to the coach Steve Masters and the U12 team.

A number of our talented players were selected to represent Penrith in the NSW Districts Cricket Competition. Our players and official representatives for 2007-08 were:

| | |
|--------------------|---|
| CS Watson Shield | Ben McGovern |
| U16 Presidents Cup | Jonathon Philliponi |
| E G Weblin Shield | James Devlin |
| U15 IDCA | Josh Dowd, Connor Finemore, Lachlann Harris |
| W S Gee Shield | Matthew Hughes, Jack Waterhouse |
| U13 Girls | Samantha Arnold |
| U12 Presidents Cup | Simon Masters, Peter Hardy |
| W G Foster Shield | Nicholas Arnold, Ethan Hennessy, Hugh Kermond |
| U11 IDCA | Mikayla Hinkley |

Congratulations to our representative players. You've had some great achievements this year!

Congratulations to all our players who wear the red and white. Emu Plains is always well presented during matches and spoken of highly by other club officials and district umpires in the manner in which they represent themselves and their club.

Finally, a huge thanks to all the parents (and grandparents) of our children. Without your support in taking children to training and games; celebrating their achievements and encouraging their efforts we would not have a club.

May our club continue to grow as a community who celebrates their love and passion for cricket.

Go the bird!!

Elizabeth Dowd, Juniors Secretary

MILO In2CRICKET

The MILO In2CRICKET (formerly Have-A-Go) programme was another success this year. In2CRICKET numbers were again very good with over 50 players, only slightly down from 60 last year. The sign up sessions at Emu Plains McDonalds continues to be a success and puts us right amongst our target age group.

While we lost the services of Geoff Sullivan as the In2CRICKET coach, we were very lucky to pick up another qualified coach with John Tooth. John ran the sessions very professionally and introduced many more drills which the kids all seemed to enjoy. Thank you to Geoff for your excellent and professional coaching in the past. Thanks also to the handful of parents who assisted John every week.

The children who participated seemed to really enjoy the In2CRICKET, with many positive comments from parents compared to their experiences at other competitive sports, and at very good value for money.

Thank you to Martin Bowerman, Sam Barbaro, Jim Micsko and Jamie Large who helped put on a BBQ for the parents and kids at the end of the season, and our sponsor, especially Kerry and Dave Gordon from Emu Plains McDonalds, for their generous supply of vouchers.

Ange Barbaro, In2CRICKET Coordinator

PERPETUAL TROPHY WINNERS

KEITH COLEMAN MEMORIAL SHIELD (SENIOR ALL ROUNDER)

Awarded to the Senior Player who has accumulated the most points during the season. Points are allocated for the 1st innings of each game, semi-finals and finals excluded. Allocation of points is outlined in the constitution.

Chris Tonks 515 points

TONY HOY SHIELD (SENIOR CRICKETER OF THE YEAR)

Awarded to the senior player who has accumulated the most points, obtained from each round. Players doubling up with a second team in the same round shall also be included. Players from each senior team shall vote at the end of each round on best performed player. Points shall be awarded as 3 for the player who contributed the most to the match followed by 2 and 1 for the next best performed players. At the completion of round 14 player's points are to be tallied.

Matt Kobryn 23 points

DAVE RISTAU MEMORIAL TROPHY (SENIOR WICKET KEEPER)

Awarded to the senior cricketer with the most dismissals as a Wicket Keeper during the Season.

| | |
|-------------|---------------|
| Sam Barbaro | 14 dismissals |
|-------------|---------------|

CRAIG HUTHNANCE MEMORIAL TROPHY (1ST GRADE CRICKETER OF THE YEAR)

Awarded to the most outstanding player in the first grade team for the season, final games included. Allocation of points is outlined in the constitution.

Andrew Williams 423 points

A & E RISTAU AWARD (U/21 BATTING AGGREGATE)

Awarded to the player (Junior Competition only or Senior Competition only) who is under the age of 21 years at 30 September of that season, who has scored the most runs for the Club. Competition matches only – semi & final games not included.

Josh Dowd 384 runs

THE HALLY AWARD (U/21 BOWLING AGGREGATE)

Awarded to the player (Junior Competition only or Senior Competition only) who is under the age of 21 years at 30 September of that season, who has taken the most wickets for the Club. Competition matches only – semi & final games not included.

| | |
|------------------|------------|
| Matthew Marshall | 26 wickets |
|------------------|------------|

Chris Tonks 26 wickets

CLUBMAN OF THE YEAR

Awarded to the person deemed to have contributed the most to upholding the spirit of the Club during the past season. The winner, chosen by the Executive Committee, may be a player (junior or senior), a committee member, a coach/manager, a parent, a supporter or any combination of these. It is not compulsory that the award be given if an appropriate candidate is not nominated that season.

Jim Micsko

SHIELD OF SHAME (MOST SENIOR DUCKS)

Awarded to the senior cricketer who has achieved the most ducks during the season.

Andrew Luzzi 6 ducks

LONG SERVICE AWARDS

OFFICIALS (EIGHT YEARS SERVICE)

At the completion of eight years service as a coach, manager or executive committee member (or a combination of these) the Executive Committee may approve by majority vote the award of a Long Service Award to such person. Service need not be continuous.

None Awarded

SPECIAL SERVICE AWARD – UNDER 16 YEARS

Players who play continuously with the Club from Under 9 to Under 16 shall receive an award at the annual presentation in recognition of their contribution to the Club. Team Coaches and Managers who meet the criteria shall also be eligible to receive the award.

Luke Fitzpatrick

Michael Todd

SPECIAL SERVICE AWARD – SENIORS

Senior players who have played with the Club for a period of ten years shall receive an award. Years of service need not be consecutive.

None Awarded

100 GAME CAPS

Awarded to players who play 100 games for the club, without breaking that service to play for another club within the Nepean district.

Liam Hausfeld

Bill Watson

Patrick Cromie

Ben McGovern

Shaun Wood

MILESTONES

100 Senior Games

1ST GRADE (RED) CAPTAINS REPORT

We had reasonably successful season finishing minor premiers. Unfortunately we were unable to maintain our good form into the semi-finals and went down to Consumers in a very close and intense semi-final.

We managed to score 137 in our innings. While we knew this wasn't the total we were hoping for, our bowlers stepped up and, led by our youthful off spinner Martin Bowerman, we fought back and had Consumers 7 for 79 overnight. This could have been better had a couple of decisions went our way. In the end they passed us 9 down. We bowled them out a couple of runs later and attempted to score quick runs in our 2nd innings for a chance of bowling Consumers out again. Our bowlers certainly gave all they had but we were unable to dismiss the Consumer batting lineup.

Our season deserved a grand final finish as we only lost 2 games all year, but unfortunately it wasn't to be.

The club is in a very strong position with our 1st grade side as it has a good blend of local youth who have many successful seasons in front of them. We had a total of 7 former junior Emu Plains players representing 1st grade in the semi-final. I hope these guys enjoyed playing as much as us old blokes did and return next season to hopefully take out the competition.

Thank you to Martin Bowerman and your committee for your effort and support in making this Cricket Club the successful Club it is today. A strong and hard-working committee is an essential component of any sporting club.

Thanks again to all players who played 1st grade this season. I hope to see you all next season.

Marty Romer
Captain 1st Grade 08/09

1ST GRADE (BLUE) CAPTAINS REPORT

Season 08/09 started off with an interesting twist, when we were asked to have two teams involved in the 1st grade competition (Premier Grade). This had an impact on our club, with different opinions and ideas from many members, on how to manage and control the teams to have a successful season.

I guess you could say that our team (Emu Blue) was the guinea pig team of the two sides picked. Traditionally our 1st Grade side has been picked by the captain and Life Member, Marty Romer, which was how the club opted to go once again. I felt that was a fair enough call. The big thing for me was the fact that we got to have two teams getting experience on turf wickets and using a four piece ball. Most of our team was new to 1st Grade with little experience playing on turf. In saying that, we did have a few experienced players in our team, but most had not played on turf wickets week in week out for some years.

Our side was definitely not short of experience with several "veterans" in the team but at the end of the day the cricket we played was patchy and not good enough for our opposition on most days. We did show good signs at times, making teams push hard for their results. We had some long days in the field and some short days in the middle with the bat. I was grateful for all the support from team mates throughout the year who kept their heads up. We always tried to get up to Emu Sports to support the club and have a beer or two regardless of our results.

I'm proud to captain a team for Emu Plains Cricket Club which played in a comp which was strong, and to be able to say that although our season wasn't good overall on the ladder - we finished last - we did the club proud by trying our best every week.

We gave a lot of Emu Juniors and long serving players from the club a chance to play in the highest grade within the district which was great for those players to have a chance to know what it takes to play well against the best teams. All players who got the chance to play for our team should have taken away a lot for their own personal games. I know you didn't let us down. Thanks fellas, played well!

As captain, I was able to try a few things throughout the year due to our "unlucky" flow of losses which became more frequent after round 1. Losses that included players switching teams (Bowers) and getting injured (Bottrill - again). In comes Billy Ellis, our number one allrounder from 9th grade. What a call up! James Delfs, our expert tailender, became an opening batsman with great results - if only selectors knew hey James! Matt Kobryn filled in from 8th Grade and showed, along with Billy, that players from all grades can play Premier Grade. Matt went on to score 51, with two 4's and a 6. Emu Blue all out for 87. Thanks Kobo!

Well Done Emu Blues! Thanks fellas for not giving up and helping me out, on and off the field!

Patrick Anderson
Captain 2nd Grade 08/09

3RD GRADE CAPTAINS REPORT

This season was tough for all of us. We had a large squad and many of us (including myself) were having difficulty finding form with the bat. We were able to roll teams for under 150 but couldn't get past 100 ourselves. Probably guessed by now we didn't win any games.

It wasn't too hard finding our player of the year. Nathan Sebbens was our most consistent bowler and he topped the runs for us too. Not to mention the best catch I've ever seen! That was sensational!!!!

Andrew Luzzi, I believe, had the best season of his career. Although guaranteed to win the shield of shame award, his bowling was by far the best I've seen from any spin bowler in the club. Certainly the most consistent. And when he didn't get a duck, he went on to make good runs.

Todd Barron, as always, was great behind the stumps. He also kept us in the game on many occasions with the bat, as always.

It was Stuart Ericson's first season in a higher grade. His batting in most games was nothing short of heroic, his part-time bowling was fantastic and his fielding was probably the best in the side. Some of the catches he took in first slip were unbelievable. Next season he will be unstoppable.

John Ryan had a bit of a rocky season. Being Vice-Captain, I would've imagined, made his season rocky for the same reasons my season was rocky. He did, however, put on some great partnerships and was the most committed to the team. I know we had a rough season John, but it would've been even more rough for me if you weren't there helping me. I thank you enormously for this.

Mark Stafford's season was good. His batting was great, but when I asked him to roll the arm over when we needed wickets, without fail he got them for me. Great job.

Dave Withers became part of our stolen generation at the start of the season, showing off for Premier Grade. But when he returned to us full time, our team lifted. That little piece of us that was missing was finally back with us. Didn't help us win any games though. His fielding was first class, batting was text book and his bowling was dangerously fantastic. Next season we just have to remember to keep his girlfriend away from Lou and we'll be set.

Josh Perry was by far the best team player I've seen in years. Even when it was his turn to sit out he was at the game scoring or umpiring. It was a shame his season was cut short by a vicious assault by a homicidal psychopathic monster in an attempt to save fifteen Swedish teens from an awful fate..... Okay, it was an accidental bump on the hand in an indoor cricket match by Pat Anderson.

Luke Fitzpatrick was one of our best players this year. When he was on, no-one could face him. He did impress us with the bat too, notching up some handy runs when we needed it.

Kurt Scott came into our side halfway through the season. He was starting to find some real form too towards the end of the season. It is just a shame he didn't start the season with us because at that rate he would've been brilliant at the end of the season.

Steve 'Sharma' Sargent was the pick of them. He was one of our best batsmen, bowlers and fielders. I look forward to playing in his team next season because with talent like that, it really is uplifting to play alongside.

It is a shame Jason Guilfoyle didn't play more games with us this season. When he was, he was dynamite in the field.

Owen Williams and Cameron Dantier only played 3 games for us all season. They were both our best players. We would've won games if they were there all season. Dare I say, we may have made the semis.

Jon Philliponi was our fill in from the Juniors. He was also one of our leading wicket takers. Thank you heaps for filling in this year.

To all our other fill ins, Greg Bottrill, James Wood, Patrick Anderson, Ben Mc Govern, Jeff Miles, Peter Gibson and Nathan Christensen, I can't thank you guys enough for your help and support throughout the season.

Until Next Season.

Chris Longhurst
Captain 3rd Grade 08/09

4TH GRADE CAPTAINS REPORT

It was another successful year for our team. These boys have stayed together for a few years now and I think it shows on the field. We made our 3rd grand final in a row and won this year's B-Grade 20/20 comp. Although we didn't win the regular season GF, it was still a pretty special effort. After bowling the opposition out for 98, we fell short on 92 in the first innings. On day 2, we needed a little more luck than we got. In the end we needed 176 in just over an hour. In fading light, we did pretty well to get to 116. Overall we worked out that our opposition batted for about 8.5 hours in the match and we only batted for about 3. Hold your head high boys, you should feel proud of what we have achieved over the past few years. What I found special was our reaction to losing the GF. If you were watching from the sideline, you could have easily mistaken that we had won the match. We gave the opposition heaps during the match (as we always do), but were very gallant in defeat. There were no hard feelings, they just played better on the day.

A couple of special mentions need to be made. Mat Marshall's hat trick in the 20/20 final was something special. It is a moment that I will not forget for a long time. I think all our players were pretty pumped for Fat-dog. It was his first hat trick, and I think it won't be his last.

Chris Tonks' 136 not out in round 9 also deserves a mention. It is an innings I like to call "THE PATIENT TON". T-Dog came in at 2/27 in the 7th over. His first 21 scoring shots were singles. It took 32 scoring shots before he hit his first boundary. He dug in when we were 8/126 looking like getting a smallish total. Together with Kyle Siczak, they put on a 172 run 9th wicket partnership on our way to a demoralising total of 313. Kyle and Chris put on 122 runs in the last 10 overs of our innings. Solid effort boys!!

I can't put in a report without mentioning this one. In one of our games, we were a little short on players. We had a junior there and a few of our boys said we should use him. I wasn't sure if we could or not so thought I would ask the official umpire we had for the game. The advice given was that we could use the junior. We won the game by 160 runs but had used an illegal player so lost 12 points. I know I should know the rules, and believe me I do now, but when an official umpire says you can use a player, I would have thought it would be safe to do so. I'll never ask an umpire again for a rule decision, I will look it up myself. I apologise to the boys as this 12 points cost us the minor premiership. We missed out by 2 points for our 2nd minor premiership in a row.

Last of all; thank goes to Ben Sheens for taking over the on-field captaincy. Ben was quick to learn that you can't please everyone when you are the on-field skipper. Mate, you did a great job...we did make 2 GF's after all.

Big thanks to all the 4th grade players – Ben Sheens, Chris Tonks, Kyle Siczak, Mat Davey, Mat Marshall, Dylan Reeder, Mat Gibson, Peter Gibson, Nathan McKenna, Shane McPherson, Chris Hutchinson, James Wood, Thomas Jacket and Jake Sultana. Thanks also to Jef (YAP YAP) Myles, who filled in for a couple of matches for us and had a couple of nice innings.

See you all next year

GO THE BIRD!!!!....4th grade, you know the response.

Anthony Tonks
Captain 4th Grade 08/09

8TH GRADE CAPTAINS REPORT

Jamie Large started the season off as 8th Grade Captain but after 2 games, and 2 losses, he decided it was time for a change, so the job of captaincy was given to myself.

The side had a mix of guys who had played together before and some who had not played together before but by seasons end all were great mates thanks to the after game drinks back at the club at the conclusion of each days play.

We ended up finishing in 5th spot on the table. We had 5 wins, 6 loses and 2 draws. If we had perhaps taken a few more catches we could have finished higher up. All the guys in the team were committed and enthusiastic towards their cricket - this was especially shown by Andrew Kennedy who dislocated his finger on his bowling hand but continued to bowl and take wickets.

We also had many individual highlights of the season including Jef Miles' 79, and Trevor Raymond's 67 which worried Jef as he thought he would get overtaken as highest run scorer. Luckily Trev didn't get hit on the pads while Jef was umpiring. The other highlight of the season was Regan Rist's catching in the gully.

Our bowlers - Matt Kobyrn, Matt Large, Andrew Kennedy, Bill Watson, Pat Cromie and Jamie Large - were always on target making life tough for the batsman. Shane Richards, who managed to play the final 3 games of the year, must also be mentioned.

The main highlight however for the 8th Grade team was the winning of the trivia night. It was great to see so many guys turn up on the night.

I would just like to thank all of the guys who played in the team for an enjoyable year and hope to see everyone back next year.

Shaun Wood
Captain 8th Grade 08/09

UNDER 8 GILCHRIST (NON COMPETITIVE) REPORT

The first season for this fine young team of boys was hugely enjoyable and rewarding. Fun and fair play was the cornerstone of our season. When I look back on the first training session where the boys were trying to run in pads and trying to bowl with a straight arm to where they all are now, it has been tremendous to watch the boys develop and grow in confidence in all areas of the game.

There were many proud Dads, Mums and Grandparents that eagerly watched and supported all of our boys each week. From helping put on pads, mark boundaries, get drinks ready without forgetting our bacon and egg cook ups and very decadent morning teas, their assistance and support was outstanding and made Saturday mornings immensely enjoyable – thank you one and all.

We won some and lost some, the end result was never really important. Simply watching each player enjoying themselves having a go at batting, bowling or fielding and improving each game was worth the entry fee alone. A few highlights from the season include:

- Matthew's first game one handed catch and powerful batting, hitting three sixes in one over and making top scores of 28 and 25 runs.
- Luke's 2 wicket haul and a run out in one match and his powerful hitting of the ball.
- Max charging in off the long run to take a wicket with his inspiring energy and enthusiasm.
- Cameron's very solid defence, only being dismissed once and his improved bowling.
- Oscar's 2 wickets in one game and the moment his bowling action clicked!
- Ryan's quick bowling, grabbing him 4 wickets, his off drive and ability with the keeping gloves.
- Alex's 2 wicket haul against Cranebrook to help win us the game.
- Nicholas' super cover catch, bowling improvement and overall enthusiasm.
- Kai's improved batting and bowling action snaring him 2 wickets.
- Ethan's looping leggies that snared him 5 wickets and his catch as wicket keeper.

While I again thank all the parents for their assistance and support, I must show my appreciation to Gary James as Manager, Rob Payk as Scorer and Dean Buckley for his assistance at training each Thursday. Thank you also to the Emu Plains Cricket Club Committee for making these opportunities available to our young cricketers.

Geoff Sullivan, Coach

UNDER 8 PONTING (NON COMPETITIVE) REPORT

Well done to all the boys in the under 8's Ponting team. For a team of kids playing in their first year of cricket they really excelled any expectations I had for them.

In 15 matches our team was only beaten on 3 occasions and two of those being in the first couple of weeks, but once the boys got going they were hard to stop. Our boys were easily the best bowlers of the competition, and with that being said could often be our downfall offering more playable balls to score runs off.

The most enjoyable and pleasing thing as coach was to see the player's skill levels and confidence grow as the season progressed allowing each team member to make a contribution throughout the season.

Kalen Homfrey: Kalen is a fantastic sportsman and whenever he was bowling, batting or fielding he always gave 100%. Kalen has a good understanding of the game and quick on his feet between wickets.
Australian equivalent: Ricky Ponting

Sean Theoabald: A real character, Sean has great enthusiasm and was never afraid to appeal for wickets, especially from behind the stumps, which led to a couple of stumpings. Sean was the highest run scorer in our team with 68 runs. Well done!
Australian equivalent: Andrew Symonds

Liam Jackson: Liam will develop into a handy fast bowler in seasons to come and real handful for the opposition. Liam contributed well with the bat and a pleasure to have in any team.
Australian equivalent: Brett Lee

Zachary Reardon: Zac is a great all rounder finishing the season off with the best batting average of 13.75 with a total of 55 runs. Zac was also good with the ball taking a total of 7 wickets and an excellent fielder.
Australian equivalent: Michael Clarke

Jeremy Fowler: Another great all rounder Jeremy achieved our best bowling result with an average of 9.33. Jeremy was a superb batter, very patient and waited for the loose ball to smash. Jeremy scored a total of 62 runs. A great effort!
Australian equivalent: Mike Hussey

Justin McColl: Justin is a quiet achiever and improved a lot throughout the season developing into a good bowler and a solid batter. Justin didn't give up his wicket easily and will only get better in the coming season.
Australian equivalent: James Hopes

Harrison Field: With a bit more work Harrison will be a great bowler, at times his line, length and pace was second to none, a handy fieldsman Harrison was one of a few to take a catch during a match. Keep up the good work Harrison!
Australian equivalent: Nathan Bracken

Lachlan Brown: Lachlan was unlucky to miss most of the season through injury, unlucky for him and for the team as when he did play he showed that he was a very capable bowler and batter.
Australian equivalent: Mitchell Johnson

Matthew Canning: Matt was another big improver of the team, he worked very hard behind the stumps and easily one of our best fielders making some spectacular dives to save runs. Matt improved his batting and bowling as the season progressed taking good wickets at crucial times. Great effort Matt!
Australian equivalent: Simon Katich

I would like to thank Richard Field, the team manager, who scored on many occasions, to Kevin Canning and Lee McColl who scored and umpired for many games and last but not least a big thanks to the mums and dads that came along and supported the team.

Thank you boys for a great season!

Steve Reardon, Coach
Richard Field, Manager

UNDER 9 (NON COMPETITIVE) REPORT

In our first season playing cricket we managed to win 10 from 13 games. This was a great effort from the boys who seemed to get better as the season progressed. At one stage we won 5 games straight. The most pleasing aspect for me was to see every player scores runs and get wickets. We worked very hard on our fielding at training and this showed in the games when we took some brilliant catches none better than Tom Wallace's diving one hand effort on the boundary. Our bowling got better each week and the wickets were spread pretty evenly across the side. Our batting really became our strength towards the end of the year with several players smashing fours with ease. Lachlan even managed to hit three six's!

Thank you Gerard for scoring all season and Patrick for helping with the coaching when I was away and big thanks to a great bunch of parents who were very supportive and encouraged the team win lose or draw.

Our team was:

Dean Welsh – very good left arm bowler, Dean scored 6 runs and took 4 wickets

Dylan Andrews – Another good left bowler, Dylan scored 8 runs and took 6 wickets

Ben Romer – a good all-round from Ben he scored 40 runs and took 7 wickets

Sam McIntosh - A solid right hand batsman Sam scored 36 runs and took 4 wickets

Tom Wallace – A good right hand bat who loves the hook shot Tom scored 23 runs and took 5 wickets

Lleyton Agius - A right arm bowler and bat that got better as the season progressed Leighton scored 16 runs and took 2 wickets

Tom Charlton – a big hitting right hander and good bowler who loved taking wickets Tom scored 32 runs and took 6 wickets

Lachlan Charlton – A very talented cricketer who belted sides with the bat then blasted them out with the ball, Lachlan scored 118 runs and took 7 wickets

Coen Brand - Coen played half the season with us before moving away from the district a very good player who scored 28 runs and took 4 wickets

Ethan Clout- A very good right hand bat and bowler who was also very good in the field Ethan scored 17 runs and took 2 wickets

Marty Romer, Coach

UNDER 10 REPORT

Coaching the under 10's this season has been a very fulfilling and enjoyable experience. We finished third on the ladder unfortunately in the 10's division there is no semi finals.

This is the third season I have had the pleasure to coach a wonderful group of cricketers. Four of this years team played together in the under 8's and they were joined this year with players from the other under 9's team from 2008. We had a few new players who had not played before. So we had a great mix of experience and enthusiasm.

Right from the first training run the team seemed to gel very well and by the end of the year the team were one of the most feared teams in the competition.

We had a very successful season losing three games two by three runs and the other by seven deliveries. In the team we had three boys make the Penrith Foster Shield team Nicholas Arnold, Hugh Kermond and Ethan Hennessy the five game competitions was a very sharp learning curve for all concerned, the experience improved all three dramatically. We also had our only female team member make the Penrith under 13's team for the second year in a row.

With the team training with some of the best players in the district I found the skill level of all the players improve dramatically. Each one did their personal best which is all a coach can ask for. Following are the special attributes each player developed through the season.

Hugh Kermond – Penrith rep player who opened the batting for the Foster Shield team. Hugh has excellent batting temperament and was one of the quickest bowlers in the local competition. Hugh was our highest wicket taker with 13 wickets and amassed 160 runs only getting out once in his nine innings. Hugh is also very good in the field taking 6 catches. Hugh has a passion for the game and is a player of the future shows good leadership qualities.

Ethan Hennessy – also opening bat for the Foster shield team. Ethan had a slow start to the season which he overcame by working hard on his game. Ethan scored 85 runs and took 12 wickets. He was our teams first choice keeper and he was very good taking 4 very good catches. Ethan also looks to have a bright future with the club and district.

Max Turner – this was Max's first go at cricket. He worked so hard on all his skills and was rewarded late in the season scoring a 25 not out. His bowling improved dramatically and he took 3 wickets during the season and took two very good catches. Max was a pleasure to coach.

Samantha Arnold- Samantha was the opening bat for the Penrith under 13 girl's team this year. In the local competition she scored 118 runs took 8 wickets 2 catches and assisted with 3 run outs as wicket keeper. Sam has a great ability to read the game and has great anticipation when running between wickets. She showed very good leadership on and off the field. Looking forward to watching her go in years to come watch out Elysse Perry!!

Nicholas Arnold –. Nick had eight innings and was not out scoring 205 he took 11 wickets three catches. Nick has excellent skills in the field and took one of the catches of the season. He was the districts highest scoring batsman. Nick was the third member of the Foster shield team where he was batting at number three and opened the bowling. He has all the skills needed to go a long way!!

Brendan Speechley – Brendan is a very quiet boy who enjoys the game, he scored 72 runs took 7 wickets and three catches. His highest score was 23. Brendan is a very good team player who was unlucky when batting early in the season. I am sure that Brendan will score many runs in the years to come.

Jarrold Morley – scored 26 runs took 8 wickets and 4 catches. Jarrold is playing a year up and is the teams best swing bowler. He will trial for the Foster Shield team and will go very close to making the side. He has a great work ethic and is willing to put in the hard work to reach his goals we all wish him luck for the rep trials.

Jeremy Baranowski Grey - scored 48 runs with a high score of 23 took three wickets 4 catches and had 4 run outs. Nickname "Pup" he was outstanding in the field with his cat like reflexes putting pressure on the opposition. Jeremy is a bundle of energy and his enthusiasm is infectious in the field. Bowling improved dramatically through the season and he was unlucky not to take many more wickets.

Ben McCarthy – scored 78 runs took 7 wickets three catches with probably the catch of the season in first slip with his left hand. Ben finished the season as he did last year playing his best games in the last few matches where he scored 25 not out and was bowling at speed with a great line and length.

Oliver Masters – scored 18 runs took three wickets one catch and a run out. Oliver's highlight this year was his 9 not out hitting his first four in his career. Oliver has a great bowling action and looks to be the teams most likely genuine spin bowler in years to come. He also holds the title as the team's best Shakin' Stevens impersonator. A great team player!

Fraser Brown – scored 39 runs took a wicket and also one of the top catches of the season. Top score of 10. Fraser was very good listener who at times sacrificed his wicket for the team. His highlights of the year were the massive fours he was capable of hitting and the sensational catch against Springwood which was at his bootlaces.

Mitchell Waugh - took three wickets and a catch. Mitch has a quiet demeanour and was an active member of the team who was extremely unlucky when batting with numerous dubious run out decisions. His bowling figures did not reflect Mitchell's ability. His happy and carefree attitude made him a popular member of the team.

In conclusion I would like to thank Kate Turner the team manager and the wonderful dads who volunteered to score and assist warming the team up each week. I hope all the team come back next season and have more fun.

Until next season, all the best.

Mark Arnold Coach

UNDER 12 DIVISION 2 REPORT

Coaching the U12's this year has been a very rewarding experience. With a team of players having varying levels of skill (and also being my first year of coaching) we actually started off the year with a bang and won our first three one day games. The wins brought with them lots of enthusiasm and encouragement from within the team. Then the two day games started and the longer two day format kicked in – having narrowly lost our next three two day games we realised that we had to learn to adjust to the longer game format –to keep up our focus and encouragement for the whole of the game.

With our skill level developing each week at training, the team improved with each match we played. We were a very competitive side as we had a cross section of good batters and bowlers. By the end of round three every player had a wicket taken off their bowling. We also had four players retire on 50 runs during the season – Mikayla, John, Hayden & Simon with Grant coming close on 42 - a great personal achievement to all! This season also saw us unearth a new fast bowler – Andy – not bad considering it was his first year in cricket!

Partnerships are often overlooked when reviewing the end of year statistics – in fact we had every player involved in a partnership of 25 runs or more which is a fantastic team effort! Two of our partnerships were the highest for the competition – Mikayla & Simon 138 (7th wicket & highest overall) and Hayden & Simon 106 (2nd wicket & 2nd highest overall).

We also had three players make the representative sides this season:

Mikayla Hinkley – U/11 IDCA
Peter Hardy – U/12 Presidents Cup
Simon Masters – U/12 Presidents Cup

We had some good wins towards the end of the competition that saw us finish in second place and secure a semi final berth. We took this end of season form into the semi final against Penrith RSL Blue and won by 54 runs which saw us make the grand final only to meet another Penrith RSL team – RSL Gold. We played well in the grand final and were beaten by a better team on the day. 'The bird' had to flap pretty hard on the second day to try and bring us home but it wasn't to be. I was very proud of the team and of the sportsmanship they showed after the loss.

I would like to thank the assistance of the parents for bringing their children to training each week and for getting them to the games on time. Thanks to those who helped with the setting up and warming up of the team before play. Special mention to Paul Fitzpatrick, John Klincke and John Norman for scoring. Thanks to all for your help - it is very much appreciated.

I really enjoyed the season and I will be back again next year to coach. I hope that everyone will come back and join me where will keep that bird flapping and go one better.

Congratulations Young Emus on a fantastic season:

Kee Cruzado, Conor Fitzpatrick, Grant Cooper, Hayden Hale, Pete Hardy, Mitch Harkin, Chris Hinkley, Mikayla Hinkley, John Klincke, Simon Masters, Andrew Norman & Nick Tsitos.

Go the bird!

Steve Masters, Coach

UNDER 13/14 DIVISION 2 REPORT

Firstly, I'd like to say a big thankyou to all the parents, grandparents, uncles and aunts of the boys from the U13 team for your continued help and support throughout the season. Not only is it great to have parents at the game who are willing to help out here and there, but also seeing the parents take great interest in their child's game of cricket makes the time and effort you invest as a coach worthwhile. So again, a big thankyou.

Special mention to Jason and Grant who were great help throughout the year.

I guess that finishing second last in the competition doesn't sound like a successful year. However, many of our games were very closely contested and we saw some fantastic team, and individual performances throughout the year, the results of which don't really do the team any justice.

None the less, over the last three seasons, Andy and I have seen so much improvement in all of the boys, not only in their abilities as individual players, but also in their approach to the game, and in their ability to play together as a team, and that has made us proud. The boys should all be proud of their achievements this year, both as individuals and as a team. Congratulations to you all!

Congratulations go to Joel Sutcliffe who wins the bowling trophy this year with 11 wickets at an average of 9.36 and best figures of 3 for 8.

Congratulations also go to Matthew Hughes who wins the batting trophy this year with 225 runs at an average of 28.13 and a highest score of 71.

Thanks again to all for your efforts and commitment to the team

Go the bird!

Peter Hughes, Coach

UNDER 16 DIVISION 1 REPORT

Our season was very successful. We had a mixture of Reps, long term players of the club and new guys.

We almost made the semi finals, but the season was full of many highlights and personal achievements.

Ben was ok. Hit a few runs, took some catches, he might have stumped someone. I wasn't paying that much attention.

Jon found a bit of form with the bat. Needed the SES search party with his bowling. Ha ha jokes are fun. He had a good season.

Nathan, once again, took some screaming catches. And about time you started bowling again.

Brendan played very well this season. Persisted with opening with himself bowling when we had three other openers warmed up. But you bowled to a plan and it paid off.... Sometimes.

Keiran showed the most improvement I have ever seen in one season. By the end, he was hitting a lot of runs, taking some great catches and stopping heaps of boundaries off Brendan's bowling. Well done. Great season.

Liam showed us all that you don't need to be playing a twenty20 game to bat like it. Man you can hit a ball hard. Still can't believe you got so many wickets. But you had a great season.

Jordan showed us why he is the Lego-man. He came up to us one game and said he will block everything and not get out. True to his word, nothing could get through him that day. He took some great wickets and some good catches. Good work.

Matt Herring bowled fantastically this year. I say the pick of the bowlers. He also put his hand up to open the bat when no-one else would. Plays at his best when he is settled and having fun.

Umeet Sen played his first season. But if you watched him, you would've bet money he played for a few seasons. He hit the ball hard and got runs. On his second ball ever he got a wicket and broke a fifty run partnership. And in his first game, took a blinder at square leg, that ball was hit like a rocket and Umeet caught it cleanly. Good start to a successful cricketing life mate.

Matt Large played part time in our side this year to focus on his studies in the field of Seniors Cricket. When he played in our team, we lifted dramatically. And when it looked like we were going to make the semi finals, i asked him to play full time and he stepped up for us. Thank you heaps Largey.

To All the players from 16's div 2 who help us out this year, thank you so much for your support and help. Our season wouldn't have been even close to the success it was without you. Also to Clayton for stepping up from the 13-14's to play. I can't imagine how tough it would've been.

Also thank you heaps Jenny, your help support this year has made our job so much easier this season.

Thank you Lou for helping me coach these guys. And sorry for giving you out LBW at Boronia Park. I should've known better than to give you out when the ball would've hit Middle stump halfway up. Sorry Man.

And thank you Parents for your support this year.

Good luck to you all when you step up to seniors. I look forward to playing along side you next season.

Chris Longhurst, Coach

UNDER 16 DIVISION 2 REPORT

Well it has been a pleasure, once again, to coach such a team of fine young men. The way in which these boys conduct themselves, and the way that they display such a high standard of sportsmanship, both on and off the field, continues to be a credit to their families. Their enjoyment of the game is infectious and makes it all worthwhile.

I would say that the club spirit showed by the boys by supporting U16 Div 1 side as well as helping 9th grade when they were short, demonstrates what loyal club men they are.

I would like to congratulate the four boys who gained a spot within the Penrith Representative team; James Devlin, Josh Dowd, Connor Finemore and Lachlann Harris, well done. Four fine cricketers indeed.

I was really proud to see six of our boys taking on umpiring for junior cricket this year. They are supporting cricket, not just at the game level, but at a broader level. They include: Joe Masters, Todd Waugh, Jake Robson, Lachlann Harris, Josh Dowd and James Devlin. This is what sport is all about.

The season was full of highlights, from the first game of the season right through to the final game. The best news being that the team was more than competitive against some very strong opposition. What a strong position the team are in for the next season, as sixteen year olds, they are certain to be a force to be reckoned with.

Hugh Arnold has been impressive both on and off the field this season, particularly on the field. Hugh has become a true wicket taker by breaking some batting partnerships at important stages in the game. His best bowling statistic was 2 for 18. Hugh also displayed some impressive fielding and he also was involved in some very good batting partnerships right throughout the season. My personal highlight for the season was the magnificent four that Hugh drove off the front foot, right back past the bowler. Hugh is the type of player that every team needs, well done Hugh!

Jarrold Bartley has had a very good season with the bat, scoring 51. He also wowed us all once more with his fielding skills. He displays a skill level well beyond his years. He stood out in the field every game. Jarrod has again taken some impressive catches, 4 in total, Jarrod also put on wicket keeper gloves a few time as well. And what makes these statistics look even better is that he only played in 7 games. He just gets better and better.

Matthew Branch has backed up last year's efforts with another great season with the ball; his best figures being 3 for 4. He gained a total of 10 wickets for the season. Matthew also had an outstanding season with the bat, scoring 63 runs and is one of our best fieldsmen in the deep. He plays with a passion and is set for an even brighter future. Well done Matt!

James Devlin (Team Captain) has again led the side with great maturity. He captained the side with an amazing all-round skill. He has led by example. His highest score was 83. He accumulated an impressive 292 runs for the season, James has taken 14 wickets, and his best figures were 4 for 28. His fielding ability is just outstanding and certainly inspirational to all the other team members. James has a great cricketing career in front of him. Thank you James for leading our team so well, not just by your skills, but by your great sportsmanship as well.

Joshua Dowd has had yet another fine season. Josh's skill level continues to improve and his batting style is now well known throughout the cricket community. He has contributed an unbelievable 354 runs for the season. Josh has the ability to both chase runs and to put his head down and score watchfully. Josh was also a reliable wicket keeper and leg spin bowler. He attained 10 wickets. His best bowling figures were 2 for 7. Even when Josh is in field he is putting pressure on the batsmen and he has taken some amazing catches. Josh is a cricketer of the future of the highest order.

Connor Finemore, has again proved what a great team bowler can do for his team by featuring in some very good bowling partnerships right throughout the season. He bowled strongly and is developing into a very fine cricketer. Connor worked hard to improve his fielding skills and they were certainly evident in the games. Connor also put in a huge effort with the bat this year, well done Connor on such a great season.

Lachlann Harris, is a newcomer to our team, though greatly received and has quickly become an integral part of our team. Lachlan's contribution as an all rounder was demonstrated every time he took the field. He scored 84 with the bat and has picked up 8 wickets. Finally to top all that off he took 6 of the best catches of the year. I believe it goes without saying that he is one of the best talkers on and off the field. Well done MATE.

Daniel Kelly featured in some very good batting partnerships right throughout the season. He bowled strongly and is also developing into a very fine cricketer. I really appreciated Daniel's willingness to do whatever was asked of him. Daniel would never question a decision and would willingly bat or bowl in any order without fuss. Daniel is true team player.

Joe Masters once again terrorised every batsman he bowled at, I mostly felt for our wicket keeper Daniel Pallett who had to stand in the firing line of every ball. Joe demonstrated excellent batting skills scoring 54. He took 8 wickets with the best figures of 3 -19. Joe is a great asset to the team as well as to the club. Great season, Smokin' Joe.

Daniel Pallett - His dominating batting displays frustrated the bowling attack throughout the year and were backed -up with great wicket- keeping and a strong bowling performance. Daniel follows every instruction to the letter. He achieved 122 runs for the year with a high score of 41 runs. He is a great little player with a big heart.

Jake Robson displayed throughout this season the ability to bat and play the important anchor role in many of the partnerships that were needed. Jake has had fine year with the ball by collecting 7 wickets, with his best bowling statistics 2 for 12. He put in a fantastic performance in the field, he really worked hard to improve his overall skills and that was evident in the games.

Todd Waugh is the quiet man of the side, but not so when he picked up the bat or the ball, which proves you don't have shout to be heard. Todd supported with some strong batting partnerships and scored 75 runs for the season, along with 6 wickets and some extraordinary fielding. Todd has also established himself as an integral part of this team.

I would like to give a special '*thank you*' to all the parents and grandparents who have given Liz and I unwavering support throughout the season. The team is what it is because of the parents' commitment and support. Liz and I would like to again acknowledge:

- Paul Devlin, Greg Finemore and Steve Masters for all the hard work with the scoring, umpiring and assistance with the coaching of the boys.
- Louise Arnold for organising the drinks every week and who raised the funds for the end of season celebration.
- Liz Devlin for great scoring.
- Very special thanks to Steve Bowen for helping out with throwing and catching skills practice – it made big different to the boys game.
- To everyone that helped with the cooking (especially Tom and Ken) and those who supplied the bacon, eggs and rolls every weekend.

The team, the parents and I would like to especially acknowledge:

- Liz Dowd for all the hard work that she has put in over the season, for not only this team, but also for the club. Thanks Liz for being an inspiration to keep us growing as a team. You have really made sure our cricketing experience is as good as it can be.

With thanks and gratitude.

Tony Robson, Coach
