COMMITTEE REPORTS

PRESIDENT'S REPORT

In what was another good year for the club, we fielded several teams across Junior and Senior competitions, with a great deal of success for the club. We won the NDCA club championship. This is a great effort as it shows our competitive performance across all grades.

Congratulations to all of the senior teams that made the finals, and a special congratulations to Alex Mullen and the 2nd grade team in winning their second premiership in a row. Also congratulations to Michael Lambert and the 4th grade team for winning their competition. Unfortunately Marty Romer and the 1st grade team were not able to bring home the first grade trophy, going down to Glenmore Park in the final. To Josh Lawson and the 9th grade side who sadly lost their grand final after winning the first innings, I'm sure the team can go one better next season.

Also a hearty congratulations to all of the junior players and teams, with six out of eight teams making the finals, and four winning their competitions. I would like to thank all of the players, coaches, mums and dads of all the teams that help make the Emu Plains Cricket Club the best in the district.

Unfortunately we were not able to get together to celebrate the clubs success due to Coronavirus restrictions. Trophies and awards have been ordered and we all look forward to getting together to celebrate a successful season when circumstances allow.

To our valued sponsors, One Agency Reeves Properties, Metwest Engineering and Soul Origin I thank you again for your ongoing support. Without this support, programs such as the coaching from the Penrith grade players, the cricket net upgrades at Leonay and the junior players of the round would not be possible.

A very special thanks to the hard working committee, without who we would not have a successful club. I would also like to thank Pat Anderson for running the junior blaster program with his helpers Andrew Bugg, Chris Hinkley and Alex Mullen.

With the Fires, Floods and a Pandemic, the challenges of early 2020 is something we will not forget. I look forward to spending time with as many players, coaches, helpers and others as we move into the new season and the new normal.

Go the bird.

Sam Barbaro, President

Defaulters are still owing \$1,500 in senior registration payments. I will be recommending mandatory online payments for all players prior to the season commencing. We cannot continue this trend year-on-year. As of 14 June, the Club's bank account balance is around \$3,500 and things will be a bit tight unless some of that defaulter money comes in. We still need to pay the remaining 50% balance on premiership shirts (approx. \$1,500) plus senior trophies (approx. \$500).

We are very grateful for the continuing support of our Major Sponsor, One Agency Reeves Properties and additional sponsors Metwest Engineering and Soul Origin. These local companies have very generously contributed to the success of the Club both on and off the field this season. We thank these organisations and look forward to continuing our partnership in the years ahead.

Please note that the above figures have not been audited. As always, a full list of accounts is available for viewing at every general club meeting.

SENIOR REPORT

The club and everyone seemed to enjoy another successful season, taking out the club championship, winning premierships and finishing just in time for us to all stay home to avoid Covid-19.

The current isolation and health rules make us especially look forward to taking the field again. Due to the Covid-19 health restrictions, the club has been unable to run our season presentations. At this stage, it looks like the presentations will be held between August and September, depending on the advice from NSW Health.

The AGM will be held on the 17th of June, somewhat later than normal, and will need to be run under the health restrictions in force on that date.

All this aside, the club has again showed the way in the district by taking out the NDCA Club Championship (the Ray Jordan Shield), the 2nd and 4th grade senior premierships, along with the junior under 10's, Under 11's, Under 12's and Under 13's. A great result.

Congratulations to second grade for the outstanding achievement of winning the comp 2 years in a row. It is also notable that every Emu Plains senior side made the final series, and during the middle stages of the season, all top 5 grades were leading the minor premiership race.

It is a good time to be playing for Emu Plains.

On the field

We kicked off in September with the popular 7 a side gala day held at Dukes Oval, and depending on the health advice received, plan to have this day again. Thanks again to all the volunteers and the committee members who make this a great day for all. Our thanks also go to David Betts for preparing this pitch for us.

Marty Romer in first grade had another successful year, again reaching the grand final, only to go down to Glenmore Park, who celebrated their first premiership in the top grade. Congratulations again Marty for leading this team toward many finals series, and to Glenmore Park for their first win.

Alex Mullen's team having won the year before, proved it was no fluke by winning the comp again in a dominating, season-long table-leading display. 2nd grade took on Glenmore Park in the final and won with only 3 wickets down and overs to spare.

3rd grade performed well and was competitive throughout the season, finishing second but then losing to the third placed St Marys in the semi-final. The comp was won by Glenbrook Blaxland who were the best team in third grade all season and were deserved winners.

Mick Lambert and his vocal 4th Grade side took it all the way, winning the Trevor Wholohan trophy for only the second time in the club's long history. Well done to Mick and his entire squad.

Andrew Luzzi's 5th Grade boys also had a successful season finishing in 4th place. The boys took a strong position on the first day of the semi-final but were unable to overcome some good bowling by Cranebrook, who went on to win the competition. Congratulations to Cranebrook for their win.

In 9th grade, Josh Lawson's team made the finals for the first time, ensuring Emu Plains was represented in the finals for every grade that we competed in. In a tough lesson for Josh and his team, they learnt that finals can be lost on the second day and after winning the first innings, they lost outright. It will be something that will be remembered and will make the squad stronger.

Off the field

Our shirt and sleeve sponsors One Agency Reeves Properties, Metwest Engineering and Soul Origin provided grateful funding that enabled us to run our popular junior programs, update our equipment and improve community training facilities. We strongly encourage all playing and non-playing members to support our sponsors at every opportunity.

The club contributed \$10,000 this year to the Leonay nets project providing first class training facilities for all our juniors, and the whole Leonay community. Thanks also goes to Jim Micsko for organising the \$20,000 community sports funding for this project and to Metwest for providing the project management, construction and financial supplement to complete the project.

Facebook activity was buoyant again this year, and our thanks goes to Luke Downie for continuing to provide us regular updates. Our page is one of the better community cricket pages and we all look forward to the weekly player of the round announcements.

This was the first year back playing a combined one and two day format which was enjoyed by most. There will be another proposal made in this off season to include some T20 matches throughout the season, which may address some of the difficulties in fielding teams around Christmas time, and during the heat spells in January. This will be heard by the NDCA in due course with the outcome known by the start of next season.

We will continue our commitment to juniors with free registrations into the senior competitions and provide opportunities for juniors to play in the senior teams as their experience and abilities allow. We will also continue our support for juniors coming into seniors by free registrations for all players under 20 playing in the senior competition. With new players coming to the club, and with our outstanding junior playing base, our club is well positioned to continue its winning way well into the future.

Finally, thank you to my other fellow Committee members for all the hard work completed throughout the year.

Congratulations to everyone involved in the Club for a successful and enjoyable season.

I sincerely hope we all get to play again soon, to meet with one another, welcome new and old friends and see everyone in the red cap in 2020-2021.

Ange Barbaro, Secretary

JUNIOR REPORT

The club experienced a very enjoyable and successful 2019/20 season. We fielded 8 junior teams in the PJCA competition, with six sides managing to qualify for the semi-finals. In an amazing achievement for the Players, Coaches, Parents and EPCC, four sides secured the PJCA premiership. Congratulations to the U10 Red, U11, U12 Blue and U13 teams on your outstanding seasons.

Unfortunately, at the time of writing this report, Covid-19 restrictions have not enabled EPCC to publicly celebrate these and others players achievements. Hopefully we will be able to conduct a presentation prior to next season.

Apart from success on the field the EPCC committee continued to implement a number of initiatives to support the development of our young Emu players. These include;

- Coaching sessions with Brett Newman and Brent Atherton. These sessions allowed the players to access other coaches and their cricket knowledge to further develop their game. Thank you Brett and Brent.
- Soul Origin Junior Player of the Round continued to highlight the success of our young players.
- Completion of the nets at Leonay Public School, with the club providing much of this funding. Special mention to Ange and Metwest Engineering for your support to complete this project.
- Upgrading of the Dukes Oval Nets. With Cricket NSW and Penrith Council support, these nets have been upgraded to provide enhanced facilities for our junior players.
- Junior Blaster – Implemented and managed by Pat Anderson, this program is the first introduction to junior cricket for many young players and is a program which the EPCC looks to build upon in the future. A big thank you to Pat Anderson, Andrew Bugg, Alex Mullen and Chris Hinkley for your time and running of this program. We have received many positive reports from Parents and participants which acknowledges your dedication to this program.

Also a big thank you to all the coaches for this past season. To Gary Sheen, Marty Romer, Daniel Mclean, Mark Boreham, David Williams, Dave Gardner and Andrew Kennedy – thank you for the knowledge, time and wisdom you provide our young players. It is obvious that you are all doing an amazing job developing our young cricketers, and we hope you continue to share the highs and lows of the future cricket seasons. In addition, thank you to all the managers, scorers and other parents who continue to support our young Emus. Without your help there would be no junior cricket.

Finally thank you to our major sponsors for your continued support. Without it we would be restricted in the opportunities we can provide all players at EPCC.

Well done again on all your efforts for last season, and bring on season 2020/21.

Regards

Luke Murphy, Juniors Secretary

5TH GRADE CAPTAINS REPORT

Firstly, amazing effort by the club to have all senior and the majority of Junior clubs represented in finals. Well done to the club for winning the Club Championship. Amazing effort from all concerned. This year was a rebuilding year for 5th Grade and it was an absolute pleasure skipper so many Emu Plains Juniors, now in their 20's, playing in this team.

Something that was not lost on myself and future Emu legend and allrounder Chris "Aussie" Longhurst is that we "coached" Mathew Large, Nathan Christensen, Michael Todd and Luke Fitzpatrick in under 13s and 14's and they now play alongside us all these years later. Brock Alewood also has been around this group from when he was just coming into Senior cricket. We also welcomed back Curtis Shuttleworth from a long absence from The Bird. All in all, we used 23 players this year with Jamie Large, Andrew Kobryn, Jon Ferguson, Shane Richards, Lee McColl, Regan Rist Greg Botrill, Mark Stafford and Judah Whale all playing a role in the season.

The core of the team was rounded out by three future Emu stalwarts Darren Taylor, Brendon Khoury and Joe K (I can never sell his last name). Added to those older and wiser heads were two young guns making their debut in our team this year. As luck would have it they really fit in and made solid contributions on and off the field. Liam "Hollywood" Lester and Lincoln "Abe" Hiedtmann. Both batting, bowling and fielding their hearts out. I trust they will return next year and for many years to come.

It was, all in all, a very enjoyable year. We had to fight very hard, most games, but it was never a chore. Ultimately we would make the Semifinals but not be able to push on to the Big Dance. There were many memorable performances, but some standouts were Joes "Dravid"like batting resistance, Toddy keeping to a exemplary level (winning the district keeping award) and Matty Large bowling wheels and scaring all batsman and even some fielders.

Curtis made some big scores and played some sublime shots. As did Chris Longhurst who played a pivotal role this year with the ball. Brendon bowled leg spin that ripped through many a lower order and Darren's hair was as magnificent as his running between the wickets was questionable.

In between we lost 12 points for an admin error. We beat the team coming first on a rain effected weekend to seal our semi spot. We rolled teams for under 50. We won a game by 2 runs in the last over. Skipper Luzzi bowled a double bouncer and The White Rose Fitzy was hit for the biggest six in anyone's collective memory, at Shepard park. There were classic catches, injuries, not too many cross words, a rolling roster of nicknames and all in all good times all round.

Next year, I am confident we will go all the way and then maybe I can finally retire from full time cricket.

Thanks to the families and partners that let us spend big chunks of our weekends talking rubbish, chasing leather and representing The Bird with pride.

We forgot to take a photo, so the one attached is from an earlier season.

Go the Bird.

Andrew Luzzi
Captain 5th Grade 2019/20

UNDER 10 RED REPORT

What a fantastic season, the boys managed to finish the season undefeated Minor Premiers and Premiers.

Staying undefeated was something the boys never really talked about, they just went out there and competed in every game they played. They never gave up, or felt pressure they just backed themselves to bowl, catch or run the batmen out.

I was very proud to be associated with this group of boys, obviously they are very talented young cricketers but most importantly they are very respectful and willing to learn which makes them a pleasure to be around.

Fletcher Russell - Our most dominant batsman scoring 286 runs including six - 6's and forty-two 4's. Opposition coaches would put all their players on the fence, so Fetch would hit it over the fence or thru the fielders. A very talented player with Bat, ball or gloves! Did a great job as Captain in our semi and grand finals.

Archie Becker - A new player to our team this year who took to cricket like he has been playing for years. A talented left arm bowler and batsmen who blocked out the last over of one of games this season to secure the win. Also hit his first 6 in the grand final !! Our version of Mitchell Starc.

Kieran Parker - The little man with all the questions!! A fantastic bowler who rarely bowls a ball off the wicket, always competing and encouraging his teammates. Never a dull moment when Kieran is playing. A great team player and the first one to encourage or congratulate anyone in his team or the opposition!

Dean Gleeson - Our leading wicket taker with 22 wickets, can bat as well when he isn't trying to hit every ball for 6. Good set of hands in the outfield taking some great catches this year. A talented all-rounder who annoys the coach regularly. Looking forward to when the coach can fire out his players LBW.

Mitch Dunk - One part of the Ken and Barbie duo, Mitch contributed well with the bat and ball. During the season Mitch took a hat-trick and managed to hit two sixes by running two and getting 4 over-throws! He topped it off in the grand final with a towering six over the parent's heads on the sideline. He is also the direct hit runout specialist!

Isaac Bullus - Part two of the Ken and Barbie duo, Isaac had a great season with bat & ball, his running between the wickets with Mitch was outstanding to watch. Isaac twice claimed 4 wickets in an innings and always looked like taking wickets when bowling. Loved whacking opposition bowlers over mid-wicket for 4 or 6. Claims to be the best Bullus in the club.

Oliver Williams - Another new player to our team who brought along the ability bowl, bat and wicket keep exceptional well. Always listens and is willing to learn all he can, his left arm Chinamens are going to destroy batsmen in the coming years. Did a great job in the Grand Final opening the bat and getting us off to good start.

William Milroy - Big Willy just keeps improving every year with bat and ball. He loves competing and bowling out opposition batsmen. Also did a great job opening the batting in the grand final setting up our win. Just one of those kids that never gives up and puts in every week.

Timur Hassan - "Gilly" the boy small in stature but massive in heart. A big part of our team Tim always makes us laugh! The rare ability of making fielders throw his boundaries for him by just blocking and taking off and watching them throw the ball to the fence! Saved his best for the Grand Final by batting and bowling exceptional well. Always keen to offer the coach advice on anything in life.

A big thank you to all the parents who help me at training and game day you guys make my job easy. Also thank you to Luke Murphy and the Emu Plains Committee for all your support and effort you put into our club.

UNDER 10 BLUE REPORT

What an incredible first up season we have had! So much natural talent amongst the group and – even more importantly – they displayed an absolute love of cricket which will see them continue to grow into their immense potentials!

Throughout the year we learned a lot about the game itself. The small things like backing up, running between the wickets, calling for a run, overthrows, encouraging your team mates, walking in with the bowler and developing an understanding that cricket is a team game. We learnt most of this on the run, during the game itself. Sometimes as the coach you don't know what the kids know until you see what the kids don't know! Every game was an opportunity for us to learn and that's exactly what they did.

Training throughout the year was always fun. From kids jostling in lines to get the next bowl, to wanting to be first to pad up and be the first team to bat at the game at the end of training. The enthusiasm for fun, friendships and cricket leaked out of them all every session.

With 8 of us backing up to play in the Under 10's next season, I can only see more success for this group of young cricketers. In saying this, Eben and Bailey will both be missed but I have no doubt their new teams will benefit from their enthusiasm, skills and love of cricket.

There are simply too many 'achievements' to mention just a few – so here to snapshot of each player.

Bailey Barrett - Infectious smile and positive energy. Would give anything a go – without complaint. Through hard work and determination, was one of our fastest and most accurate bowlers by the end of the season. Deserved so many more wickets. Possibly the most 'unlucky' bowler as so many balls narrowly passed the stumps.

Riley Coote - Most improved player. Riley continuously worked on his bowling at training – and more than likely at home and at school. By the end of the season he had a run up, follow through and landed all 6 on the pitch. He quickly became one of the best runners between the wickets as well. I have no doubt that Riley's enthusiastic approach to all sport will see his cricket continue to develop.

Timothy Hammond - Is there anything Tim cannot do? Enthusiastic, positive, encouraging, focused and determined. From bowling spin, pace, throwing the stumps down from the boundary, taking great catches and smashing fours with the bat – Tim injected himself into all areas of the game. A great all round player with a lot of potential. Did I mention his running between the wickets?

Maverick Kennedy - The smallest and youngest of our players but one of the most talented with the biggest heart. I imagine this is what Mark Waugh looked like at a similar age. Smashing fours through cover and backward square and taking wickets for fun – not to mention taking a 5 wicket haul which included a hat trick – all bowled!! Incredible young talent.

Eben Joyce-Bateup - The smiling assassin. What a delightful kid. Smiling, kind, helpful. But don't let that fool you. What a great cricketer. Passionate, determined, fast, and strong. Eben hit the ball harder and bowled just as quick as anyone in the competition. He was like a whippet in the field and his arm was like a tracer bullet! Eben will do well in any team with his positive attitude and work ethic!

Heath Joyce-Bateup - The second youngest of the group – which went unnoticed due to the fact that he did so well. Heath's all round ability with the bat and ball was on show every game. If he didn't perform with ball, he'd smash a few fours and vice versa. He too, is also an excellent fielder – anticipating where the batter may hit it. Another hard worker at training and was duly rewarded with an incredible hat trick!

Jack O'Brien - Jack steadily improved with every game throughout the year. He, like Bailey, was perhaps the most unlucky of our bowlers. He bowled some beautiful spells that went wicketless and deserved many more wickets next to his name. Jack played some beautiful straight drives towards the end of the season that truly shows that hard work and determination does pay off.

Sonny Savage - Our most consistent and accurate bowler. Fiercely determined and competitive. Sonny ran in at a million miles an hour every ball – and from his first ball of the season – where he clean bowled his opponent, his talent was on show where he took 6 wickets (narrowly missing two hat tricks!). Sonny also has a great eye and can club the ball hard for a small kid. Definitely a player of the future.

Thomas Sheen - Thom's batting throughout the year impressed. His natural timing was a feature which often saw the ball racing over the boundary line. His calling and running between the wickets improved considerably. His celebrations and excitement for his team mates' successes, whilst batting with them and in the field was also a highlight, demonstrating a team culture.

Lastly, to all the families. I thank you all for your support throughout the season. From helping out at training, SCORING!!!, helping with the kids on game day, umpiring, encouragement, etc, I couldn't have asked for more and I couldn't have done it without you.

Looking forward to doing it all again next year!

UNDER 12 DIVISION 1 (RED)REPORT

Playing some fantastic cricket, interrupted by the smoke and heat, would be the best way to summarize the 2019/20 season for U12 Division 1 Red.

The side which retained all premiership winning players from the previous season began the season strongly, with some dominate team and individual performances along the way. Recording some large totals with the bat (3/330 in one match of 30 overs) and dismissing the opposition for low totals, with some absolute 'screamers' taken in the field, was a consistent theme throughout the season. The players remained undefeated for all competition round matches and secured the U12 Division 1 minor premiership with 2 rounds remaining, a just reward for their efforts.

Unfortunately, the only match the side lost for the season was their 4 run Semi-Final defeat against Glenbrook Blaxland Perry. The better team won on the day, with the loss once again showing that any side can beat any other on any given day. The disappointment and emotions the players felt that day was difficult to witness, however also displayed the commitment and passion the players have for the game. I encourage all players to remember how they felt at the end of that match, and use it as motivation to train and remain competitive throughout the coming season. I'm sure the players will grow from this experience.

A quick summary of each player's season:

Hayden McElroy - Hayden season was unfortunately interrupted by injury. However Hayden should be very proud of his development this season. His batting continues to improve, with his match winning innings against Glenbrook Blaxland Hazelwood being most pleasing. Hayden also stepped up with the ball, with his right arm off spin creating numerous chances. His 3/3 against Glenbrook Blaxland Perry being a highlight. Hayden's love of the game will see him continue to develop his skills throughout the coming seasons. Well done Hayden, you should be proud of your efforts.

Dane Micsko - Dane continued to perform strongly with both the bat and ball this season. The development of his off-side play has enabled Dane to access more scoring options with the bat and is a product of some hard work in the nets. With the ball, Dane's left arm deliveries are always dangerous, with the in-swinging yorker becoming Dane's signature delivery. In the field Dane has great hands, taking some absolute screamers this season. A fantastic team mate to all, Dane should be proud of his achievements this season.

Xander Murphy - Xander found his love of cricket again throughout this season which was reflected in his performances on the field. Xander's bowling became a real weapon for the team, with his fast inswingers becoming a headache for opposition batters. Xander finished the season as equal leading wicket taker for his team. His batting and fielding continue to improve, with Xander showing glimpses of his ability with the bat. Xander just needs to turn some of the hundreds scored beyond the boundary into match performances.

Jack Newman - Jack should be most proud of his performances this season. His bowling continued to be strong, with his accurate outswing deliveries seeing him equal leading wicket taker for the season. Most pleasing was Jack's development with the bat (194 runs @ 38.8), showing that hard work in the off season really does pay off. Jack's batting is the most improved of any player in our side, with his first fifty in Round 10 being a highlight. Well done Jack, a fantastic all-round performance.

Ben Reeves - Ben had another terrific season with both bat and ball. Unavailability after Christmas reduced his overall aggregate of runs and wickets, however 163 runs @ 54.5 and 9 wickets @ 6.4, in addition to his outstanding fielding, highlights his cricketing ability. Ben plays attacking cricket which is most pleasing. He is also a very selfless cricketer, for example pushing for that extra run to assist the team. Another great season Ben.

Ashton Russell - Ashton continued to develop his all round game, with his batting a standout. His massive 334 runs @ 111.3 highlights his enormous ability with the bat, with Ashton also beginning to learn the 'art' of batting throughout the season. Ashton also contributed in the field with some great bowling and fielding. Overall an amazing effort from Ashton on which he can build and develop his cricket throughout the coming season.

Halle Savage - This season Halle became the most "feared" quick bowler in the competition. The pace and bounce she generated in some spells was devastating, and with some improved accuracy the sky is the limit for this talented athlete. I know a few of her teammates were not disappointed when other sporting commitments meant she could not attend training, it made the net session a lot easier. With the bat (170 runs @ 34.0) Halle scored her first fifty, and with a little more self-belief will score plenty more runs in the future. Halle also displayed some excellent skills in the field, with her catch against GP Red in the outfield being as good as you will ever see. Congratulations on a great season Halle.

Taj Savage - Taj has continued to develop all areas of his game this season. His boundary hitting ability enables him to score runs quickly, with Taj improving his ability to hit the right ball. He is also a fantastic runner between the wickets, looking for every run. With the ball in hand, Taj's outswing deliveries created many chances and headaches for the opposition. Taj is also an asset in the field, with him attacking the ball and creating pressure. I am looking forward to seeing Taj further develop his cricket skills throughout the coming season. Well done Taj.

Marcus Skinner - Marcus's performances continually improved as the season progressed. After Christmas his bowling just clicked, with his Right Arm Fast out swinging deliveries giving the coach no choice but to give him the new ball. We also saw some of the destructive batting that we had witnessed in past seasons. In addition Marcus is an asset in the field and contributes to the 'pressure' our team can create. Marcus you should be very proud of your season.

Josh Wright - Joshua's development of his all round game was most pleasing this season. His batting really improved, with Josh playing some match winning innings when most needed. He also has boundary hitting ability which enables him to score quickly. With the ball Josh continued to bowl good line and length, however his opportunities were limited due to sharing the keeping role with Sam. Josh's keeping also improved throughout the season, however keeping 2nd often limited his the overs he kept. Congratulations on a great season Josh.

Sam Wright - One of our Keeper/Batsmen, Sam really grew into the role this season. His batting began to really mature, with a 'defensive shot' becoming part of his arsenal. His 73 of 35 balls was Sam at his explosive best and his 246 runs @ 35.1 being a very productive season. His batting can turn a game in a couple of overs. Sam's keeping, and his willingness to develop this role in the team, was also vital in our teams performance, and will become more important as seasons progress. Sam also has some talent with the ball, and is underutilised due to wicket keeper format restrictions. Well Done Sam on a great season.

The Players, Coach and Parents would also like to thank Jim Micsko for scoring every game. Jim's 'working conditions' vary greatly from game to game, with Jim's management skills often been called upon. Jim also posts all our information on My Cricket and uploads our Facebook posts, which is a thankless task. Thank you Jim for all your support.

After 5 years it continues to be an absolute pleasure to coach this team. I am most proud of the manner in which players approach the game and the friendships they have developed. They play hard but fair, never give an inch, and encourage each other but never belittle the opposition. They continue to work on improving their game, the reward being some outstanding team and individual achievements. I am most looking forward to next season, training hard to further develop everyone's game and continue to improve as a team.

To all the parents, thank you from myself and all the players. Your support, assistance and willingness to assist with any task or situation is amazing. We are extremely lucky to have such great support, and a lot of cricket knowledge, from our parent team.

Sadly, a founding member of this side has played his last game due to moving interstate. To Ben, we will miss you greatly. We are sorry we could not get you a final game in the GF. You are not only an outstanding young cricketer, but a quality young man who treats everyone with kindness (apart from the batter facing at the other end) and always gives his personal best. We all wish you the very best both on and off the cricket field.

Also to Andrew Reeves, thanks mate for everything. Our team and club greatly appreciate the many ways you have supported us over the past 5 seasons. From our team specifically, thank you for all the help and assistance you have provided. From helping run training, umpiring, warming up the kids, pool parties, helping a player pad up – Thank you. We wish you and your family all the very best on your new adventure.

Thank you all for a great season.

Luke Murphy, Coach

UNDER 15/16 Div 2 REPORT

EPCC Under 15s gathered in the pre-season with some player changes from our very good season of 2018/19. One player was injured in the latter stages of the winter sports season and was ruled out for Summer, whilst another of last year's players set his focus on other sports. We welcomed Sam Hanrahan and Riley Bahlmann to our ranks.

Early in the season we lost Elsa Hunter due to her commitments with Parramatta and NSW.

The competition got even stronger than last year, despite the absence of 2018/19 premiers St Clair Hawks and the dissolving of one of the Glenmore Park teams. Blue Mountains Grammar School fielded a team in the competition, but struggled with player numbers.

Our batting never really got going throughout the season. Certainly, we were competitive enough against all teams, and there were 5 matches in which we were in strong positions only to fall away when it "came to the crunch". Nonetheless, nobody wavered in their commitment, as evidenced by the regular very healthy turnout at training. Our bowling was tidy and rarely loose. With just a bit of luck, we would have won a few more matches and pressed strongly for the semi-finals, but unfortunately it was not to be.

Looking forward to seeing all the players return to cricket in 2020/21 to give the PJCA Under 16 competition a healthy "crack".
