COMMITTEE REPORTS

PRESIDENT'S REPORT

Another successful season was enjoyed at Emu Plains, both on and off the field, in 2009/10. Premiership success returned to the Club on the back of two wonderful performances by our Second Grade side and our mighty Under 11s. The Club continued to thrive, with healthy representation across the Senior and Junior grades, and with a strong following in our In-2-Cricket programme.

After Senior team nominations were entered at the start of the season, Emu Plains was asked to field teams in 1st, 2nd, 3rd, 4th, 7th and 8th grades. In a move designed by the committee and selectors to ease some ageing (this is meant in the nicest possible way) players down a grade, we asked our 4th Grade side of 2008/09 to take the leap to 2nd Grade. This they duly did without question.....and how well did they go? Not only did they repeat their success of the previous season in winning the 20/20 competition, but they came from 4th place after the home and away season to claim a convincing win in the Grand Final. This really was an incredible effort, and all involved with the team should be congratulated.

Our U/11s also did the Club proud, going through virtually undefeated, and winning their two finals convincingly. It is hoped that this group can remain together for a few years to come yet. The Club provided some 24 Junior players for the Penrith Junior representative sides, which we believe is a record of some sort.

Our unheralded 7th Grade put up a mighty effort to make the Grand Final, as did the u/16s, and 3rd Grade dipped out at the semi-final stage. Those who managed to catch any or all of our finals matches witnessed some terrific cricket. The Club has a very strong talent base to work from. I would love to be able to bottle the team spirit displayed by 7th Grade.

Congratulations to all players across all the teams. We are always competitive, always play in a good spirit, and wear our red caps with pride. Make sure you are all back next year for another crack.

To all our team captains, Junior coaches, managers and parents, a sincere thank you on behalf of the Club for your selfless and untiring efforts throughout the year. I sincerely hope that season 2010/11 will see you all with us again in some capacity.

Our In-2-Cricket programme was once again a great success, with head coach Chris Longhurst and his band of helpers doing a terrific job. The Club places great importance on this programme, as it provides the next wave of cricketers into the Junior ranks. Well done Chris, your preparation and commitment were outstanding.

A first for Emu this year was the Club's end of season trip to Hawaii. This was an initiative driven by Jim Micsko, and from all reports was a raging success. The team won both matches played and were provided terrific hospitality by their Hawaiian hosts. An end of year trip may become a regular part of our season's fixture. Thanks to all involved by representing the Club well internationally both on and off the field.

The Club's committee once more provided sterling service. While we all do our bit, Secretary Micsko, Treasurer Large and Junior Secretary Dowd deserve special praise. Thank you guys for sticking with it, providing me tremendous support, and the Club as a whole, great service.

Liz Dowd this year has been awarded the Clubman of the Year award, which just goes to show how much we appreciate her efforts. And, in recognition of many years service, Jamie Large has been awarded Life Membership. This is thoroughly deserved for a tireless and loyal servant of the Club. Sincere congratulations to you both.

The Committee is continually looking for ways to improve things around the Club. Some 2009/10 initiatives include the purchase of a digital camera; application to build a better storage facility at Nepean High School; new playing shirts for 2010/11; and some long-term consideration to a ground of our own. This may never eventuate, but it doesn't hurt to dream, and it shows some progressive thinking.

I encourage anyone who thinks that they can provide input, new ideas or just want to have a go, to put your hand up for the committee at the next AGM.

We are also very pleased that a renewed sponsorship arrangement with the Emu Sports Club was negotiated during the course of the past season. The Cricket Club has remained a strong supporter of Emu Sports throughout some turbulent times, and it is terrific to see that this support has been recognised. We will continue to foster our relationship with the Emu Sports Club and I encourage all cricket club members to use Emu Sports' facilities as often as you can. To Peter Butler, the Board Chairman, thank you for your support.

May this Club remain strong and proud for many, many years to come.

Martin Bowerman, President

TREASURER'S REPORT

A review of the financial statements for season 2009/10 shows that as of statement date 13/4/2010, we have a balance of \$11,865.70.

Total income received for this year is \$29,261.65 with a further \$1,355.00 in fees and a grant from Emu Sports of \$3,000.00 still to be collected.

Here are some of the main income streams:

Registration fees	\$17,970.00
Clothing sales	\$3,090.00
Fundraising	\$3,806.65
Grants	\$4,395.00

Our expenditure for this year is \$23,703.10 with presentations and trophies costing another \$6,000 approximately. Some of the main outgoings are:

Balls and equipment	\$7,486.00
Team registrations	\$6,420.00
Nepean High School net hire	\$200.00
Umpires	\$400.00
Clothing purchases	\$2,757.00
Turf Fees	\$900.00
Fundraising Chocolates	\$2,135.00
Digital SLR Camera	\$1,550.00

I would like to take this opportunity to thank all of the committee for their support this year. I would also like to thank everyone that was involved in selling chocolates and NSW Cricket Raffle tickets. A special thank you to Sue Masters for helping with the delivery of chocolates and collection of money from the junior teams. Thanks also to Jim Micsko who sold nearly \$400.00 in chocolates on his own.

Thank you.

Jamie Large, Treasurer

SENIOR REPORT

The 2009-10 season was one that started with a great deal of enthusiasm and the vibe in the club was fantastic right from the first training session in early August. In my time at the club, I have never seen so many turn up in winter for a training run. It was not unusual to see up to 35 players at the nets on Saturday afternoons and this was very encouraging. This good feel carried right through the season with all six senior sides (1st, 2nd, 3rd, 4th, 7th and 8th grades) proving competitive right until the end of the season.

The highlight of the season was our 2nd grade side taking out the Premiership from 4th spot on the ladder. They also won the Twenty20 B Grade competition for the second year running. This great group of mates, ably led by Anthony Tonks and Ben Sheens, have climbed up the grades from 8th to 5th to 4th and now 2nd grades over the last 4 seasons. It goes to show what a consistent group of players can achieve if they stick together.

Our 7th grade side made the grand final on the back of a superb semi final victory over the minor premiers. As Jamie mentions in his report, that was probably their grand final and they could not repeat the effort in the big game. This side was a great mix of youth and experience and had some fantastic performances throughout the season. If they can stay together they should again be competitive in 2010-11.

3rd grade made the semi finals where they performed below par to miss out on the chance to go further. This side was probably our most consistent all year, only losing 3 matches prior to the finals and remaining in the top four all season, finishing 3rd before the semis. With a bit of luck and full player commitment, they can press for higher honours next season.

1st, 4th, and 8th grades were in the mix all season. In fact, if 1st and 4th grade won one more match than they did, they would have been in the semi finals too. 1st grade were further frustrated by 5 draws due to poor weather but a number of teenagers were blooded this year which should serve the side well in the future.

Unfortunately we slid down the rankings in the NDCA Club Championship, even though we scored more points than last year. I'm sure we can rise to the top in the seasons ahead.

Jim Micsko, Secretary

JUNIOR REPORT

It's been another successful season for Emu Plains Junior Cricket Club.

This season we welcomed 45 new junior players to our club. Four of these new players were U16s who had never played cricket before! Our numbers were up 20% on last season, which is excellent due to the fact that within the Penrith District numbers of junior cricketers were lower than in previous years. In addition to the new players, we had three young senior Emu players volunteer to take up coaching roles with the junior teams. Again, this is excellent for the continued growth and development of our club.

EPCC had ten junior teams registered this year; one team in the Under 8 age group, three teams in the Under 9 age group, one team in each of the Under 10, 11, 13 and 14 age groups and two teams in the Under 16 age group.

Three of our teams made it into the Finals this season. The U11 team won their Semi-Final and went on to claim victory in their Final. Congratulations to the coach Peter Kermond and the U11 team. The U16/2 team (remember the four boys who had never played cricket before??) won their Semi-Final, making their way through to the Final. Although they were beaten on the day, they were great ambassadors for the club and themselves. Congratulations to the coach Pat Anderson and the U16/2 team. The U14 team also made their way into the Semi-Finals. Congratulations to the coach Jef Miles for his achievements with the team. They too were beaten on the day, but the valiant effort and attitude that had taken them through the season made them champions in our eyes.

A number of our talented players were selected to represent Penrith in the NSW Districts Cricket Competition. Our players and official representatives for 2009-10 were:

CS Watson Shield – James Devlin, Josh Dowd

U16 Presidents Cup – Connor Finemore, Lachlann Harris, Joe Masters

E G Weblin Shield – Matthew Hughes

U13 IDCA – Peter Hardy, John Klincke, Simon Masters, Bradley Reimer, Joshua Tempest

Arch Cawsey Shield – Mikayla Hinkley

U12 Presidents Cup – Patrick Rose

J H Creak Shield – Nicholas Arnold, Jy Clapham, Ethan Hennessy, Hugh Kermond

U11 IDCA – Benjamin McCarthy, Brendon Speechly, Max Turner

W G Foster Shield – Lachlann Charlton, Jarrod Morley

Our two very talented female players were selected to represent NSW at state level:

U13 Emerging Breakers – Samantha Arnold, Mikayla Hinkley

This is the highest number of representative players chosen from EPCC to represent at district and state level. Congratulations to all of you on your achievements. I'm sure our national representative is just around the corner!

This season, we also have four players who will be receiving an EPCC jacket. This jacket is a loyalty award, presented to players who have remained with EPCC for eight years continuous service. The same four players will receive a baggy red cap. The cap is presented to players who have played 100 games for Emu Plains. The recipients for 2009-10 are James Devlin, Josh Dowd, Joe Masters and Jake Robson.

Congratulations to all our players who wear the red and white. EPCC is always well presented during matches, with their distinctive red caps and mostly white shirts. Other club officials and district umpires speak highly of our teams and the manner in which they represent themselves and their club.

A huge thank you to all the parents (grandparents and carers) of our children. You play a huge role in supporting your child in their sport – transportation, encouragement and participation to name but a few!

Finally a huge thank you to all the coaches, managers and the committee. Without coaches, there is no learning, no team. Without managers... let's face it, the coaches wouldn't know what's going on! And without a committee the structure would not be there to support the coaches, managers and players. These people all give of their time voluntarily for our children and their love of cricket. They do a wonderful job and I thank each and every one of them for the past season and their support.

May our club continue to grow as a community who celebrates their love and passion for cricket.

Go the bird!!

Elizabeth Dowd, Juniors Secretary

MILO IN2CRICKET REPORT

This year's In2CRICKET clinic was run for 9 weeks from October to December and was very successful. All children who attended seemed to learn a lot and developed some great skills.

Many thanks to Nathan Christensen, John Ryan, Kim Longhurst and Brendan Ryder. I couldn't have asked for a better coaching staff. You showed true professionalism and made myself and the club proud. Also, a big thanks to the parents who helped out. You made our job much easier out on the field. Most importantly, thank you to all the kids. Your enthusiasm made coaching enjoyable, your wonderful behaviour made coaching easy and your outstanding development and achievement made coaching rewarding.

I hope to see everyone back next year (and bringing a friend along with you) and to those who are old enough to pull on the whites and take the skills you have learnt throughout the years onto the field, we wish you the best of luck and have a wonderful and successful career in cricket.

Chris Longhurst, In2CRICKET Coordinator

1ST GRADE CAPTAINS REPORT

Finishing sixth in a tightly packed competition was a disappointing result for First Grade this season. Just one more win would have seen us finish second, from where I have no doubt we had the talent to challenge any of the other sides.

Our bowling attack was very consistent throughout the season, with the bulk of wickets taken being evenly shared between our five core bowlers. These five all took between 12 and 14 wickets. Highlights included Jason Shandler snaring six wickets in the first game of the season, and Ben Sheens taking six in his one and only appearance in the team for the year.

Sadly, we were unable to consistently post or chase reasonable scores with the bat. On four occasions we were bowled out for less than 100, and it is this area that we need to attend to if we expect to win premierships. Andrew Williams had another fine season with 348 runs, but no-one else topped 200.

In fairness we were unable to consistently field our best eleven, with the likes of Andrew Pesle, Matt Jones and Paul Callaghan, three key middle-order batsmen, having regular work and study commitments. Also, three rain affected matches didn't help our chances. It was great to welcome back to the Club two of our former juniors in Paul Callaghan and David Penellum.

It was terrific to see two more young players join the First Grade ranks. Ben McGovern played every game and Cameron Dantier played ten. While both would have had greater opportunity to bat higher in the lower grades, it was felt that it would be far more beneficial for them to gain experience on turf against stronger opposition in the long term. Ben was worth his place in the side for his fielding alone.

Craig Sheens showed that he has the ability to be the leading player in this competition, combining some power hitting with his medium pace bowling. Craig was our leading wicket-taker, with 14 wickets, and second highest scoring batsman with 186 runs. Tom Romer, another of our teenagers, was not far behind with 13 wickets and 171 runs. When Craig and Tom both start to perform consistently, week in, week out, then this side will be quite formidable.

Luke Stanowski took on the leadership of our 20/20 side and also coached an under-age team this year. Luke's tight technique at the top of the order, his developing leg-spinners and fielding ability were a great asset to the team, and a big season for him is not far off if he can convert a few of his starts into 50s and beyond.

Martin Romer stood down from the captaincy this year after thirteen consecutive seasons, a tremendous achievement. On behalf of all the First Grade players I extend to Martin our sincere thanks for his efforts in leading the side for that long.

Hopefully the bulk of this team can stick together for another year to have another crack at getting this premiership. It has been too long since we last won it. We definitely have enough talent within our ranks to do it.

A personal thank you from me to all the players in First Grade this year. I thoroughly enjoyed the camaraderie and the on-field action. You are a terrific bunch of men and I had a ball every Saturday afternoon. Apologies for a few cranky moments.

Captain 1st Grade 09/10

2ND GRADE CAPTAINS REPORT

It was a strange year for 2nd grade this year, one that I won't be forgetting for a while. Having our 5th and 6th consecutive GF appearances resulted in back to back T20 winners and another premiership under our belt.

It was not easy going for us. It was a very slow start. We did not register a win in 2nd grade until Round 6. Did I think at that stage that we were not going to make the semis? HELL NO!!! I knew that if we could just sneak into the top 4, then we were in with a big chance. We lost more games than we won this year including getting rolled for a dismal 80 runs. But an outright win towards the end of the season gave us a little edge over those teams behind us and a washout 2 weeks before the semis cemented us a spot in the top 4.

We had not beaten a side above us in the top 4 all season but we knew this meant nothing as semi-final cricket is a whole new ball game. We rolled Springwood for 57 in the semi. This included a period where we took 4 wickets for no runs. 4 for 26 from Mat Marshall and 4 for 13 from Chris Tonks put us in a good position. Having us 4 for 22, Springwood thought they were in with a chance but our reverse order strategy (haha) paid dividends and super innings' by Matt Davey, Kyle Siczak, Matt Marshall and Ben Sheens meant an easy win in the end.

Along came the GF. I really thought the weather was going to beat us in this one. Special thanks goes to those who came and helped with the covers including Jeff Jones who does not even play with our team but was there helping us on each day with the covers. If the covers were not put down, we would not have played and we would not have won the premiership.

A solid batting effort got us to 162 on a pretty tough pitch to bat on. Then a solid bowling effort from all our bowlers gave us an 83 run victory.

I am not going to mention that I ran my son out in the GF. Sorry son!! But I am going to mention that I did get 2 catches off his bowling. Surely this makes up for the run out.

There were no centuries with the bat this year, although Kyle's 95 off 62 balls came pretty close. In the same game, I scored 58 off 39, James scored 46 off 26 and not to be outdone, Little Woodduck scored 46 off 20. All except one (Chris Tonks) scored better than a run a ball in that game on our way to a massive total of 405 off 45 overs. Needless to say, we won that one.

The main highlight with the ball this year was by far Matt Marshall's 12 wicket haul against Colyton Hotel. 7 for 27 in the first innings and 5 for 31 in the 2nd innings was a huge effort by the Fatdog.

Worth mentioning is Little Woodducks bowling average of 148. That's right, 148. Not 1.48 or 14.8, but 148 (one forty eight). Just ask him about it and he will let you know that his skills meant more pressure on the batsmen at the other end, which allowed for more wickets to fall from other bowlers!!!

All jokes aside, it was another successful year for our team. We have kept the same core players for 5 seasons now. We don't take ourselves too seriously and love getting in the oppositions' head. We have proven with 6 GF appearances in a row that we can play a little cricket.

Thanks goes to our players: Ben Sheens, James Wood, Josh Wood, Matt Marshall, Matt Davey, Peter Gibson, Kyle Siczak, Dylan Reeder, Steve Sargent, Shane McPherson, Jake Sultana and the fill-in players - Pat Cromie, Chris Longhurst and John Ryan. A special mention goes to my son Chris. 6 GF appearances in a row is pretty special, but to share it with my son is icing on the cake.

Special thanks goes to my wife Kylie. I played a lot of cricket this year and she has been pretty supportive through most of those games. I love ya darling!!

It would be good to see all the boys come back next year and have another season for The Bird.

One word boys....MOB!!!!

3RD GRADE CAPTAINS REPORT

Looking back on the 2009-10 season, it was one of the most enjoyable seasons I've had in a while. We had a great bunch of guys making up the team with the right blend of youth and experience. Unfortunately, we rarely got our preferred XI all together at the same time which made team continuity a bit difficult. Nevertheless, we played some good cricket throughout the year, hung on for some tight wins, and maintained our position in the top four for most of the season. After round 14 we finished in 3rd place and having just convincingly defeated 2nd placed Glenbrook Blaxland, we entered the semi final match quietly confident of a win. However, we saved our worst performance of the season for that match and despite a brave fightback on day two, the weather ultimately ended our chances of progressing to the grand final. I hope we can keep this side together in 2010-11 because I know we have the side capable of winning a premiership for the club.

Chris Longhurst – Had one of his best seasons in recent times. Relieved of the burden of captaincy, Chris was given a job to do this year opening the batting and did a fine job scoring 258 runs including two half centuries. Chris hates talking himself up....but does it anyway! Hawaii tourist on the end of season trip where he continued his fine form. One of his hobbies is annoying captains with requests to bowl.

Ange Barbaro – The Donald Trump of the team – seems to buy a new business or boat every other week. Probably would like to forget his season with the bat but was successful in winning one major award for the club ☺ The Shield of Shame will sit nicely in one of Ange's many offices. Ange also took two wickets against the eventual 3rd Grade Premiers which is nothing short of a miracle!!!

Sam Barbaro – Still one of the finest wicket-keepers in the club although he does advise that wearing his stylish sunglasses has had an adverse effect on his recent 'keeping efforts. Lack of practice led to Sam not converting a few starts with the bat but still has a lot of cricket left in him. Gave excellent support and advice as usual which was greatly appreciated by his captain.

Andrew Luzzi – Started the season particularly well with 4/42 in the first game. Took another 9 wickets in the season to offer great variety to our attack. Was probably underutilised with the bat but showed what he is capable of by top scoring in the first innings of the semi final. A fine Hawaii trip followed where he was the leading wicket-taker on tour. A great team man, Lou is always positive and upbeat. Which leads us on to.....

Greg Bottrill – Life member, world traveller, two-bounce bowler – there is nothing Greg can't accomplish on the field. Scoring runs did elude him for most of the season though unless he was playing up in 1st Grade where he doubled his 3rd grade batting average. Saved his best batting for the Hawaii tour where he was not dismissed in 2 innings while scoring 74 runs. A good bloke to have in the team.....for picking on!

Luke Fitzpatrick – Went from strength to strength after his Kleenex sponsorship was signed. Luke really improved as a bowler and led our attack well in the second half of the season. Took 15 wickets @ 16 and has a big future in the game. Showed ability as a lower order batsman too and we all look forward to Luke playing a full season of cricket in 2010-11.

John Lennon – Frank Serpico lookalike, hates facial hair and loves shaving. Performed outstandingly during MoVember. John is still one of the best bowlers going around. His ability to move the ball is unsurpassed at this level. Unfortunately a back injury limited his appearances to 8 matches but he still took 20 wickets at an average of 13 in 2nd and 3rd Grade matches and won us two games with his accurate at-the-death bowling. With the bat, a 23 not out against St Clair United rescued us from a dangerous position in a match we went on to win.

Ryan Thomas – With his Rugby League refereeing commitments, Ryan also only played 8 matches this season which was a real shame as when he is switched on and in rhythm he can destroy batting line ups, as he showed in the semi-final taking 4/26 off 10 overs. Take away 8 no balls and 3 wides from that analysis and it looks even better. Limited opportunities with the bat, but Thommo can be relied upon for lower order runs when needed.

Brendan Ryder – A new player to the side this year after coming up from juniors. Injuries put paid to half of his season but when fit, Brendan showed capability with both bat and ball. Needs to curb his aggression and learn a bit of patience with the bat and he will improve out of sight. Gained popularity with his team mates late in the season for bringing his girlfriend to the games. Well done Brendan!!!

Adam O'Keeffe – Another new recruit from the lower grades at Cranebrook and another Rugby League referee. Adam started the season as "Thommo's mate" but quickly showed his ability with bat and ball. Top scoring with 36 in our round 4 match against eventual Premiers, Glenmore Park, Adam showed he has what it takes to succeed at this level. Unfortunately realised that slamming your hand in a truck door leads to missing 6 rounds of cricket. We all hope to see Adam back again next season.

Jon Philliponi – Was called into our side when injuries and unavailability's saw us need to draw on the 4th Grade side. I would have loved to have kept Jon in the side for the full season and I believe he will develop into a really good cricketer in the seasons ahead. Has a good technique with the bat, can bowl useful spin and is a fine wicket-keeper. Runs as fast as any 12 year old in the district. Unfortunately Jon is 17!!!

Jim Micsko – Returned to captaincy duties this year and enjoyed his best season since joining the club six seasons ago. Scored 258 runs and took 24 wickets in 3rd Grade and thoroughly enjoyed playing with a great group of guys. Hit on the helmet twice, proved that moving down the grades was a great idea. Also enjoyed success in Hawaii scoring 67 runs without being dismissed and taking a few wickets. Will be back again next year hunting for a premiership!

Thanks also to Anthony Tonks, Peter Gibson, Cameron Dantier, Jef Miles and Chris Tonks who filled in for us on a number of occasions. Anthony was actually our 4th highest run scorer despite only playing 4 matches. A big thanks to our super-sub Jake Couchman, from the under 14's who filled in for us in the field on those 40 degree days which was much appreciated by the finer athletes in our team. Jake also debuted in seniors scoring 3 runs and dropping a few swear words that Bottrill would have been proud of!

It would be remiss of me not to mention the fabulous support of our families. Our wives, girlfriends, partners all sacrifice a lot so we can play this great game. Being a relatively new father of two toddlers, I can appreciate what our better halves do while we're away, often up to eight hours, on any given Saturday or Sunday. I would personally like to thank my wife and all the wives, girlfriends etc on behalf of my team mates.

See you all next season.

Jim Micsko
Captain 3rd Grade 09/10

4TH GRADE CAPTAINS REPORT

Well what can I say? My 2nd season as a part of "The Bird" and it was a case of so close yet so far. 4th Grade this year missed out on making the finals by a solitary point and it was a case of the man upstairs was definitely not on our side, but as Ned Kelly said "Such is Life" and we will be back in the 2010/2011 season ready to fire.

The year for 4ths was very successful and the overall make up of the team was outstanding with a few old "very rugged" looking heads with a mix of excitable juniors that are coming through the club.

Once again, it was a case of finding the right mix as 4ths had the unenviable position of having 11 bowling all-rounders, a good position to be in as long as you aren't captain trying to decide who to bowl. During the year it was a case of the opening bowler's, spearheaded by Nathan Sebbens, toiling away and in most games getting the team into a strong position to get into the opposition batting orders. During the season a number of bowlers took the new pill from the other end with David Withers, John Ryan, Josh Perry and Pat Cromie constantly battling through the year. These players stood firm and with Nathan using his consistent line and length, it allowed the other players mentioned above to let fly with the youthful speed and no holds barred attitude at the opposite end. It is important to note that after the first couple of games the young opening bowlers came to the fore when Daniel Ross pulled out for the remainder of the season due to injury which was a real shame as Daniel was extremely reliable and somewhat miserly in giving away runs with the new pill.

The end of season saw a race to be the overall leading wicket taker and bowling average leader with Michael Bowden and myself battling it out right through until the end of the season with Michael ending up with 18 wickets @ 13.61 and myself ending up with 20 wickets @ 11.65. Michael was a great find this season and with his left arm spin he could be considered very unlucky to have not taken a lot more wickets, as he constantly created chances.

Our batsmen improved out of sight this year and this was shown towards the end of the season when a batting order had been established and each player knew their role. Starting out the first couple of games batting a little down the order, Nathan Christensen become the regular opening batsman and as the youngest player in the team, showed maturity well beyond his age and left opposition teams scratching their heads as to how someone can always look so strong in keeping the opposition bowlers at bay. Jef Miles become opener at the other end early in the season and enjoyed some success with the bat which saw him score 43 in an excellent innings. Jon Philliponi another player just out of Juniors took on the crucial role of batting number 3 whilst also being the teams regular wicket-keeper. Jon on a couple of occasions won the game for us with his tenacious batting which culminated in a 43 not out effort in the final game which allowed us to defeat Glenmore Park and stop them from winning the minor premiership. John Ryan become the regular number 4 early in the season after starting out opening. For the past 18 months it has been a case of so close for John and this season John was the leading run scorer. The highlight of the season for John was a magnificent 63 vs Consumers including one of the biggest 6's that I have ever seen. David Withers was the true all-rounder of the team in all senses of the word with his aggressive batting style seeing some success including a top score of 35. He also showed the team that working on line and length. whilst maintaining pure speed. always keeps opposition teams on the hop.

In my time with the team it is probably fair to say that the middle order is where we lost a lot of our games, with efforts like losing 5 for 1. This was not the case this season with a solid effort from all in the middle order. Special mention needs to go to Nathan Sebbens who was the rock in the middle and came home only 2 runs behind John Ryan in the overall runs scored for the season. This is an excellent effort when you look at the bowling workload that Nathan carried through the year. Mark Stafford, another bowling all-rounder, had an excellent year, achieving his highest ever score in seniors cricket with a crushing 61. Mark will be the first to admit, though, that it was either rocks or diamonds with the bat but this is what we love about the man known as "The Staf". Mark also achieved a 5 wicket haul with the ball during the season and took wickets regularly with his short-long-short run up bowling style. Jon Ferguson and Stu Ericson formed the remainder of our middle order this year and what can I say? Most of the club know these two boys and, put it this way, I have no wish to come back in my next life as a cricket ball with the way these two hit the ball. Fergo was always on the front foot and regularly got 10-20 valuable runs in what was like 5 minutes, and Stu was consistent throughout the year contributing greatly with the bat seeing him have an average of 18 with the bat.

Well, I think that about wraps up the season for 4ths. Whilst disappointed in missing the finals, our performance has made me think twice about retiring, and with some persuasion from the boys I will be back with the team to try and take that next step in season 2010/11.

Special mention needs to be made of Ryan Thomas, who played 1 game for 4ths this year and in doing so took a double hat-trick in what was the best spell of swing bowling I have ever witnessed at park level. Also special thanks to those players who helped out 4ths when short during the year and always played in the spirit of the game - Peter Gibson, Jake Denoord, Chris Longhurst, Andrew Luzzi, Josh Wood, Trent Jones, Robert Carter, Adam O'Keefe, and Greg Bottrill.

Thanks for a great season everyone and see you soon.

7TH GRADE CAPTAINS REPORT

Well, this is it, my last ever captain's report. In 7th grade this year we used 32 players, which made it very hard to achieve any continuity in the side, although we did have 9 players that played more than 9 games for the year.

Our first game didn't get off to the start I expected. I was on my way to the centre at 5/65 facing a hat trick. I said to myself just have a look at a few first. Well there it was, wide of off stump, my eyes lit up, there's 4 written all over it. And hit it I did, with the finest edge ever. After their hat trick we ended up all out for 117. OK first game of the year, let's see how they go. How does 0/278 sound? I thought to myself I should have retired last year.

Anyway, 5 games into the season and we are 1win 4 losses, but I am starting to see friendships evolving amongst the players and a team taking shape. The tide starts to turn in Round 6 with a WIN, followed by R7 WIN, R8 WIN, and R9 WIN. At the Christmas break we were 5 wins, 4 losses and things are looking up.

Too much Christmas cheer and losses in rounds 10 and 11 and a washout in round 12, saw our chances slipping away again. We needed to win our last 2 games to maybe make the semi-finals. Rain washed out every game except the one between us and Glenbrook Blaxland. We were equal 6th on the ladder, both needing to win, so we made the call, lets play. Batting first at 6/26 I thought maybe this wasn't such a good idea. .But thanks to Bill Watson 17, Tim Byrne 16, and Brock Alewood 7, we were able to scatch out a 75, which wasn't bad considering the highest scoring shot was a 2 (that's how wet it was, don't tell the council we played). Glenbrook Blaxland went into bat and were coasting along at 4/52, then 5/61. Looking around I saw 10 guys who believed they could win this. This is what I was waiting for all year. OK, lets go. Glenbrook Blaxland collapsed to 6/68, 7/69, 8/69, 9/70. On came Matt Reberger, fresh from taking 2 catches, to take the last wicket and win the unwinable.

These are the times that keep bringing you back to this great game. These guys had just been part of something special which I hope they will never forget. Rd 14, must win and we did again. So we were off to the semi-final.

Making the semi-final was probably the most we could have hoped for but now we're there, let's win it. We played Henry Lawson, a good all round side that we had not been close to beating all year. But the old saying is that semis are a different game, or that's what I kept telling my blokes. Let's bat all day, 85 overs, we do that, we win. We batted for 56 overs, which was only the second time all year that we had batted past 50 overs. All out 111, was this going to be enough? They were 4/50 and I didn't think so, but as I looked around there they were - those same faces that only 2 weeks ago pulled off a miracle. No egos, just EMUS, they think they can do it again. With an inspirational spell of bowling by Brock Alewood (3/14 off 7) we got the minor premiers out for 97.

We went back into bat, the heavens opened and we won. Onto the GRAND FINAL.

We lost this game convincingly and I just don't want to talk about it. Thanks Martin for your speech before we took the field, inspirational? Didn't work!

Thanks Andy and Risty for all your help in the finals and throughout the year, it was much appreciated by all.

I would like to thank all the boys that I played with this year. In my 30 odd years of playing the greatest game of all this would be the most memorable and fulfilling year ever, surpassing all of my premierships of years gone by. I feel I won my final by having the privilege to captain this team and to play cricket with my son is an honour that I will cherish for the rest of my life. And to my wife Deb, thank you for your support throughout my time playing, coaching and as Treasurer.

8TH GRADE CAPTAINS REPORT

This year in 8th grade we finished in 6th spot. It was a challenging year but also an enjoyable one with all players making improvements throughout the season. At the beginning of the year we were joined by new players to the club and also new players to cricket, playing for the first time.

We started the year well with a win in round two with Trevor Raymond top scoring with 66. We then continued our form with a win in round 3 with Matt Pemberton getting 55 and Andrew Kennedy taking 7 for 29. We then lost 4 in a row while we struggled for players and relied on the help of the guys from the under 16's. We hit back with a win in round 8 with Matthew Kobryn hitting 60, Shaun Wood 50 and Andrew Kennedy taking another five-for - "Michelle", as he likes to call it.

We then only managed one more win in the season with a tough run home against some of the top teams but a lot of these were close matches.

Some other highlights of the year were:

- Frank Sidrak who played his first year of cricket for the season and was very sharp in the slips as well as managing to get 31 three times in a row.
- Andrew Kennedy taking 27 wickets for the season.
- Alan Tran playing his first year of cricket and taking his first ever wicket of the year in the final game.

I would also like to thank the guys from the team for a great year and also players from other seniors teams and from the under 16's for filling in for us.

I hope all the guys had an enjoyable year and come back next season.

UNDER 8 (NON COMPETITIVE) REPORT

Well, what a great first cricket season for both our team and myself and the start to many great cricket careers I'm sure.

At the start of the season half of the team couldn't even bowl with a straight arm, not to mention get the ball on the pitch. Most of the kids could barely walk with pads on not to mention run. By the end of the season all kids were able to bowl most balls in an over on the pitch, some with excellent technique, speed and accuracy. They were also able to connect with the ball when batting, some playing several shots with good technique. They all were able to field and wicket keep with good understanding of the game.

All kids were very enthusiastic and thoroughly enjoyed the season as did the parents, many of whom helped with coaching, scoring and supplying refreshments. The team got on well and bonded well as a team.

A special thanks to Rebecca Patterson – our team manager who did a fantastic job. I would like to thank you Liz for your great work and support throughout the season also.

I personally really enjoyed the season also. We had a great team and bunch of parents. The kids enthusiasm, enjoyment and development was very rewarding.

UNDER 9 GILLIES (NON COMPETITIVE) REPORT

Season 2009-10 proved to be another full of good fun, great sportsmanship and indeed a lot of improvement in all areas of our game. As a result, the season brought many "firsts" for these young guys who loved every minute of their time on the field. First boundaries, first catches, first run outs and even a first "on a hat trick" were many of our highlights.

As a team, we also hit our first century. On the hottest day of the summer we scored 108 off our 16 overs – needless to say a win was racked up that day!! In all, we won 9, lost 7 and had 2 washouts.

Thankfully the Coach's arms were a little more rested this season with our bowling more often on line which fortunately brought many more shouts of "HOWZAT" as the bails were rattled. With the bat, we found the boundary more regularly and a few times we even went over it! Our 10 run outs were very impressive as most were direct hits from the circle. In all we took 5 catches, with our own version of Gillie, "Galie" bagging a couple with the gloves.

A quick word on each of our boys:

Kai Brown	Big improver this year, his left armers bagged him 3 wickets and included him being on a hat trick! Only dismissed twice, he was a rock in defence.
Max Buckley	Big Max loves charging in and letting them rip knocking over a key wicket in one of our games. He swings hard with the bat, scoring 15 runs.
Luke Gale	Very Gillie like, left handed and loves the hook to score 66 runs and gloved 2 catches as well. Bowls left arm leggies which snared him 2 wickets.
Ryan Graham	Rhino comes off the long run and bowls at good pace, bagging 6 wickets. Drives elegantly scoring 28 runs, his rocket arm ran out 2 batsmen.
Alex Lamey	Another who showed improvement with bat and ball in hand, scoring runs and taking a wicket.
Oscar Mullins	Big improvements saw him only dismissed twice. He took 5 wickets and an awesome catch at mid off as well as running out 2 batsmen.
Ethan Parker	His leggies continue to confuse batsman, snaring him 8 wickets at an average just over 12. His paddle sweep scored him 66 runs.
Nicholas Payk	Another improver who hit the ball well on many occasions, scoring 19 runs and taking 3 wickets with his improved bowling direction.
Matthew Sullivan	Loved hitting them long and high to the tune of 138 runs with only 4 outs. Bowled well taking 7 wickets and ran out 4 victims with direct hits.

Finally, a big thank you to our Manager, Matt Graham for his work off the field padding up boys, answering the constant “where am I batting?”, sorting the drinks and shading us from the sun and belting rain!!! Also thank you to all the boy’s parents for your cheering, encouragement, scoring, training assistance and support to ensure the team always enjoyed their morning on the cricket field!!

UNDER 9 JOHNSON (NON COMPETITIVE) REPORT

In 2009/10 cricket season all players in the Under 9’s Johnson team were playing their first season of cricket. The development from the beginning to the end of the season from all the players has to be credited to their passion for the game of cricket. The team’s eagerness and willingness to always show up for training and games with smiles on their faces made it an easy and enjoyable job to coach this wonderful group of boys.

At this age the fine skills of cricket can be hard to learn, however throughout the season all players improved their bowling, batting and fielding. These improvements wouldn’t have happened without the help and assistance of the parents at training, the games and I’m sure in the backyard at home.

This season in my eyes, was a successful one. As individuals all players slowly and steadily improved, scoring more runs each game, bowling the ball more often on the pitch and some wonderful catching. As a team we won a few and lost a few games. However in either winning or losing, no matter how close the score was, all the boys always came off the field smiling, happy and counting down the days till the next game. This is a credit to the boys for having a sense of fair play, which not all kids have at this age.

In an under 9’s competition, it’s not always about winning, but about creating a supportive environment where the kids can have a good time whilst learning new skills and making new friends. I’d like to thank the parents again for all their support in creating a pleasant team environment, where all kids were praised for there achievements no matter how small, made some new friends and learnt some new skills.

Finally, I would like again thank the boys and the families of the Under 9’s Johnson cricket team, and wish them luck with their future cricketing endeavors. Hopefully they have many more years of happy cricketing memories ahead

UNDER 9 PONTING (NON COMPETITIVE) REPORT

The Under 9 Ponting’s for 2010 was a team with a good mix of youth and experience, with five boys returning for the second year and four boys playing for the first time. Although our win loss ratio was not as positive as we would have liked, I did see all player improve and this improvement saw us end the season with an exciting tied match against Springwood.

The first player that deserves special mention is Justin McColl. Justin’s second year within EPCC has been very successful, topping both the batting and bowling averages. Justin is an accumulator of runs with the ability to accelerate his scoring as his innings progresses. The removal of 4 over limits for batsmen next year will see Justin come into his own.

Nathan Roots’ first year playing cricket was a success and saw him deservedly winning one of the U9 Ponting’s coaches awards. Nathan not only contributed with the bat and ball, but also has the longest and most accurate throwing arm of any player within the U9 competition.

Jeremy Fowler is an aggressive left handed batsmen. On his day is the sweetest hooker and puller of a cricket ball of any batsman I saw bat within the under 9 competition. Like this year, next year we will be working on his ability to hit the ball on both sides of the wicket. Once he masters this he will be a run machine for EPCC.

Harrison Field is a steady batsman, who batted 11 times this summer without losing his wicket. A keen wicket keeper and on his day the fastest bowler within the team. When Harrison improves his consistency he will be an asset to any bowling attack.

Zac Reardon is one of those fortunate young sportsmen with the ability to excel in more than one sport. Having been selected for Nepean Representative Soccer, Zac was not available to play with the Ponting’s as often as we would have liked. When he was available he contributed well with both bat and ball. When he was not available he was missed.

Kalen Homfray is a consistent contributor with bat and ball. His enthusiastic encouragement and support for his team mates were appreciated by all. His enthusiasm and positive contribution show he has the potential to be a future team captain.

Owen Legder's first year playing cricket saw him greatly improve his bowling technique and score his first run. He was committed to the team and pushed himself to be involved.

Jack Cronwell will always remember his first year as a cricketer. He scored his first run and participated in a magnificent 28 run partnership which helped the Ponting's to one of our few victories.

Kye Owens' first year playing cricket is something he should be proud of. He listened to everything he was taught and I could see him trying to implement the skills within the game. By using these skills he scored his first runs and took his first wicket. Kye was also a much deserved winner of a coaches award.

The season of 2009-10 was a good building block for the U9 Ponting's. The boys began to show support and encouragement towards each other and a real team spirit was beginning to take shape. These are a bunch of young men their parents can be proud of. I enjoyed coaching them and I look forward, if required, to coaching again next year.

UNDER 10 REPORT

We had a successful season finishing 5th on the ladder and winning 6 games.

There were several highlights during the season with 2 boys scoring above 25; Bailey McNalty (25 not out) and Lachlan Charlton (25 not out, and 28 not out).

We also achieved some good results with the ball; Bailey McNalty 2-8 and 2-7 off 4 over's, Ethan Clout 2-3 off 3 over's, Tom Charlton 2 -12 off 4 overs, Jack Thompson 2-6 off 3 overs and Lachlan Charlton 2-2 off 3 overs.

Lachlan Charlton	A very talented player who had another great season with bat and ball scoring 137 runs and taking 7 wickets. Lachlan also made the division 1 rep side. A great competitor with enormous potential.
Sam McIntosh	A solid top order batsmen who will make a great opener in years to come always gives his best. Sam scored 37 runs for the season
Thomas Charlton	Always tries his best and has improved immensely this season. Loves hitting the ball hard and taking wickets. Thomas scored 49 runs and took 4 wickets
Dean Welsh	A good left arm bowler playing up an age group. Dean always troubled the batsmen and was hard to score runs off. Dean scored 15 runs and took 3 wickets
Tom Wallace	A fantastic wicket keeper who took some great catches this year. Tom's enthusiasm behind the stumps was a highlight and often inspired his team mates. Tom scored 27 runs, took 2 wickets and 6 catches.
Ethan Clout	Ethan is an allrounder who improves every season. His bowling often keeps us in games as he is very economical. Ethan is also a good fieldsman who often throws down the stumps. Ethan scored 43 runs and took 7 wickets.
Bailey McNalty	This was Baileys first season with us a what a great year it was. Bailey is very talented with bat and ball. I have no doubt he will play rep cricket in years to come and will be one of the top players going round. Bailey scored 65 runs and took 9 wickets
Sean Theobald	Another first season player who showed great enthusiasm and was always up for a challenge with bat or ball. Sean scored 14 runs and took 2 wickets
Jack Thompson	This was also Jack's first year. Jacks bowling improved every game. Jack at first struggled to get the ball on the wicket but by the season end he was one of our strike bowlers. Jack scored 2 runs and took 4 wickets
Sean O'Neill	Another first season player who tried his best every game. Sean's bowling was often unrewarded with wickets but kept us alive in many games. Sean scored 5 runs and took 1 wicket .

Shamous Mcdonagh	Shamous showed in first season what potential he has as a future opening fast bowler. Bowled really well throughout the season often without luck. Will only get better in future seasons. Shamous scored 9 runs this season.
Dylan Andrews	A very talented cricketer who is also playing above his age. A gifted all-rounder who is very reliable with bat and ball. Dylan scored 18 runs and took 4 wickets.
Ben Romer	Ben had a late start to the year due to a broken arm but showed his talent with the bat as soon as he got back. Scores his runs quickly and can turn games around at the same time. Ben scored 49 runs and took 2 wickets

Thank you to Gerard McIntosh for scoring throughout the season and the other parents for your help in making my job easy. Most of all thank you boys it was a pleasure to be involved with you guys and I hope to see you all back next year.

Go The Emu's.

Marty Romer, Coach

UNDER 11 REPORT

There were 13 young cricketers in our team this season, and it has been with much pride and a whole lot of fun that we have watched them continue to develop, not only their cricket skills, but their sense of fair play, team spirit and sportsmanship.

Samantha Arnold: Sam high scored at 50 n/o, took 6 catches, 3 as wicket keeper and collected 10 wickets, as well as proving herself as a very capable captain. Sam is a first-rate asset to our team. It can't go without mention that Sam represented the NSW U/13s squad, and won the National Championship!

Joel Grey: Joel was a new comer to cricket this season and gave 110% in everything he did. Collecting 3 wickets, 7 catches and a run out and top scoring with a well deserved 19, it's great to see his talent unfold.

Hugh Kermond: Hugh bowled superbly all season, taking 8 wickets. He also fielded 2 runouts, 3 catches, and 1 catch as keeper. Top scoring with 50 n/o, Hugh was our highest run scorer for the season with 186 runs. Hugh's support and encouragement of every member of the team is as outstanding as his cricket abilities.

Jy Clapham: Jy came to our team as a wicket-keeper, took 4 catches behind the wickets, and 3 in the field. But Jy isn't just a keeper, taking 8 wickets as a bowler, and his highest score was 50 n/o. Jy proved himself a very capable opening batsman in the final series.

Max Turner: After being unwell at the start of the season, Max got his game back on track and helped himself to 4 catches, and 3 run outs. He is developing into a tidy off-spin bowler which earned him 4 wickets, all coming late in the season. Max's high score with the bat was 28 not out.

Brendon Speechley: Brendon took a sensational 13 wickets, 7 catches and top score with 21 this season. His attitude towards the game is one in which he puts the team first and is something of which we are very proud. Brendon really lifted when the team needed a break through.

Oliver Masters: Ollie's continuing improvements in his cricket has been noticeable throughout the season. His bowling stats are increasingly tidy, and he took 6 wickets this season. Oliver's had great fun batting and in his last innings, added 4 (not out) to a strong partnership of 37 batting the entire innings to secure a good win.

Ethan Hennessy: Ethan's leg spin has become a lethal weapon; with 11 wickets this season, in many games he was simply too good for the batsman to put bat to ball. Ethan has batted solidly this season as well, his top score 50 not out, and secured the team's best batting average with 181. Ethan has taken a notable 9 catches.

Ben McCarthy: Ben wins the prize for dives taken on the field. Ben took an extraordinary 10 catches, and 2 run outs. He also stopped more potential boundaries in the last few games than we could count. Ben bowled well, taking 9 wickets and found form with the bat, high scoring on 43 not out.

Nick Arnold: Nick plays a modest and quiet game but achieves spectacular results. He was our highest wicket taker, combining accuracy in line and length with pace to take 13 wickets with an economy of 1.73. Nick bats powerfully, top scoring at 51 not out. He also took 3 catches and a run out this year.

Jarrold Morley: Jarrold's batting and bowling have really matured this season. Jarrold top scored at 23, and expanded from a strong defensive batsman to opening the face and tucking the ball away toward the boundary. Jarrold's consistent bowling gave him 9 wickets, and he took 2 catches and 1 runout.

Mitchell Waugh: Mitch's abilities develop with every match and every training session. He took 6 wickets and landed 3 catches safely in his hands. Mitch's high score for the season was 4, and he remains a fine example of sportsmanship and team spirit.

Jeremy Baranowski-Grey: Jez has endless enthusiasm on the field. He took 2 catches and made 2 runouts, and can return a ball from the outfield with precision. Jez took 4 wickets, top scored off the bat with 6 and thoroughly enjoyed his season.

We set 3 rules at the start of the competition which were to be the measure of a successful season for the team, win or lose. Our players had to: i) do their best every week; ii) have fun at training and the games; iii) improve as individuals and as a team. We achieved all this, and won the competition along the way. Congratulations to all our players for making 2009/10 a successful season, and also a note of congratulations to the 9 players that trialled for, and made, their respective DCA and IDCA representative teams.

We would also like to take this opportunity, to thank the parents for their contributions to everything throughout the season, bringing the kids to training and the games, helping out at training, scoring, umpiring, cheering and encouraging. Every one of you has contributed in no small way to our season of success.

Peter Kurmond, Coach

UNDER 13 DIVISION 1 REPORT

Season 2009/10 saw us finish in fifth position outside of semi final contention. Having finished last season as grand finalists in division 2, we were moved up to division 1. The move up certainly tested the team's strength and ability - competition was tough and wins were hard to come by. We were competitive however against some strong opposition. We won two games, drew one and lost another game by less than 3 runs. We lost three players from last year's team but gained four valuable new players in the off season: Sam Harris, Joshua Tempest, Bradley Reimer and Patrick Rose.

I was impressed by the team's honesty and integrity, their sportsmanship and the spirit in which they played the game throughout the season. They played together as a team - this was reflected by achieving five district partnership records for the 2nd, 5th, 8th, 9th & 10th wicket stands for the season- no mean feat for a new team playing up a division. Congratulations to Simon & Josh (2nd - 108 runs); Josh & Hayden (5th - 106 runs); Mikayla & Sam (8th - 27 runs); Andy & Brad (9th - 38 runs) and Josh & Brad (10th - 32 runs). Josh also won the district batting average award for season with an average of 60.71 runs (aggregate of 425 runs) - congratulations Josh!

Congratulations also to the seven players from the team that made the Penrith District representative sides this season: Mikayla Hinkley (U/12 Cawsey Shield); Patrick Rose (U/12 Presidents Cup); with Peter Hardy, John Klincke, Simon Masters (c), Bradley Reimer, Joshua Tempest all making the U13 IDCA team. Mikayla had a big year on the representative scene having also been selected for the Mollie Dive Shield (Penrith Girls Representative Team), the NSW Primary School Girls Cricket Team and also making the NSW Emerging Breakers Cricket Squad for 2009/10 and again in 2010/11. Congratulations Moo!

I would like to thank the assistance of the parents for bringing their children to training each week and for getting them to the games on time. Thanks to those who helped with the setting up and warming up of the team before play and also a big thanks to the scorers. Thanks to all for your help - it is very much appreciated.

Finally a big thank you to the team:

Hayden Hale – Haydoss – a team player. When opening with the bat, he got us off to flying starts smashing the opening bowlers everywhere. Would field in any position when asked and did a great job too!

Pete Hardy – Always steady with the bat – could be relied upon to 'stop the rot' when we were losing quick wickets. Peter has a great throwing arm – he could rip them in from the boundary in a single blow. Peter would always encourage our team when fielding with his various cricket calls!

Mitch Harkin – Best seam bowler of the team – could be relied upon to open the bowling with a new ball. Mitch always bowled a good line and length. His batting improved towards the end of the season.

Sam Harris – Had a year off and was welcomed back into the side. Improved immensely by seasons end. Sam showed plenty of determination and perseverance with his batting and bowling throughout the season. Would always listen to advice and take it on board – a real pleasure to coach.

Chris Hinkley – A leg spin bowler who continues to improve. Would open the batting when asked and was not afraid of wielding the willow and knocking up some quick runs by going over the top - no matter who he was facing.

Mikayla Hinkley – Girl power! Moo had a big cricket season with all her representative commitments. Always capable with the bat and ball. Had a good year against all the boys considering she was playing up a year. Plays the game well above her age group.

John Klincke – Our wicket keeper. Did a great job behind the stumps and could always be relied upon to open the batting without fear or hesitation. John is a solid opening batsman often getting us off to a good start. He is handy with the ball when given the opportunity. A good sportsman.

Simon Masters – Great fast bowler showing consistent line and length. Was the spearhead of our bowling attack before his season was cut short by injury. Could always be relied upon to open the batting and get us off to a solid start. A great leader in the field – always thinking cricket!

Andrew Norman – Stormin' Norman was back again this year – terrorising sides with his blistering pace attack taking 10 wickets for the season and wrapping up the bowling average and aggregate. He is handy with the bat and able to score runs quickly. Andy was always like a cat on a hot tin roof when backing up at the non strikers end – just itching to pinch those extra runs!

Bradley Reimer – 'Boof' as he was known to all - another newcomer to the side. Brad brought with him his height and strength in his bowling. Every time he walked to the crease to bat the opposition would head for the boundary markers! Brad was involved in five partnerships of 25 or more. Brad was also an excellent fielder – hardly ever a ball got past him as he put his body on the line diving for everything within reach. A very competent cricketer.

Patrick Rose – Mr Enthusiasm! Patrick was also new to the team he fitted in well and could always be relied upon to get the team going if things were quiet. A great fast bowler and very handy with the bat. A smart cricketer – knows his team – their strengths and weaknesses, works out the opposition batters quickly. I loved having a chat with Patrick at square leg!

Joshua Tempest – Another new comer and vey welcomed into the side. Josh is a very strong talented left handed batsman and a very good left handed bowler. Was our saviour in the batting stakes many a time. Scored most runs for the season (425) and never looked flustered out on the pitch. Can play the game – a great all rounder - has a strong future in the game.

Nick Tsitos – Equal most amount of catches for the season. Has a great throwing arm – returning balls with pace and accuracy. Handy bowler and very steady with the bat- batting and confidence improved immensely during the season. Would always listen to advice and take it on board. Great to coach.

Go the bird!

I would certainly describe this year as a learning experience for myself but one that I hope everyone involved with the team enjoyed as this was one of my key aims for the year. As a team and individually there were considerable improvements throughout the year and I think this was captured through our 2nd innings of the Semi-Final where we scored our highest total for the year of 134 with only 9 players, which was a great performance. Although looking at the scorebook we may not have won a game for the year the scoreboard doesn't and in this instance didn't reflect our performance for the year and we did gradually improve each week and it was a pleasure to coach the lads this year. Special thanks to all the parents who helped score, manage, coach/train and get the boys to the games each week, couldn't have done it without all your assistance. Below are all the members of the side and a profile of their year:

Grant Cooper – Grant took some fantastic catches and was a genuine all rounder within the side with his batting and bowling both being showcased throughout the season. Always happy to help out by offering advice to others in the side and will continue to develop next year.

Jake Couchman – As Jake grew in confidence game by game he started to perform consistently well each week with both bat and ball. Was tactically sound when captaining the side and has a good cricketing brain. With his work ethic will only continue to improve in all aspects of the game

Jayden De Vries – Jayden always put his best effort in and was content to open the batting when no-one else would take the role and did so quite successfully. Has sound natural ability with the bat and will continue to improve. Lightening fast and a good fielder who ensured there was never a dull moment in the field.

Reece Iaria – Reece has quite a bit of natural ability and will definitely make a good cricketer if he continues with the game. For his 1st year performed well with the bat, ball and was our main keeper for the year, a role which he performed with great skill. Has a good eye and ability to hit the ball hard who will only improve with more experience.

Tyler Nielsen – Opened the bowling and bowled well without luck all year. As he continues to become stronger will improve and turn into an excellent bowler. Also showed that he had a sound technique and ability with the bat and always put in 100% irrespective of what he was doing.

William Robertson – Consistently opened the batting each week and has a great ability to hit the ball. Broke his personal best score with the bat several times this year and showed his potential with bat and ball but and with more experience will continue to improve.

Tyran Schmidt – Batted well and with more confidence has some real ability. Took an amazing catch in the semi-final and his bowling consistently got wickets. A solid performer with both bat and ball and showed improvement throughout the year.

Daniel Shipton – Grew in confidence as the season progressed and really started to show excellent form just as the season was drawing to a close. Strong and powerful for his age and was one of the bigger hitters. Having said this has a solid technique and should develop into a formidable all-rounder as he gains more experience

Nathan Warburton – For his first year definitely showed a lot of natural ability with both bat and ball. Will become more powerful as he grows and will be a very capable batsman as he continues to gain a more experience. Always tried his hardest and showed great enthusiasm for the game, which was refreshing to see.

Andrew Wahlen – Was difficult to tell the twins apart and I apologise for this Andrew and Michael. Andrew showed towards the end of the season his great ability with the bat and was always fairly consistent with his off-spin bowling. Took one of the better catches I've seen at first slip and definitely will improve the more he plays

Michael Wahlen – The other half of the terrific twins which made the season interesting to tell who was who. Michael bowled well all year and received rewards in the semi for consistently bowling well all year with a 4 wicket haul. Always showed passion for the game and also very dependable batsmen capable of composing a solid innings.

Well it's been an absolute pleasure once again to be involved with this team of fine young men; in the way they displayed outstanding sportsmanship and the way they all went about playing the game of cricket on and off the field. They are a credit to both the club and their families.

I would like to congratulate all the young fellows that have reached their 100 games and 8 years service for club; Josh Dowd, James Devlin, Jake Robson and Joe Masters. Well done on such a great achievement.

I would like the chance to thank all the lads from 16/Div2 for helping out when we were short players and congratulate them for such a great effort.

I would like to give a special thank you to the team behind the team. All the mums, dads and grandparents, I thank you for the support that was given to the boys, as well as to Liz and me throughout the season, and throughout my time as coach. I especially would like to mention:

Paul Devlin, Steve Masters and Greg Finemore for all the hard work with the scoring, umpiring and helping out with the coaching the boys,

Louise Arnold for organising the drinks every week

Liz Devlin for great scoring.

To the BBQ Kings, Ken Harris and Tom Kelly for cooking and to everyone for supplying of the bacon and eggs every weekend.

Finally, a huge thank you to Liz Dowd, for all the hard work that she has put in over this season and over so many years, for our team and the club. I'm going to miss our Friday evening text; To all lovers of cricket and all parents of cricket lovers....

The Team

Hugh Arnold - I really appreciated Hugh's willingness to do whatever was asked of him. Hugh would never question a decision and would willingly bat or bowl in any order without fuss. Hugh has developed into very good fielder and has developed into a very good bowler. His best figures being of 2 for 15 and he has backed that up with the bat, well done Hugh.

Jarrold Bartley has wowed us all once more with his fielding skills. He displays a skill level well beyond his years. He stood out in the field every game. Jarrod has again taken some impressive catches; he also chipped in with the bowling and batting.

Matthew Branch has backed up last year's efforts with another great season with the ball. His best figures being 2 for 6. Matthew is also an outstanding fieldsman. He plays with passion and is set for an even brighter future. Well done Matt!

James Devlin (Team Captain) has again risen to the occasion. He captained the side with amazing skill. He has led by example. He accumulated an impressive 348 runs for the season, with an average of 31.6 James has taken 15 wickets, his best figures were 3 for 30. His fielding ability is just outstanding and inspirational to all the other team members. James has a great cricketing career in front of him. Thank-you James for leading our team so well, not just by your skills, but by your great sportsmanship as well.

Joshua Dowd's skills continue to improve and his opponents fear him with good reason. He has posted 311 runs for the season. Josh has the ability to both chase runs and to put his head down and score cautiously. Josh is a reliable leg spin bowler. He attained 7 wickets. His best bowling figures were 4 for 6. Josh also took some amazing catches. An awesome cricketer.

Connor Finemore came back this season on a mission. He took an awesome 13 wickets (the 2nd highest) for the very short time he was able to play this season. His best being 3 wickets for 15 runs. Connor also put in a huge effort with the bat, his highest score was 62. He shone everywhere, in his fielding as well as on the pitch. Well done Connor on what you achieved, we look forward to seeing you back in the whites soon.

Lachlan Harris - This guy is the Duracell Bunny, he will always give you 200 % every time and he will never stop. Lachlan has had a fine year with the Bat with 202 runs to his name and has taken 10 wickets with his best of 2 for 9. Lachlan took 4 amazing catches and set the fielding standard for the rest of the team. Well done MATE.

Daniel Kelly featured in some very good batting right throughout the season. He bowled strongly. He took some great wickets, his best being 2 wickets for 12 runs. Daniel also produced some of the best fielding, taking 5 of the best catches for the year, he is developing into a fine all round cricket player.

Joe Masters once again made every batsman that faced him feel uncomfortable and that included all of our team at training. Joe demonstrated excellent batting skills as well, gaining 132 runs for the season. He took 11 wickets and some the best fielding you would like to see. Joe is a great asset to the team.

Daniel Pallet played a significant role in this season with our team. His dominating batting displays were backed up with great wicket keeping and a strong bowling performance. Daniel follows every instruction to the letter. He achieved 192 runs for the year with a high score of 49 runs. Daniel also took 9 catches along with 3 wickets for the season.

Jake Robson throughout this season displayed a fine ability to bat himself in and play the important anchor role in many of the partnerships that were needed. Jake posted 119 runs for the year and gained 5 wickets. He put in a fantastic effort in the field.

Todd Waugh made an impressive 163 runs, his high score was 45. Todd's best bowling statistics were 3 for 19. He provided some great wicket-keeping and some outstanding fielding, taking 3 nice catches. Todd certainly established himself as an integral part of this team.

This season was my first season of coaching cricket at Emu Plains Cricket Club after 17 years of playing and what a great introduction it was to be. These boys were great ambassadors for why you would want to put your hand up for coaching. They gave nothing but respect and a great attitude, right throughout the season.

The season had a bit of everything. It was tough for this team at times when we were players short. For example, the boys played a game of 20/20 with only 8 players but we went on to win the match, batting the 20 overs out scoring 3/94 and rolling St Clair for 79, a truly great effort.

Another match that stood out was against St Clair. The boys were all out for 57 - not looking good. They then came back out with some great self belief rolling St Clair for 56. Unbelievable!

The boys had great character out on the field. They were all game breakers and showed some great individual brilliance when it was needed to get us over the line. They had a couple of teams who seemed to have the edge on them throughout the season but the difference between us and them was that we got better and improved on our performances.

A great example of this was Springwood, the Minor Premiers, a real force in the comp.

Game 1 vs Springwood - they got 188 and we were all out for 15. Yikes! A pretty disappointing result for the team.

Game 2 vs Springwood - they got 8/224, we were all out for 116 after 29 overs. Getting better!

Game 3 vs Springwood - they were bowled out for 93 and we were bowled out for 78.

Game 4 vs Springwood - Semi Final 4th vs 1st. We got 145 and rolled them for 83! Well Done Boys! Grand Final Time!

Unfortunately getting to the Grand Final was where we finished our great run of success. Jjust to get there was a massive effort.

For these boys to have had the success they did, just would not have happened without the support and guidance of their parents and families. Thank you!

Margot Drake, our Manager, did a terrific job keeping great harmony within the team, sending out many text messages and emails of important info to the team and also did a great job scoring. Margot's efforts this season have been a great asset to not only the team but also to the club. Thank you Margot.

To Greg Perkins, Bruce Tempest, Peter Hughes and Miles Anderson a special mention goes out for all your hard work in helping the team with not only scoring, but also keeping the boys focused and keen to play the game, I am really grateful for that. Thanks guys!

Thanks also goes out to the young Emu Juniors who filled in on numerous occasions and did so with great energy and passion. Great work boys. You did your club and the 16/2's proud!

A big thanks also goes out to Liz Dowd, our club's great Junior Secretary. Liz does endless work for this club and without her I would have been lost. Cheers Liz!

I'd just like to finish up saying, I hope these boys have learned a lot about the game and have had a great deal of fun. Moving on from here is a big step for some, because some of you will be able to play seniors next season, and the others who are young enough can continue playing juniors.

I'd like to say that hopefully all of you boys will be back playing cricket for Emu next season.

Well done boys. All the best and 'Go the Bird'!
