COMMITTEE REPORTS

PRESIDENT'S REPORT

Well, another year that was affected by Covid! Once again the virus impacted the season with a late start to the year, modification to a one day competition and some games being cancelled. Throw in some major rain and I can safely say it was an interesting year.

I say this every year. Cricket competitions are not easy to organise and I would like to thank the NDCA and PJCA committees for another successful season. Managing changes due to vandalism, council closures together with COVID forfeits takes an enormous amount of time and effort and it is appreciated by the Emu Plains Cricket Club.

With the end of the year being severely impacted by rain, we were unable to compete in any finals. Premierships were decided based on the finishing place in the regular season. Our U15's and U14's were awarded premierships. Our other junior teams qualified for the semi's and finals, with U12's finishing as runner up, and U13's in third. Unofficially we also won the PJCA club championship, which is a great achievement and bodes well for the future of the club. I would like to thank all of the junior coaches, volunteers, helpers and others that contribute an enormous amount of time and energy to enable our juniors to enjoy their weekends on the playing field.

There was also no play in the finals for seniors due to rain. Despite this the final results for the club were great, with 3 senior teams making finals. How good is a premiership win that is decided on a Friday before the grand final? I unfortunately don't know, though our second graders do. Our third and fifth grade teams were busy watching it rain on grand final day and came second.

We once again ran the Woolworths Junior Blaster program. Thank you to Pat Anderson, Alex Mullen, Andrew Bugg and Chris Hinkley for helping the 20 or so youngest players get involved with cricket.

I look forward to working with new sponsors in the new year and ask if you or any organisation you know of would like to be a part of the club to please contact myself or any of our committee.

I would like to again thank all of the committee, coaches, managers, parents, life members, patrons and players past and present that make the club the greatest club in the district.

Sam Barbaro, President

--	--------------------

The Club is in a healthy financial position. A big thanks to all players, coaches, managers and captains who assisted in collecting registration fees this season. The \$15,000 grant will be spent on upgrading the nets at Nepean High School.

Once again, we sincerely thank our Major Sponsor, Metwest Engineering and Ange Barbaro, for their continued support of the Club. We will be seeking additional sponsorship income for the season ahead.

Please note that the above figures have not been audited. As always, a full list of accounts is available for viewing at every general club meeting.

Jim Micsko, Treasurer

SENIOR REPORT

The club keeps on being very successful and resilient in its dealings with seasons disrupted due to Covid and then the weather. We picked up another senior minor and major premiership in a washout and were favourites in the grades where we finished the season in second place. Well done to Alex for 4 in a row, an outstanding effort, and commiserations to 5th and 3rd grade who were unlucky and did not get the chance to take the field in the finals.

While not announced, it looks like we have again won the junior club championship congratulations and thanks for the fine work that Luke Murphy does without fuss. Your, the junior coaches and managers' support in bringing juniors into seniors continues to move us in the right direction with the successful integration of the junior players into the senior ranks. Well done to Pat Anderson for presenting the idea and for handing out most of the junior to senior caps.

With our second season of Covid behind us now, it is hoped that we no longer need to mention the pandemic ever again.

We have all proved again that is always a good time to be playing for Emu Plains.

On the field

In 1st grade, Daniel Obrien endured a very disrupted season and for the first time in a long time missed out on the finals. Given the quality of the players in the squad, and an expected return to a normal season it won't be long until this team is again in the premiership winner's circle. The disrupted season did give the squad an opportunity to welcome many juniors into the senior first grade competition this year, and it is something that every junior will remember. Thanks to Daniel and all of the squad members for supporting this club initiative.

Alex Mullen's 2nd grade team having won the previous 3 years has done it again and now won 4 in a row. Anticipating a very wet La Nina summer, 2nds played very strong early in the season to gain first place and stay there for the entire season. With only 2 close losses in the season 2nds were the best team in the competition and deserved their washout victory. Congratulations Alex.

3rd grade performed well and was competitive throughout the season, finishing second but then not getting a finals match in either week. This ageless squad continues to perform well in this division, albeit with the injection of some young legs. Comradery and Catering are highlights.

Greg Bottrill stepped down as captain and as there were 8 teams per grade above them, Andrew Luzzi took over in 4th grade with last season's merged 4th and 5th grade sides forming the new squad. Unfortunately, this squad didn't have much success, however, it did show some signs of life towards the end of the season. We'll look to bolster this squad in the coming year. Thanks to Andrew for stepping up and doing his best in difficult circumstances.

Following their premiership success in 8th grade last year, Josh Lawson was elevated to 5th grade and performed very well. The team ended up in second place and was denied a chance of winning the competition by the nonstop rain in March. Well done to Josh and the entire team, a great effort.

In 8th grade, new team captain, Sam Wheeler successfully integrated many new players into the squad, had the team training, and ended up just one win from a finals berth. With the quality of this start and with a season now under their belt, a finals berth and a premiership won't be far away.

Off the field

Our shirt and sleeve sponsor Metwest Engineering and Sommers provided grateful funding or gifts in kind that enabled us to run our popular junior programs, update our equipment and improve community training facilities. We strongly encourage all playing and non-playing members to support our sponsors at every opportunity.

The club last year successfully applied for funding of \$15,000 in community grants that, covid permitting, will be spent this year to upgrade the nets at Nepean High. Metwest will be providing project management, construction, and financial supplement to complete the project, which is expected to cost much more than the grant funding. Volunteers will be called for some time after June to help with completing this project.

Due to Covid, and for the second year in a row the competition remained all one-day games. We expect that the coming season will not be Covid affected and we will be playing one and two day matches, enabling greater participation, especially for lower order batters.

We continue our commitment to juniors with free registrations into the senior competitions and provide opportunities for juniors to play in the senior teams as their experience, abilities and finances allow.

Finally, thank you to my other fellow Committee members for the tireless hard work they all completed throughout the year. It is a big job to get all the players on the field, in uniforms, registered and having fun every week. Special acknowledgment again to Pat Anderson, in his second year on the executive committee. Pat's idea of the Junior to Senior cap was very well received by all of the members and is unique to Emu Plains Cricket Club.

Congratulations once again to everyone involved in the Club for a successful and enjoyable season.

Ange Barbaro, Secretary

JUNIOR REPORT

Our junior players, coaches and managers are to be congratulated on another outstanding season. All 8 junior teams performed strongly throughout the season with Emu Plains CC being awarded the PJCA Club Championship for a 3rd season in a row. This is only possible due to the efforts of all the players, coaches and the support they receive from their families. An amazing effort.

This season was unfortunately shortened due the impact of COVID at the start of the season then the record-breaking rain towards the end of the season. Despite these obstacles, it was great to see our junior playing enjoying their cricket and achieving some great results along the way.

Congratulations to our U15 and U14 Premiership winning teams, an amazing effort by both sides. Our U15 side was undefeated premiers for the 2nd year running. The U14 side only lost one match and was 2 wins clear on top of the table. I know both these side would have preferred to have won the competition by playing the grand final. However winning a grand final by being on top of the competition is far better than losing one by not playing.

Unfortunately, the rain washed away the finals hopes of our U12, U13 and U16 teams without a ball being bowled. Our youngest teams also performed strongly with U10 Red and U11 finishing 2nd and U10 Blue 4th in their competitions.

Once again, thank to every coach who volunteers their time so that our young players can participate and enjoy the game of cricket in this most challenging season. To Tim Jackson, Raj Punia, Mark Williams, Garry Sheen, Marty Romer, Daniel McLean, David Williams and Dave Gardner a massive thank you from the EPCC for all your efforts. Without you, there is no cricket for these young players.

Finally thank you to the committee and our sponsors who enable our club to support all our junior cricketers both on and off the field.

See you all next season.

Luke Murphy, Juniors Secretary

PERPETUAL TROPHY WINNERS

KEITH COLEMAN MEMORIAL SHIELD (SENIOR ALL ROUNDER)

Awarded to the Senior Player who has accumulated the most points during the season. Points are allocated for the 1st innings of each game, semi-finals and finals excluded. Allocation of points is outlined in the constitution.

Brenton McFadgean

340 points

TONY HOY SHIELD (SENIOR CRICKETER OF THE YEAR)

Awarded to the senior player who has accumulated the most points, obtained from each round. Players doubling up with a second team in the same round shall also be included. Players from each senior team shall vote at the end of each round on best performed player. Points shall be awarded as 3 for the player who contributed the most to the match followed by 2 and 1 for the next best performed players. At the completion of round 14 player's points are to be tallied.

Brenton McFadgean

21 points

DAVE RISTAU MEMORIAL TROPHY (SENIOR WICKET KEEPER)

Awarded to the senior cricketer with the most dismissals as a Wicket Keeper during the Season.

Luke Stanowski
Jake Couchman

18 dismissals

CRAIG HUTHNANCE MEMORIAL TROPHY (1ST GRADE CRICKETER OF THE YEAR)

Awarded to the most outstanding player in the first grade team for the season, final games included. Allocation of points is outlined in the constitution.

Brenton McFadgean

465 points

A & E RISTAU AWARD (U/21 BATTING AGGREGATE)

Awarded to the player (Junior Competition only or Senior Competition only) who is under the age of 21 years at 30 September of that season, who has scored the most runs for the Club. Competition matches only – semi & final games not included.

Ashton Russell

331 runs

THE HALLY AWARD (U/21 BOWLING AGGREGATE)

Awarded to the player (Junior Competition only or Senior Competition only) who is under the age of 21 years at 30 September of that season, who has taken the most wickets for the Club. Competition matches only – semi & final games not included.

Xander Carstens

16 wickets

SENIOR CATCHING AWARD

Awarded to the senior player that has taken the most catches as a fielder (non-wicketkeeper) in competition rounds only. Finals games are not included.

Andrew Bugg

14 catches

CLUBPERSON OF THE YEAR

Awarded to the person deemed to have contributed the most to upholding the spirit of the Club during the past season. The winner, chosen by the Executive Committee, may be a player (junior or senior), a committee member, a coach/manager, a parent, a supporter or any combination of these. It is not compulsory that the award be given if an appropriate candidate is not nominated that season.

Not Awarded

SHIELD OF SHAME (MOST SENIOR DUCKS)

Awarded to the senior cricketer who has achieved the most ducks during the season.

Andrew Luzzi
Joe Kolodynski
James Hill

4 ducks

SENIOR ROOKIE OF THE YEAR

Awarded to the senior cricketer playing his first full season in seniors after having played the previous season for Emu Plains juniors. The award recognises performance as well as what the recipient has contributed to upholding the spirit of the Club.

Ben Jeff

LONG SERVICE AWARDS

OFFICIALS (EIGHT YEARS SERVICE)

At the completion of eight years' service as a coach, manager or executive committee member (or a combination of these) the Executive Committee may approve by majority vote the award of a Long Service Award to such person. Service need not be continuous.

David Gardner
David Williams

SPECIAL SERVICE AWARD – UNDER 16 YEARS

Players who play continuously with the Club from Under 9 to Under 16 shall receive an award at the annual presentation in recognition of their contribution to the Club. Team Coaches and Managers who meet the criteria shall also be eligible to receive the award.

Nil

SPECIAL SERVICE AWARD – SENIORS

Senior players who have played with the Club for a period of ten years shall receive an award. Years of service need not be consecutive. Records commence with season 1989/90. Service prior to those years has not been accurately recorded by the Club.

Nil

100 GAME CAPS

Awarded to players who play 100 games for the club, without breaking that service to play for another club within the Nepean/Penrith District.

Samuel Bulluss
Cooper Connelly
Mark Gardner
Isaiah Ghobrial
Jacob Hand
Dane Micsko
Jack Newman
Harrison Newton
Joshua Robinson
Zach Williams

Justin McColl

1ST GRADE CAPTAINS REPORT

The 21-22 season is one that didn't really ever get going for 1st grade unfortunately with COVID, rain and Friday arvo/Sat morning ring rounds to field a squad we struggled for consistency and that showed with our on-field performance, I hate to say it but after a long period of success this is a season I think most the squad will sooner rather forget.

The silver lining of being short though was we were able to see a number of well deserving players play first grade if not for the first time ever but at least for the first time for the club, congratulations to Samuel Bulluss, Clayton Chandler, Junaid Rasheed, William Foote, Nick Elliot, Nick Delbridge, Josh Lawson, Jake Wright and last but not least Patrick Kamlade, you all did a fantastic job and I really appreciate you stepping up when needed, there were a number of other players that helped out the squad throughout the year most of them on more than one occasion, there is too many to list but you know who you are and thank you to you all as well.

There was one particularly impressive highlight for the season with Brenton McFadgean taking out the district 1st grade bowling aggregate and avg with 27 wickets @ 5.81 which is made even more impressive return given we played more than half our season on syntho.

Congratulations to Alex and his 2nd grade side on a remarkable feat lifting the trophy for the 4th consecutive time and to all of the other teams that were able to qualify for the finals.

Thank you to Sam, Pat, Jim and the other committee members for all that they do so that we can have a club, the best one in the district at that and special thanks to Ange for his support week in week out with our squad management, they don't pay you enough having to deal with me every week.

1st Grade will be back next year.

Go The Bird!

Daniel O'Brien
Captain 1st Grade 2021/22

2ND GRADE CAPTAINS REPORT

Firstly I would just like to thank the emu plains committee and the NDCA committee for their efforts in getting this season started. Last year was hard enough with working around all the covid protocols but this season it was probably harder and worse, at one stage it felt like we wouldn't even get a season in. But to start one and finish it with no issues at all. Thanks and well done to all involved.

Back to 8 teams this comp, 2nd grade was a very strong comp this year with several teams able to take out the 2nd grade premiership, all the talk in the pre-season was it was going to be a wet summer. So we knew we could not afford to have our usual slow start to the year. We played good hard cricket from the start and managed to go the first half off the season without losing a game. This included some great close wins where we would dig ourselves out of trouble with the bat and manage to post something defendable and manage to get the points.

End of the regular rounds we managed to finish first by 6 points. Winning 8 and only losing 2 tight games, one by 8 runs and the other in the last over of the day. To finish first was a real team effort as everyone stood up at different times to get us there.

Come end of February we were hungrier than ever to get stuck into the finals and chase our 4th premiership in a row. Unfortunately heavy rain washed out both weeks. Luckily for us we had secured first so became 2nd grade premiers although would have loved to have got on and brought 3 trophies home for emu, still proud of our squad as it is a squad effort to achieve what we have over the last few years and a put the team first mentality in every game and situation.

Massive thanks to the guys that help us out during the year mainly Lee who has helped us out so much over the years and young gun Will Foote, Unfortunately we were washed out every time he was meant to play although helped us out 1 game in the field when we were short players after his game and helped secure a crucial win.

Keen to get stuck in again next year, GTB.

Alex Mullen
Captain 2nd Grade 2021/22

3RD GRADE CAPTAINS REPORT

First of all, I'd like to congratulate Alex Mullen and his second grade squad on winning their fourth straight premiership an outstanding effort. Also, congratulations to Josh for his success in reaching the grand final having come from 8th grade to 5th grade.

With a late start to the season due to Covid, some forfeits and losses due to Covid, and then to be washed out after running strongly into second place, this will be a season to quickly get over and into our next finals series. Hopefully, we won't be hiring supa soppers for the 3rd straight year next year, and if we do, hopefully, it will stop raining enough for us to actually use them.

Our squad remained mostly unchanged, strengthened with the addition of a full time Chris Tonks, but weakened by the loss of Anthony Tonks who, for some unknown reason, wants to live somewhere hotter with more humidity. Luke remains devastated.

The season was one for the bowlers this year, totals of 90 were competitive, 120 was almost untouchable. All of our bowlers enjoyed fantastic run economies due to exceptional out fielding, by the outfield, assisted by Gabe and a slimmed down Tim Boyce, who was missed at the end of the season finished the year with 33 runs, 1 wicket and 3 very good catches in only 5 games.

Jim Micsko all but took out the district bowling award again with a district grade season-high tally of 24 wickets. Given we only got onto 10 games it was a remarkable effort and the district bowling award is yours in my eyes. We still remain, I think, the best bowling team in the grade, reflected by all our bowlers averaging under 15, and with economy rates around 3 or less. It was also the season where Justin McColl really stood out and took a season total of 22 wickets and was second top scorer with 123 runs. Mark Roser while finishing on just 11 wickets, bowled as well as ever and was continually unlucky. Gabriel Araujo finished the season with 81 runs and 4 wickets and several more 9 ball overs. The blinkers are on order for next season.

Pat Anderson has settled into this old man's team picking up runs whenever he gets the opportunity and improving his keeping, finishing with 90 runs and 7 wickets. Patty always works quietly in the background for the club doing things that most don't see. Thanks again for helping out as you do Patty.

With Tony having left for the sunburn red neck state, it was up to the young Chris Tonks to hold the best in the family mantle. Chris bowled some very good spells and frightened the best batter in our grade with some very slick bowling that changed the game in our favour. Chris was also very grateful to hear the coach say "stay patient Chris", willingly taking the advice on board while continuing to bowl a little shorter, but much quicker. Chris ended the season with our 3rd highest run total of 119 runs, from only 6 matches, and with 7 wickets. A great effort but according to Luke was only second best. Tony in only 4 matches scored 79 runs and took 3 very good catches. Tony's biggest fan, Luke Downie, devastated by the big man's move to Qld always provides us with a smorgasbord of goodies that would stock a first class deli. Thanks Luke, your generosity in catering every week is appreciated by all of the team and all of the fill in players. And it is not the reason why other squads would love to have you in their teams. They only want you for your looks.

Lee McColl continues to selflessly give up his batting position for the benefit of others and always does well when asked to fill in with a few overs. Lee finished the year with 73 runs for us and with 5 wickets, just behind his efforts in 2nd grade where Lee finished with 6 wickets. Surely this puts you in with another 2nd grade premier t shirt.

Jimmy McPherson again looked great all year and top scored for us with 129 runs all at the top of the order in only 8 matches. Jimmy is fitting right in with us old blokes now and even explained what bit coins are. We thought they were fragments of nickel. Dave Hanrahan's year was unfortunately hindered by illness but did make a valuable return late in the season, and would have been a real threat to any opposition if the rain had not intervened. Dave finished with 4 wickets from just 4 games and easily closed out a tightening match in round 13.

Sam Barbaro again contributed well throughout the year, prepared the pumps for the ground for the grand final, again. Picked up the super soppers and had them ready, again, only to be washed out in the biggest flood since last year's 1 in 100 year event. All this was even after Sam had already offered his grand final spot to Luke. Thanks Sam, everyone appreciates your efforts.

To our club mates who filled in, we thank you. Sam Wheeler, your stand in performance was spoken about for all the right reasons. Buggy, Jack, not for the same reasons. To Josh, Harrison, Clayton, Andy, Greg, Dean, Ryan we wouldn't have finished second without you helping out. Special thanks to Alex for his bowling performance in the last game of the regular season, we had to win to secure 2nd and your performance helped us get there. If you can show the 2 piece ball to Marty before the start of the next season, it would be great. Marty- the 2 piece ball swings, a lot.

While we didn't bring home the premiership this year, we remain the friendliest, team spirited bunch of mates in the competition taking pleasure in beating teams half our age. It continues to be my pleasure to lead this team and I look forward to running around with you all again next season.

Go the bird.

Ange Barbaro
Captain 3rd Grade 2021/22

4TH GRADE CAPTAINS REPORT

In year heavily disrupted by COVID and rain, and not troubled at all by wins, there is not a great deal to report, cricket wise.

As always, it's a pleasure to skipper an Emu Plains Cricket side and I thank all the players, partners and families for their commitment to the team and their friendship.

While there are no significant highlights to speak of on the field this year, we did however have the pleasure of welcoming new, future Emu stalwarts Joel Grimes and his wife Claire, who have been a breath of fresh air bringing a passion for cricket, good tunes and tuna sandwiches to our games.

We were blessed to be able to present several Junior to senior caps and I can say on that front the club is in good shape. That remains a wonderful and innovative initiative.

We were honored to have Two life member's in the team and several players who adorn the top five games played, runs scored and wickets taken for this mighty club.

As a group, in spite of our challenges we continued to turn up and mostly, enjoy our weekend escapism.

Finally, we were very well supported by 5th and 8ths grades, always making sure to never see us play short. Greatly appreciated. As a result we used 23 players this year.

Well done to all the teams that made the finals, a great achievement regardless of the outcome and the rain.

Thanks to the committee for all the work they continue to do to maintain Emu's position as the premier club in the district.

Until next September.

Go the bird.

Andrew Luzzi
Captain 4th Grade 2021/22

5TH GRADE CAPTAINS REPORT

As was eloquently put by our President at the previous season's presentation evening, Emu Plains Cricket Club is a true 'powerhouse' club in the District and once again, both our senior and junior teams lived up to this reputation in season 2021-22.

In a season that was impacted upon significantly by torrential rain and the effects of the COVID-19 pandemic, I would like to first and foremost acknowledge the outstanding work of Sam and the committee for keeping the club strong and prosperous during this time. It is their work behind the scenes which set the platform for all our senior and junior teams to perform as well as they did. Your work is always going to be appreciated.

Second of all, the 5th grade team would like to congratulate the juggernaut which is Alex Mullen's second grade Emu Plains side. The side clinched their 4th premiership in a row this season. Alex, your team's success is truly well earned and it is a reflection of the skill and camaraderie which exists in your side.

We would also like to congratulate the ever consistent, 3rd grade side for reaching another grand final which they would have undoubtedly won had the weather been favourable.

Coming into the 2021-22 season, 5th grade were given the challenge to take their premiership side from the season prior up from 8th grade and into the 5th grade competition. It is a challenge which we all relished and as a team, we are most proud to say that we held our own in this competition.

We finished second past the post at the end of the regular season and due to the weather, that is where our season ended as the grand final was unable to be played. Despite the somewhat farcical ending to the season, there is still much to celebrate about our season. Not the least of which is the fact we were able to finish in the top 2 and make a grand final in our first season of 5th grade.

Our results are however, not the thing which I am most proud of this season. What I am most proud of is the 15 occasions on which a member of our 5th grade side filled in for another Emu Plains side. It is a highly regarded principle within the club that 'Emu teams field a full side' and I am proud of the fact that our team was able to advance this principle consistently throughout the year.

On a not unrelated note, our team was also the beneficiary of many players who returned the favour for us and I want to thank each and every player who filled in for us throughout the year. In particular Ben Musgrave, Clayton Chantler, Jacob Tyson and Nicholas Delbridge. Your efforts for our team played a major part in getting us to the position that we got to and our team is beyond appreciative for that. You will always have a place in our side.

The hallmark of our season was truly the continuous 'team performances' that we put in each week. Whilst last season was dominated by outstanding individual efforts, this season was one which saw, the entire team share the workload in our winning performances. Our fielding was as good as it has ever been, our top 6 as a cohort, took on the responsibility of ensuring we made 1st innings runs and our bowling unit continued to build pressure throughout an innings.

Unfortunately, our side will this season say goodbye to two beloved players, Bryce Walton and Michael Elliott who are relocating to various parts of the world. It goes without saying that their outstanding chat, energy and enthusiasm will be missed greatly but that being said, we wish them all the very best in the next chapter of the lives and hope to see them back in an Emu Plains shirt one day.

On a personal note, I want to thank Chris Hinkley for his unwavering commitment to our team and for supporting me in my role as captain. This season Hink was tasked with captaining the side on several occasions and did so seamlessly. In round 3 in particular, he managed to turn what was a team of 4 on Wednesday afternoon into a team of 10 and led them to an incredible victory. Having Hink in the team makes my job remarkably easier and my gratitude to him cannot be understated.

It never ceases to be a pleasure to lead the side which I am privileged to be apart of and it goes without saying that we are all ready to bring home another Premiership in 2023.

Josh Lawson
Captain 5th Grade 2021/22

8TH GRADE CAPTAINS REPORT

Emu 8s had a journey of a season this year. Despite the many challenges of getting a full 11-man squad together for the season, we overcame this to form a solid, tight-knit team with all forms of strength and very few weaknesses. All this culminated in a beautiful squad of boys that just loved being around the bird and wanted to have a fun Saturday.

The season's results may have started a bit rocky but by round 7 we had a 175 – 200 shoot out with Glenbrook Blaxland on that terrible 37 degree day and from that was formed a team spirit that overshadowed anything else we came across.

Whilst we never ended up making finals, the moral was as if we won the entire season. Our passion, fervour and vehemence for the game developed beyond the game but also to the training and post-game formalities. Truly capturing the essence of park cricket. There has never been a greater side to captain, boys from all walks and walkabouts, from Cowra to Cooma, Macquarie to Mulgoa, we found our home in the 8s.

Few highlights of the season;

Gow Park became our impregnable fortress. We even managed to get the council staff to freshly cut the grass at 12:30 right before we tipped off. The game progressed and clearly, we outclassed the 2nd ranked team as Dan Heath Ogden made his maiden half tonne and Jacob Tyson pulled a 4-for as we went on to handsomely beat Springwood. The most beautiful part of the game was James Hill in his debut season beginning his freakish streak in Mid-wicket taking a catch that was essentially moving quicker than the speed of sound and ending the season as our leading catch taker.

Whilst it felt like the game was being played in the Bornean Rainforest, the game at St Johns Oval round 7 was something special. Seeing Tony smash over 90 runs and almost losing half my bowlers to injury or disqualification for bowling head high no balls (Our specialty), despite the loss, everyone's head was high in bewilderment and ecstasy.

On behalf of the Emu 8s I'm proud and excited to announce we have taken the title as the lowest total as our round 9 result to Werrington ended us with 18 runs to our name. Despite all my heroics I could not save us from that. However, my heroics did have one blemish. In our final game of the season, fielding at bat-pad I made the mistake of sitting under a lid and when the ball was sent straight up for possibly the easiest catch of the century, I dropped it in cold daylight. It was still my team's fault.

All the boys had a mighty season and all of them will tell you how great it is to be a part of this team and this club and this sport. Bring on next season and Up the Bird and Up the 8s.

Sam Wheeler
Captain 8th Grade 2021/22

JUNIORS

BATTING & BOWLING – AGGREGATE AND AVERAGE AWARDS – ALL AGE GROUPS

Batting & bowling Aggregate and average awards are calculated on non-finals games only.

Award	Presented to	
Under 10 Red Batting	Oliver Casey	85 runs

JUNIOR BLASTER REPORT

At the start of our cricket season in 2021, we were not quite sure if or when we would be able to start due to Covid & the rules around that. Traditionally the club has started the Junior Blasters program in October running through to December which has always worked well.

We decided to shift those dates starting the program in early February through to mid March 2022 instead, hoping to have little disruption to the program.

We started the season off really well over the first couple of weeks with plenty of kids back on board from the previous season, it was also great to see some new arrivals & their families join in on the fun.

Unfortunately, this Junior Blasters season was disrupted due to record amounts of rain. We only managed to hold 4 sessions across the season due to wash outs.

The coaches & I found this difficult, as we really wanted to work closely with the kids to help improve their skills & make sure they were having as much fun as possible.

We were extremely impressed by the kids improvement across those sessions held & we know that during those sessions that we all had a lot of fun. (Bullrush was a group favourite)

A huge thank you to the parents & family members for your time & effort in helping out each session, a highlight is your commitment to turning up early before the start for a 15 minute free hit with the kids.

Also thank you once again to the coaches in Alex Mullen, Andrew Bugg & Chris Hinkley, all EPCC Senior cricketers. Thanks guys, did a terrific job!

We look forward to seeing you all back on board next season for another year of fun filled activities with us at Emu Plains Cricket Club's Junior Blasters

Well played.

Pat Anderson, EPCC Junior Blasters Coordinator

UNDER 10 RED REPORT

The preseason started with Emu Plains only looking at having enough to field one under 10's side. However, with enough people spreading the word and encouraging others to play we managed to recruit enough boys to fill two teams. Somehow with all this going on I somehow nominated to be the coach for the U10's Red team.

We had 3 new players in our side who hadn't played before but they slotted into the team perfectly and I was really proud of the way the boys welcomed the newcomers. The attitude of this team and the positive energy they bring to each game was outstanding. I couldn't have asked for a better bunch of boys to coach. The same can be said about the parents of these boys who are all easy-going and helpful. Thanks to all for putting in the effort to get the boys to trainings and games. Massive thanks to all those parents that assisted with scoring, substituting and other duties.

Most players had already played a season together and their improved skill level showed through immediately. In the first few games which we won comfortably it was evident that all we needed to do was reduce our wides and no ball count and this team would be hard to beat. This became our focus at training and before long the extras were reduced and some really solid wins began to happen. By mid-February we were still undefeated and were anticipating our toughest game against our nearest competitors (who were also undefeated), the Jordan Springs Stars. This game was going to be critical in determining the overall winner of our comp. Unfortunately though the weather gods decided this game would be rained off and the overall winner was decided on a higher percentage rate so we finished a very close second.

Throughout the year every single player improved in every aspect of the game. They all just really enjoyed playing cricket together, and at one of our games at Glenbrook park couldn't resist a little on-field dance-off to the music from a nearby party. I really enjoyed coaching this great little team and hope they can all remain together for this coming season. Below is a little summary of each of our players.

Aidan: Is our little Mr Cricket. Being our youngest player, what he lacks in age he makes up for in passion. This shows in his ability and energy. He has a great cricket mind, with the ability to decide if he wants to bowl fast, medium or spin. I was happy to let him decide whatever he wanted. He's a handy little batsman too and is destined for cricket greatness – ramp shots on the last ball of the innings may have to wait a few more years though mate. ;)

Beau: Was very keen to improve in every area of his game and showed great commitment and determination to improve. I enjoyed watching his bowling action improve as a result of his hard work. He was a consistent bowler and was unlucky not to hit the stumps more than the stats showed.

Jacob: He was very impressive in the field this season taking 4 catches & getting some great runouts. He finished the season being consistent with both bat and the ball. His highlight was hitting a 6 off his last ball, which sparked a massive on-field team celebration.

Josiah: Was new to the team and slotted right in. He was very handy with the bat and ball and showed really good energy running between the wickets. He only played 6 games but still managed to be inside the top ten for the club's age group with wickets and runs, which is a great effort.

Lachlan: Was another new player to the team. Lachlan impressed me with his eagerness to learn. His ability to listen and try what he was told was outstanding. He was able to learn the basic skills quickly, and with ease. More wickets and runs will definitely come with more game time.

McKinley: Had a really solid and consistent season with the bat and ball, falling one wicket short as the best bowler for the team and only a dozen runs short as the best batter. His highlight was being on track for a hat-trick and just missing out.

Nathaniel: Finished the season as our team's highest wicket taker. He has really improved his accuracy in bowling and is a solid batsman too. His energetic nature and competitive spirit meant that he was always stealing extra runs with the bat.

Nate: Is also another new player to the team. He has a great attitude and seemed to learn with every game he played. He is a very handy bowler and, being one of the stronger boys, could hit a ball really well when he timed it right. He has a lot of potential and with more game time he will continue to improve and play well.

Oliver: Loves every part of the game and has become a very handy all-rounder. He's a natural batsman and scored the most runs for our team this season. He finished with solid bowling stats too and was unlucky not to collect more wickets. Oliver was a team favourite with his cheeky nature.

Mark Williams, Coach

UNDER 10 BLUE REPORT

Wow, what a first season of cricket for this team. With half having played a bit of master blaster and the other half not played any cricket before, this team grew in understanding and skill in every game.

The all round efforts of the boys in games and at training was rewarded with a lot of success, only losing 2 games all year to the 2 teams that finished above us on the table.

Credit to our coach Raj who made a strategic change to training mid season so that the boys could really work on their running between the wickets.

Finally thanks to all our parents, grandparents and siblings who helped out every week, scoring, setting up and at training.

Bring on next year, well done boys!

Tim Gardner, Manager

UNDER 11 REPORT

It was another fantastic year of wonderful performances by our players, not just as individuals, but as a team. Although we lost our first game in 3 seasons, the way in which we played and worked together as a team, not just on this day, but throughout the season was the real highlight.

What I love about coaching is seeing people, especially young people, develop friendships, mateship and sportsmanship through the love of sport. And that is what I see and hear happening with our team. The encouragement, high fives, group hugs, crazy appeals for LBW and laughter is what sport is really all about and I love being out amongst that every weekend.

There were again many outstanding performances throughout the year. Below is a short summary:

Jet – most improved player of the season. Ended the season bowling every ball on the pitch and has learnt the game as the season progressed. I am confident his learning and love of the game will continue to thrive next year.

Heath – a great all-round player who absolutely loves the game. Getting faster every season with the ball, always hitting the ball hard and fielding like Ricky Ponting.

Maverick – I sometimes forget that Maverick is playing well above his age! He has a great eye and wonderful hands. Hits the ball as hard as any 11 year old and can bowl great induckers! I'm looking forward to seeing what Mav will achieve in the years to come.

Tallis – you can't get more enthusiastic than Tallis! So committed and absolutely loves the game of cricket. Also loves to hit the ball as hard as he can whenever he walks out to bat. He loves pushing off the fence, Brett Lee style, hitting the stumps regularly!

Thomas – a great team player who loves to encourage others, give high fives and loves a team huddle. His batting and running has improved considerably and so too has his bowling. Loves wicket keeping and has proven himself to have great hands.

Tim – what a great competitor! Trains the house down every week and on game day gives it his all. As a result, both his batting and bowling are dynamite and consistently performs on game day. Tim is also a brilliant fielder and is super fast between the wickets.

Sunny – perhaps the player of the season. Also a super hard trainer who is often the first one there and last to leave. He has learnt to hit balls through the leg side with ease and loves to steal runs when the fielders aren't paying attention. His bowling continues to impress, terrifying opponents.

Jack O – a great bowler who has learned to control his line and length, often picking up regular wickets. He has worked hard on his off drive and playing with intent, which has really seen his game improve.

Jack M – a great team player who possibly deserved a lot more wickets than he took this season. Bowls great outswingers when he gets it right, often unplayable. His batting will click soon, and when it does, the runs will flow very quickly. Also has great hands and makes a great wicket keeper.

Riley – continues to amaze me with his all-round talent. This year, Riley decided to start bowling leg spin and would throw in the odd wronguns! Truly an incredible talent. His is also a brilliant fielder who is also lightning fast. His batting has continued to improve also.

Lastly, I would like to thank all the parents for their support this year. It is truly appreciated. I would like to give a special thank you to Ann who has again done a wonderful job with the scoring, and for the subtle reminders about calling byes, leg byes and over!

Garry Sheen, Coach

UNDER 12 REPORT

After winning the competition for the last two years in a row we were very keen to back it up for three, but unfortunately the rain prevented us from playing in the grand final. In fairness to the winners, they were the better performed side for the season.

It was the boys first year at traditional cricket, experiencing the highs and lows of getting batsmen out and getting out themselves. We probably took a bit of time to adjust to this form of cricket and learning that you can defend a ball if you want, not every ball has to go to the boundary or over it!!!

The boys are certainly improving and developing into very good cricketers, I have no doubt we will be back challenging for that premiership again next season.

Congratulations to the 6 boys who played with Penrith in representative teams this season, great to see Emu Plains so heavily represented in these sides.

Although our season didn't finish as we had hoped, the boys should be extremely proud of their individual efforts and their spirit they showed playing as a team. I'm very proud to be associated with this bunch of boys they are a lot of fun, very respectful to their peers and opponents, but their greatest attribute is they never give up. They understand how lucky they are to represent our club and the "Red Hat".

Thank you to the parents for all your help with scoring and helping me at training. I appreciate how easy you make my job. Thank you to Rachel Bullus and Kylie Becker for organising the boys end of season gifts. Hopefully I see you all again next season.

Also thank you to Luke Murphy and the Emu Plains Committee for all your support and effort you put into our club. The healthy position our club is in, is a direct reflection of your efforts.

Marty Romer, Coach

UNDER 13 REPORT

Again this season began with the team losing a few players from last season and gaining a few to replace them. Oliver Williams returned from the age group below and we picked up 2 brand new players in Archie King and Travis Berwick.

Coming on the back of COVID and some uncertainty around when the season would start our preparation for the year was pretty short. With the season being shortened and the fact we were allocated 2 byes meant we would only play 10 game's so we were praying for good weather for the season. Unfortunately those prayer's were not answered.

We started the season against Cranebrook and the way the match played out was a sign of how the team's form would be pre Christmas. We bowled poorly for the first 15 overs but came back strongly in the final 15 keeping Cranebrook to a respectable total of 94. We started our innings well and at one stage were 4-50 but proceeded to lose our next 4 for 8 runs.

By the Christmas break we had 2 wins, 2 loses, 2 washouts and a bye.

After the break the team regained the form we have shown over previous seasons as we only dropped 1 game from then on. This had the boys peaking at the right time of year as we showed against Cranebrook in round 10 with our best performance of the season, who were the competition leaders at that point.

We finished the season in third position and had plenty of confidence coming into the final's but unfortunately the rain put pay to that with the semi's washed out.

I would like to congratulate the boys on another great season. They all give their all on the field and back each other and support each other as a team should. They are a pleasure to coach and always show everyone respect.

I would like to thank the parents for their support, especially Kane Young for his help with umpiring and scoring through out the year.

Blake Anderson: Consistent performer who showed some brilliance in the field this year

Declan Casey: Struggled to get going with the bat this year, always dangerous with the ball. Took some brilliant catches in the field.

Jed Young: Showed some real leadership after the Xmas break and was our best all round player in this period.

Dayton Stubbings: Had a good year with the bat and showed what he can do when he picks the right ball to hit.

Oliver Williams: Contributed in all aspects this year. Talented wicket keeper.

Noah McLean: Lead the boys well as captain. Struggled with the bat but contributed well with his keeping and bowling.

Zach Levy: Really improved in his second season, especially his bowling.

Archie King: Improved all parts of his game over his first season.

Travis Berwick: Improved as the season went on, especially his bowling.

Daniel McLean, Coach

UNDER 14 REPORT

Winning the PJCA U14 Premiership really does acknowledge the efforts and ability of the team this past season. An amazing effort of which every players should be very proud of achieving.

Playing our first season of “proper” cricket saw the team having to adjust to a full length pitch, 11 players in the field and attempting to bowl 40 overs in a very limited time frame. We also welcomed 4 new players to the team: Wil, Jacob, Fred and Ryan who transitioned extremely well into the team and added some depth to the side.

Throughout the season the team’s ability to control the game, and in many cases dictate terms, saw the side only lose one match throughout the shortened season. When the side was in trouble, someone would take control and produce an innings or a bowling spell that would turn the match our way. Arguably, our batting line-up was the best in the competition, however I feel our bowling attack, which never gave the opposition a rest was what sets us apart from other teams. The majority of the players in the side can, and did, open the bowling, so the opposition is facing quality bowling throughout their whole innings. That’s without mentioning the spin twins.

I personally would also like to thank all the players on coming together as a team. With a shortened 10 game season, and our dominant performances, it was a challenge to have every player bat or bowl each match. The willingness of players to rotate around and share the opportunities within a game made the season even more memorable. Hopefully next season we manage the full 18 matches and you all get to play more cricket.

A big thankyou to Jim Micsko for your assistance and scoring nearly every match. Also thank you to Paul Hegarty for coaching and umpiring the side on occasions throughout the year. Finally a big thankyou to all the parents for their assistance and support, myself and the players do appreciate it.

A short summary of each player’s season:

Liam Baran: His bowling and batting has continued to develop throughout the season. Consistently landing the ball on a good length will produce more result for Liam. When batting Liam has displayed significant improvement, and he now must just back himself during games to produce his best cricket when at the crease.

Fred Bell: A new player to the side this season, Fred suited the sides culture of attacking cricket. On his day as destructive a batsmen as any player in the competition. His 70 against Springwood showcased his abilities with the willow when the side was in trouble at 3/18. Played some other very important innings for the team where he showed some real patience against some quality bowling. 209 runs @ 34.83 in a short season is a good effort. A more than useful Medium fast bowler and a very useful player in the field.

Ryan Donohoe: A new player to the club this year, and Ryan was really an unknown with regard to his ability as a cricketer at the start of the season. Ryan quickly impressed everyone with his ability with both the bat and ball throughout the season. Batted and bowled a lot better than his statistics suggest. His leg spin bowling baffling the opposition at times. With some luck Ryan's returns for the year would have been further enhanced. He was also a very capable fielder.

Hayden Finn: An amazing 100 against Penrith RSL, off just 63 balls including 9 fours and 6 sixes, (brought the 100 up with a six) highlighted what a clean striker of the ball Hayden can be. His 198 runs @ 66 is an excellent season. Still some areas to tighten up with his batting but Hayden is starting from a good base. Hayden's bowling at times is electric, and if he can consistently bowl the right length, he could become the dominant quick bowler in the competition. A good athlete and dynamic in the field.

Cooper Hegarty: Returning to the club after some seasons away, Cooper's enthusiasm for cricket is infectious. Struggled with a hip injury the first part of the season, but after Xmas really let the ball go and troubled all opposition. 9 wickets @ 6.44 highlights his dominance. If puberty is kind to him and he gets a decent body, batter's beware. Cooper also loves to bat, and really work hard on improving this throughout the season. Unfortunately, limited opportunities this season with the bat, but I'm sure his first 50 is on the cards next season.

Dane Micsko: Continued to bowl his medium fast left arm inswingers on a perfect length. A handful for the opposition with a newish ball, evidenced by his 8 wickets @ 7.63. His left arm deliveries provide a vital 'difference' to our attack which opposition batsmen rarely enjoy. Dane's batting has continued to develop, and if he can bat with confidence, as he did for his 25 against Penrith RSL, then runs will flow for Dane. Dane continues to have the safest hands in the team, snaffling anything within his reach. Congratulations Dane on playing your 100th game for the club this season.

Xander Murphy: Mr Consistent with his bowling, Xander continued to bowl his medium fast inswingers on a nagging length. Many of his wickets were bowled or LBW. Similar to Cooper, waiting for his body to turn up! Most pleasing was the improvement in Xander's batting and fielding this season. His 17 not out when opening the batting really showed his increased confidence with the bat. Xander's catching also improved out of sight. One skied ball Xander caught was a screamer that would have hit the turf previous seasons. Also filled in for our U13 team for a game without a fuss which was appreciated by his coach.

Jack Newman: Continued to develop all areas of his game this season. Maybe did not score the runs he would have liked, however has the technique and ability to score heavily in the future. Jack's bowling continued to be a strength for both himself and our team. Often brought on against the opposition's best batters, Jack's 10 wickets @ 8.27 highlights his ability to bowl consistently at the top of off stump. Another handy fielder who can create pressure on the opposition. Congratulations Jack on playing your 100th game for the club this season.

Ashton Russell: Given the captaincy for the season where he did a great job organising a group of young men and Halle in the field, rotating the bowlers and getting us through our overs in quick time. Ashton also contributed heavily with the bat, where his 331 runs @ 82.75 was the most by any player in the competition. His 104 against Springwood was the highlight of his season, rescuing the team from 3/18 in a great 135 run stand with Fred. Ashton also unselfishly gave up opportunities with the ball to wicket keep for more than half our overs, where he showed himself to be very adept with the gloves.

Taj Savage: Played some important knocks with the bat where his keen eye and confidence came to the fore. His 28 against Hazelbrook highlighting his improved defence and shot selection at the crease. Taj's bowling also continued to develop, with him often getting the ball to swing away from the right hand batsmen. Has the knack of just getting a wicket when needed. Similar to Cooper and Xander in still waiting for his body to arrive. Keen and active fielder who has taken some screamers this season.

Halle Savage: Limited games this season, however her impact, particularly with the ball was impressive. When she finds her rhythm, Halle bowls as quick and aggressive as any bowler in the competition. Arguably has the best run up to the crease in the comp. Her 2 for 0 against Glenbrook Blaxland Lyon won us the game after her opening 2 over spell (then she had to leave for work). Limited opportunities with the bat. Great in the field as always.

Jacob Thompson: Another returning player, Jacob proved himself to be a very technically correct batter who has the skills required to bat for long periods of time. Often opening the batting, Jacob showed he is up to facing the very best of what the opposition bowlers can deliver to him. As Jacob grows physically and the outfields improve, I have no doubt his batting returns will increase. Most pleasing was Jacob's willingness to adopt a more explosive game when required. Jacob bowling also bamboozled oppositions at times, his 3/7 showing when he can land the ball consistently he can be devastating. Jacob also unselfishly wicket kept throughout the season, another string to his bow.

Wil White: Another newbie to the team, and I can honestly say he is addicted to cricket. A tough young cricketer, Wil doesn't take a backward step. He can bat anywhere in the order, from opening the batting to being a pinch hitter. Loves anything short but has really improved his ability to hit the ball down the ground. His left arm medium fast deliveries also added a difference to our attack, where he consistently bowled a good line and length. Enthusiastic fielder who took some screamers this year.

Looking forward to seeing you all next year and trying for a repeat.

Luke Murphy, Coach

UNDER 15 REPORT

Undefeated Premiers for 3 successive seasons a truly a magnificent effort once again. Most of this team have now been together since Under 8s and have developed into a fine cricket team. While disappointed that the final three matches were washed out, including the final, the boys found themselves two wins clear of Springwood and deserving Premiers.

Sarim Ghias: A wonderful season scoring 192 runs at the impressive average of 64. Backed that up with a more than handy 8 wickets and 4 good catches to complete a great all-round season. A delightful young man who works hard at his game and is reaping the benefits of his fitness regime. We always know what we would get from Saarim and that is his best. Played rep cricket again this season in the MYC with success.

Sam Bulluss: Loves a chat. A genuine student of the game who thinks deeply. Another good season with over a hundred runs and an infectious enthusiasm. Limited opportunities this season with the ball due largely to the good form of others. Will work on his catching during the off season. Returned to Rep cricket this season in IDCA competition.

Xander Carstens: Xander had good, consistent year. He topped the District batting scoring 247 runs in just 4 innings. Out just once his average was an out of this world 247. Also topped the district bowling statistics with 14 wickets @4.50. Accurate superlatives are hard to find. Perhaps the most pleasing aspect of Xander's journey as a cricketer is witnessing his growing maturity. Fine cricketer, fine young man. Played rep cricket again this season in the MYC with success.

Cameron Slark: New to our side this season. Another genuine talent. Whether batting, bowling or fielding Cameron has a presence about him. A maturing body, Cameron suffered from a number of niggling little injuries throughout the season, but we are confident that managed properly we will see great things from Cameron over the coming years. A forceful batsman with a lovely selection of shots and a bowler with genuine pace Cameron is developing nicely and has become an integral part of our side. Played rep cricket again this season in the MYC with success.

Louis Dantier: A frustrating season for Louis with limited opportunities in an already shortened season. Missing two of our seven matches due to Covid Isolation and illness Louis was only required to bat twice in the season. Has obvious talent and surely will have many more opportunities next season. An important and respected member of our team. Debut into Rep cricket this season in the IDCA competition.

Zach Williams: Another talented young cricketer who didn't get many opportunities with the bat this season. Restricted to just three innings we had a glimpse of Zach's ability with the bat especially with his composed 16 in what turned out to be the last game we played against Colyton St Clair. Took 6 catches and a stumping to co-lead the wicket keeping stats at district level. Shows developing leadership skills and worked well with captain Mitchell Perry. Played rep cricket again this season in the MYC with success.

Isaiah Ghobrial: Coming off two very difficult years personally, we saw signs of the old Isaiah emerging throughout the season. Playing again with a smile on his face, Isaiah had limited opportunities with the bat but captured crucial wickets and again showed what good hands he has in the field. We are pleased to note that he is taking steps to improve his fitness. Keep working at it Isaiah and give your talents every chance to shine through.

Oscar Becker: Oscar gets better with each passing season. Another who didn't have many opportunities with the bat, Oscar showed that when needed he could produce when it mattered. Bowled well and fielded with enthusiasm. Oscar is one of those players that others enjoy having in the team. At his best when most needed, Oscar is developing a great skill set and a significant part of this talented team. Runs between wickets like a rabbit but needs to realise others aren't as quick to respond. That comes with experience.

Joshua Koutzas: One of three newbies to the team Joshua grew in confidence with each passing match and practice session. While he had limited opportunities with the bat, his bowling became an important part of our frugal attack. Also produced one of the catches of the season to underline his all-round capabilities. Practiced with purpose and proved to be a great listener. Has a great eye and with experience will learn the importance of getting in behind the ball when batting.

Matthew Willetts: Another of the team's newbies Matthew set a high standard in the field. Took several top catches and made first slip his position on the field. Bowls steady left armers with a lovely loop and we have no doubt he will develop into a fine bowler in the Ashton Agar style. Preseason practice with Matthew will revolve around getting him to bowl a consistent line on or around off stump. Another great listener who wants to be the best he can be.

William Capes: There is only one Will Capes and boy are we glad he plays with Emu. A genuine fast bowling talent, Will moves the ball both ways at excellent pace. We couldn't count the number of times Will beat the bat or the ball just passed over off stump. Creates doubt in a batter's mind and, by creating pressure, makes it easier for his bowling partner at the other end. Only required to bat once during the season but has genuine ability here. Our wish for Will is that he will find the self-belief so important in higher grade cricket.

Liam Docherty: Another who didn't get the opportunities he deserved in such a crazy season. Liam has quickly established himself as the team's lucky charm. Playing with the boys in their Under 10 premiership Liam spent two years in Scotland before returning to Australia. Played in the last two premiership sides. A season of few opportunities for Liam but he always turned up ready to give his best. Unfortunately, Liam is moving to Queensland this winter and won't be with boys next season. We wish him well and hope he continues his cricket among the Cane toads.

Mitchell Perry: Last but far from the least. Bowled superbly this season especially after Christmas. Made a small change to his delivery by getting closer to the stumps and was a different bowler. Captured 10 wickets @5.40 with a best of 4/11. Only had the one innings during the season which is a shame because it didn't allow him to build on the huge strides, he made with the bat last season. Captain of the team for the second year Mitch impresses with his calm leadership and positive attitude to his teammates. One of the best fielders in the competition. Played rep cricket again this season in the MYC with success.

Thanks to our wonderful parent group who encourage all our boys. Particularly impressive is your generous praise and acknowledgement of players from the opposition who perform well. Your company on Saturday mornings is greatly appreciated.

Special thanks go to John Capes and his Wizz bang My Cricket scoring. John I hope you know how we are all so appreciative of your contribution to the team.

David Williams, Coach
Ray Hudswell, Manager

UNDER 16 REPORT

What a challenging season.

The under 16's boys, Matt and myself would like to extend a huge thank you to our own David Williams, a key member of the PJCA, Luke Murphy, responsible for our emu junior teams and the extended emu plains committee. With the 2021 winter sport season cut short due to covid the season ahead looked bleak, and added to their challenge the largest rainfall in Sydney that anyone could remember, cricket loomed unlikely.

Fortunately, and especially for our boys in their last junior season we played 9 games in a reduced 12 game season. The boys put together some magical team performances in usually challenging wet conditions. 3 games especially that could have gone either way. These performances earned us 3rd place and another trip to the semis. Once again, we fell short of the big dance due to a washout this time, something that felt unfair for our boys.

Congratulations to Kayden, Mark and Ryan. 3 experienced cricketers who individually put together great batting innings. Kayden, a highest score of 76 not out. Mark, also a highest score of 98 not out, and Ryan a quick fire 36.

Mark, Jake and Cooper lead us with the ball in hand taking many wickets and were complimented with great hands in the field in Joshua, Fynn and Calum.

Always reliant Cooper our all rounder and Harry, who always accepted the hard tasks made coaching easy, not to mention Riley (a 3-11) James (3 catches and a run out) and Muhammad (a 4-11) who also chimed in with creditable efforts.

A quick thanks to Sam Bulluss for filling in and taking the task of opening the bat.

Matt and I would like to thank our boys for the last 7 years. It has been a most enjoyable journey watching you grow as cricketers, refining your skills and representing Emu Plains and further representative levels in Penrith. Above all you are a fine bunch of young men and we wish you all the best as you enter into senior cricket. Congratulations to the boys who made 100 games for the club.

I wish to extend my thanks to all our parents, grandparents and helpers. Your help, be it assisting with coaching, scoring, training, umpiring and support of our team/boys has made the last 7 years a memorable experience.

Dave Gardner, Coach
