COMMITTEE REPORTS

PRESIDENT'S REPORT

Welcome to the 2023/24 presentation.

Before I move on to this season's achievements I would like to say welcome to all of our life members and patrons that are here with us tonight. Sadly I need to report that Tony Hoy, life member, past president and the namesake of our Tony Hoy award passed away in January. Tony was a stalwart of the club and dedicated much time and energy to the Emu Plains cricket club over many years. We honour Tony's memory and extend our heartfelt condolences to Barbara and his family.

On and off the field 2023/24 was a great year for your club. We won the NDCA club championship in seniors, and also won the PJCA club championship in juniors. We won 1st, 2nd, 4th and T20 b grade in seniors, and also won the U12's, U13's U15's and U16's in juniors. This was a fantastic achievement for the club, and reaffirms Emu Plains as premier cricket club in the district.

The ongoing development of our junior teams and the integration of junior players continues to work very well. We once again had several junior players making their debut into senior sides.

The Woolworths Junior Blaster program ran again this year, huge thanks to Pat Anderson, Chris Hinkle, Matt Large and Brenton McFadgear. It is great to see these young kids head out onto Dukes oval and get a taste of cricket. I hope we see many more of these players come through to play for our senior sides.

Finally, I need to thank all of the committee for all of the hard work that goes into making this club the premier club that it is. I would like to thank Alex Mullen and Heidi Vanderlen for joining the committee this year and doing an amazing job. I would also like to acknowledge all of the work that all parents, coaches and helpers do for the club, it is appreciated.

I would like to thank our major sponsors, the Emu Sports Club and Metwest Engineering. Without the ongoing support a lot of our programs would not exist. I ask if you or any organisation you know of would like to become a sponsor or join the committee contact myself or any of our committee.

Go the bird!

Sam Barbaro, President

Alex Mullen, Treasurer

SENIOR SECRETARY REPORT

A familiar person once commented on Emu Plains being the powerhouse of the Nepean District Cricket Association. This was proven true once again through an outstanding year. The club has continued with its recent great record by posting fantastic on-field results, special even for us, and one that makes Emu Plains the envy of many clubs in the district.

We have won the senior club championship (again) and the junior club championship. Well done to all of our players, coaches captains, and volunteers without you all these results would not just keep happening.

For this year, we are;

2023-24 1st grade premiers.
2023-24 2nd grade premiers.
2023-24 3rd grade minor premiers.
2023-24 4th grade premiers
2023-24 5th grade 5th place.
2023-24 6th grade semi-finalists.
2023-24 U16s premiers
2023-24 U15s premiers
2023-24 U13s premiers
2023-24 U12s premiers
2023-24 T20 B grade premiers

What is especially pleasing is that we continue to fill the top grades in the NDCA and are successful in doing so.

Coupling our senior results with the junior successes, Emu Plains remains, thanks to you all, the powerhouse of the Nepean district junior and senior competitions.

On the field

In 1st grade, Luke Stanowski took over the reins of first grade as Daniel O'Brien "retired" to look after his son's junior team. Thanks to both of you for stepping up into those roles. The first-grade squad started the year with about 10 players, needed plenty of fill-ins, and gave many juniors, and some not-so-juniors, the opportunity to fill in. They all worked hard. While it didn't look likely at the start of the season, this group has once again won a first-grade premiership. Well done to Luke and the squad on your outstanding result, beating the Hawks in the first stand-alone grand final was a great effort.

Alex Mullen's 2nd grade team, having won the previous 4 of the last 5 competitions in 2nd grade again led his team to another grand final and won. Congratulations to Alex for leading the team to its 5th premiership in 6 years. This team's success in this grade is certainly something to be proud of and makes all our grades want to emulate this team. The young RSL team will have taken some lessons from our team and will be a force in this grade in future seasons.

3rd grade finished the year as minor premiers by a long margin, being dominant throughout the season. The old guys continue to upset many younger players throughout the district. Unfortunately, the team dropped their bundle in the semi-final and was beaten by Werrington. As some players in this group move towards part-time play in Veterans competitions, this season will be looked back at as the one that got away.

Craig White called to say he would like to put a father-and-son team into the competition. And what a team it was. The only space left was a fourth-grade spot, and the results speak for themselves. While some games were lost due to junior rep duties, this team dominated the final series winning the semi-final by 140 runs and chasing the grand final total with only 4 wickets down. With several hundreds, Craig had a remarkable season personally, gave all the young kids great opportunities and thoroughly deserved the rewards. We look forward to seeing this team continue well into the future.

In 5th grade after several years as captain and organiser, Josh Lawson's career finally caught up with him and Josh passed the reigns to Pat Kamlade who was helped by Clayton Chantler. Our thanks goes to Pat and Clayton for helping to organise this team and for fitting in players from the disbanded 7th-grade team. While 5th grade did not make the finals, they did finish the year much stronger than they started, building a stable and talented group of players along the way that will surely grow into a finals-contending team very quickly.

In 6th grade, Pat Anderson did an outstanding job of leading a combined team of the previous seasons 7th grade team while making sure everyone in that squad were given game as much game time as possible. Thanks for stepping up Pat. After a rocky start, Pat's team made it into the semi finals and were competitive throughout. With a stable start to the season this squad will grow into a premiership winning team very quickly.

Off the field

We strongly encourage all of you to support our sponsors at every opportunity. Our shirt and sleeve sponsors Metwest Engineering and Sommers provide funding or gifts every year and without the sponsorships, we would not be able to run the programs that we run, and we thank our sponsors for their support.

As we look to the future our club commitment to juniors will continue. Our free registrations into the senior competitions for juniors will be extended for another year. We will continue to provide opportunities for juniors to play in the senior competition and are committed to building our club by nurturing our youth.

We are also expecting changes to the NDCA this year, with the amalgamation of NDCA and PJCA. We anticipate this merger will provide clearer pathways for our junior players into senior and representative teams and as a committee we support this merger. We will be looking for your feedback in this off-season.

Finally, thank you to my fellow Committee members for the tireless hard work they all completed throughout the year. Getting all the players on the field, in uniforms, registered, and having fun every week is a big job. Special acknowledgment goes to Heidi and Alex who have both stepped into the committee and done fantastic jobs. Note that your committee is not getting younger and for those who would like to join the committee, please do make yourself known. Many committee members have served for well over a decade and will be looking for others to help with an orderly transition to new committee members.

Congratulations once again to everyone involved in the Club for a successful and enjoyable season.

Ange Barbaro, Secretary

JUNIOR REPORT

First and foremost, I am thrilled to announce that our club has seen success this season with four premierships wins across different age groups. Our under 12s, under 13s, under 15s, and under 16s teams have all clinched the premiership title, showcasing the exceptional talent and dedication of our young players.

Furthermore, our under 16s team has achieved an extraordinary feat by securing the club premiership for three consecutive seasons, demonstrating their unparalleled skill and commitment to the sport- what a way to finish up an outstanding juniors career for some of our players who will be moving onto seniors cricket.

None of this success would have been possible without the tireless efforts and dedication of our esteemed coaches. I extend my sincerest gratitude to Matt Steele, Anthony Sacco, Kirk Watkinson, Rydall Govender, Mark Spiteri, Mark Williams, Daniel O'Brien, Marty Romer, Daniel McLean, and Luke Murphy for their unwavering support, guidance, and mentorship throughout the season. Your dedication has played a pivotal role in shaping our young players into the champions they have become.

I would also like to take this opportunity to express our heartfelt appreciation to the committee and sponsors for their incredible support and assistance both on and off the field. Your generosity has provided our teams with the resources and opportunities needed to thrive and succeed.

Last but certainly not least, I want to extend a special thank you to the parents for their unwavering support and dedication. Your presence at every match, cheering on our young players, is truly invaluable and greatly appreciated.

In conclusion, Thank you all for an amazing season and I look forward to seeing you all back later in the year for what I am sure will be another stellar season.

Heidi Vanderlem, Juniors Secretary

PERPETUAL TROPHY WINNERS

KEITH COLEMAN MEMORIAL SHIELD (SENIOR ALL ROUNDER)

Awarded to the Senior Player who has accumulated the most points during the season. Points are allocated for the 1st innings of each game, semi-finals and finals excluded. Allocation of points is outlined in the constitution.

Craig White 806 Points

TONY HOY SHIELD (SENIOR CRICKETER OF THE YEAR)

Awarded to the senior player who has accumulated the most points, obtained from each round. Players doubling up with a second team in the same round shall also be included. Players from each senior team shall vote at the end of each round on best performed player. Points shall be awarded as 3 for the player who contributed the most to the match followed by 2 and 1 for the next best performed players. At the completion of round 14 player's points are to be tallied.

Wil White 23 Points

DAVE RISTAU MEMORIAL TROPHY (SENIOR WICKET KEEPER)

Awarded to the senior cricketer with the most dismissals as a Wicket Keeper during the Season.

Luke Stanowski 23 dismissals

CRAIG HUTHNANCE MEMORIAL TROPHY (1ST GRADE CRICKETER OF THE YEAR)

Awarded to the most outstanding player in the first grade team for the season, final games included. Allocation of points is outlined in the constitution.

Brenton McFadgear 417 points

A & E RISTAU AWARD (U/21 BATTING AGGREGATE)

Awarded to the player (Junior Competition only or Senior Competition only) who is under the age of 21 years at 30 September of that season, who has scored the most runs for the Club. Competition matches only – semi & final games not included.

Maverick Kennedy 500 Runs

THE HALLY AWARD (U/21 BOWLING AGGREGATE)

Awarded to the player (Junior Competition only or Senior Competition only) who is under the age of 21 years at 30 September of that season, who has taken the most wickets for the Club. Competition matches only – semi & final games not included.

Wil White 23 wickets

SENIOR CATCHING AWARD

Awarded to the senior player that has taken the most catches as a fielder (non-wicketkeeper) in competition rounds only. Finals games are not included.

Jack Bragg 11 catches

CLUBPERSON OF THE YEAR

Awarded to the person deemed to have contributed the most to upholding the spirit of the Club during the past season. The winner, chosen by the Executive Committee, may be a player (junior or senior), a committee member, a coach/manager, a parent, a supporter or any combination of these. It is not compulsory that the award be given if an appropriate candidate is not nominated that season.

Not Awarded

SHIELD OF SHAME (MOST SENIOR DUCKS)

Awarded to the senior cricketer who has achieved the most ducks during the season.

Mitchell Coppola and Nathan DeCelis

4 ducks

SENIOR ROOKIE OF THE YEAR

Awarded to the senior cricketer playing his first full season in seniors after having played the previous season for Emu Plains juniors. The award recognises performance as well as what the recipient has contributed to upholding the spirit of the Club.

Wil White

LONG SERVICE AWARDS

OFFICIALS (EIGHT YEARS SERVICE)

At the completion of eight years' service as a coach, manager or executive committee member (or a combination of these) the Executive Committee may approve by majority vote the award of a Long Service Award to such person. Service need not be continuous.

Nil

SPECIAL SERVICE AWARD – UNDER 16 YEARS

Players who play continuously with the Club from Under 9 to Under 16 shall receive an award at the annual presentation in recognition of their contribution to the Club. Team Coaches and Managers who meet the criteria shall also be eligible to receive the award.

Dane Micsko
Jack Newman
Xander Murphy

SPECIAL SERVICE AWARD – SENIORS

Senior players who have played with the Club for a period of ten years shall receive an award. Years of service need not be consecutive. Records commence with season 1989/90. Service prior to those years has not been accurately recorded by the Club.

Nil

100 GAME CAPS

Awarded to players who play 100 games for the club, without breaking that service to play for another club within the Nepean/Penrith District.

Jarrold Proctor
Jack Savage
Benjamin Jeff
Liam Hall
Ryan Morley
Bryce Walton

1ST GRADE CAPTAINS REPORT

In a season that seemed more unpredictable than a kangaroo on a pogo stick, Emu Plains First Grade soared to unexpected heights, clinching not just victory, but the ultimate bragging rights – back-to-back Grand Final triumphs!

Despite missing five key players from last year's winning squad, First grade proved our depth and class. With over thirty players donning the red cap for first grade this season, I would like to thank everyone who played with us this year.

With the bat, Bryan Morris, Paul Callaghan, Luke Gale, Ashton Russell, and Brenton Mcfadgear all smashed half-centuries during the year.

On the bowling front, Brenton Mcfadgear was the spearhead, leading the charge with his precision. Robbie Pears pace unsettled opponents and who could forget Jacob Bulluss's magnificent 6 for 67.

What really matters are the finals

In a rain-shortened semi we faced off against Springwood.

Despite Springwood's vocal confidence, we showcased our prowess with the ball. Bryan Morris, like a wizard conjuring spells with the cricket ball, mesmerized the opposition batsmen, claiming a magical 5 for 26. Not to be outdone, Brenton Mcfadgear joined the party with a stellar 4 for 43, leaving Springwood's batting order in disarray. Adding insult to injury, Paul Callaghan's two catches at first slip dented Springwood's hopes of a substantial total.

With a target of 103 from 41 overs our batsmen approached the crease with determination and focus. Luke Gale and Bryan Morris set the stage on fire, tearing apart Springwood's bowling attack notching up half the required runs in their explosive partnership.

Guru, the silent assassin, swooped in to deliver the final blow, effortlessly finishing off the chase in 28 overs with clinical precision.

What really really matters are grand finals.

While Hawks strutted in as minor premiers, boasting an impressive record, we remained their kryptonite, having eluded defeat against them all season long.

Winning the toss and opting to bowl first, Bryan took the initial wicket before dashing off to attend a wedding, the bowling unit operated like a well-oiled machine, snaring wickets at regular intervals.

Brenton Mcfadgear, Eddy, and Robbie each chipped in with crucial breakthroughs, keeping the pressure firmly on Hawks. However, it was the masterstroke of introducing Paul Callaghan into the attack that proved to be the turning point. Paul struck with his very first ball, removing Hawks' best bat from the equation. And if that wasn't enough, he sealed his brilliance by dismissing their second-best bat with the final ball of his spell.

Chasing a modest target of 80, we approached the task with patience and determination. It may have taken 61 overs for the loss of 6 wickets, but every run was earned with sweat and toil. Jacob Bulluss's sturdy 26, Brenton Mcfadgear's resilient 17 not out, and Bryan Morris's 9 off 90 balls epitomized the grit and determination of the Emu Plains season.

We done it – back-to-back premiers.

Luke Stanowski
1st Grade Captain 2023-24

2ND GRADE CAPTAINS REPORT

2023/24 pre-season was here before we knew it, and after falling short in the previous year's grand final we were keen to get stuck in and try and attempt 5 wins from 6 years.

Losing Dean who decided to move his little family up the coast and Jesse Shandler from last year's grand final team we gained 2 top-order batters, In Jack Bragg and Grant Sutherland. Turns out they could bat, bowl, and field and were very handy cricketers to add to our side, Just ask them! We also had a player swap with Brad Dodd who dominated in Patty Andersons team and we gained a former EPCC rookie of the year in Will Foote, who could turn up late and talk to opposition batters, which annoyed his teammates more than any opposition. We also gained an all rounder and a player we versed for years but have plenty of mutual respect for in Tim Stubbs, who would prove a vital key member in our title chase.

We finished the regular season as minor premiers, only the 3rd time we have achieved this as a group. We dropped 2 of our first 4 games and due to other results found ourselves 16 points away from first. Playing catch up for the rest of the season we only dropped one more game. We played some very strong cricket this season but definitely was the rewards of having 11 players from our 15 man squad every week, we only borrowed players on two occasions. As I always say it takes a squad to be successful and win comps.

Adding some classy batters to our side this year we had Jack Bragg lead the way with our runs, with a fantastic season opening the batting and hitting 518 runs at 43.17. Buggy and Jack as I say every year, the glue to our batting with both hitting over 270 runs and averaging over 20. Buggy coming home strong and standing up when it mattered with 2 man of the match performances in the biggest 2 games of the year. Buggy hit 92 runs in his last 2 digs, hitting his first 50 of the season in the big dance with a 6 in the late overs of our innings. Muzz, Ayush, Jarrod and Harrison also all hit over 100 runs having handy contributions throughout the season.

Our strength was our fielding and bowling once again. We don't look like anything special with the ball as we get told with every walking batsman. Although our fielding is just so strong and able to tie batters down and starve them of runs bringing on losoe shots. Grant became our go to bowler. Whenever we needed a wicket we brought this man on and with 26 wickets at 8 he had a fantastic first season. Shandler was massive for us opening again and was unlucky to miss the grand final through injury. Muzz, Jarrod, Stubbs and both Harrisons and even Jack Sava all had big contributions for us with the ball but it was big Ryan Gregory who stole the highlights. Nursing him all season through a pec injury, we rested him in the semi-final and brought him back in for the big dance. He left nothing out there with 3 for 28 from 10 overs, including the best 2 batters in the grade he put us on his back and got us over the line in an equal with buggy man of the match performance.

In a great end to the season we played Glenbrook Blaxland in our semi final, which always seems to be a close game. They had us in some early trouble before we fought for the rest of the innings to scramble to a defendable total. Nowhere near enough but we made it work. At one stage taking 5 for 0. We defended 108 by bowling them out for 68. Onto the big dance we took on the young guns Penrith RSL. We played them 3 times in the season, with them never having their full strength side we won all 3 comfortably but that meant nothing come the grand final. With rain around and day 1 being a bowling day we didn't want to leave the toss to chance so all our batters were mentally ready to bat and get runs on the board. As it turned out we batted first and fought hard to post 9 for 122 off 52 overs. Now over to our strengths our bowling and fielding stayed up all day and never made it easy for them. We took key wickets when we needed to and bowled them out for 105. A very tight but satisfying grand final win. With 13 players contributing in the final (12 and 13th man fielding) just shows that it takes squad efforts to win comps. Job done! 5/6. See you next year- GTB

Alex Mullen
Captain 2nd Grade 2022/23

3RD GRADE CAPTAINS REPORT

Firstly, I'd like to congratulate Luke Stanowski, Alex Mullen and Craig White on their success in 1st, 2nd and 4th grade grand finals, outstanding effort by all. Congratulations to Pat Anderson and Pat Kamalade on your respective seasons, well done to all.

The third-grade squad had little change this year and had an outstanding regular season easily beating all in our path except for one loss, and the loss in the semi-final. We really did leave our worst game to last, having made the finals easily, and coming against a team that was short for the semi-final game. It really was a poor batting effort. It was and remains disappointing to us all that we lost this game knowing that the chances for our club to win 1st, 2nd, 3rd, and 4th grades in one season don't come around often.

We have all reflected on this and now positively look forward to next season with our commitment to one another undeniable.

Whilst we experienced a disappointing end to the season, all our players contributed to an otherwise successful season.

Showing it was no fluke, Jimmy McPherson has doubled up on his achievement of outscoring Chris again with a solid year scoring 261 at 26.1 with a high score of 91. Jimmy also stepped in and looked after the team while I was away and his help with this is always appreciated. While Jimmy's total was impressive, he was outdone by a great season tally delivered by Tim Boyce, who scored 307 at an average of 34.1 including 4 half centuries. Given the state of our grounds this year, they are impressive totals with good averages. Tim also stepped into the keeping role for most of the year and contributed with 7 catches for the season. Well done Tim, a great team contributor.

Our newest team members also had very good season's this year with Guru outstanding for us also scoring a total of 307 at 30.7 including a devastating 75 against St Clair, where the ball literally had the cover hit from it. To complement his batting Guru also bowled some very good spells and ended up with 14 wickets at 9.48. Guru also filled in for many other sides and is enjoying his unlimited day passes contributing to every team he plays for. Thanks for filling in Guru, the other teams all appreciate your help. Lehal continued to open the batting every week for us and put many attacks on notice, to and over the fence on his way to 177 for the season. With some limited batting opportunities, Taj scored 70 runs and bowled some very good spells to end the season with 9 wickets. For Taj, the season starts in December and the games at 2pm.

With some friendly competitive banter, Chris Tonks was beaten out of the aggregate but still scored 129 at an impressive average of 43. Chris was only able to play 6 games for us this year and the others will be looking over their shoulders if Chris can get onto the park for more games next year.

Justin McColl continues to grow into the best cricketer in his family and is becoming the most valuable player in our side. Our success in the future will be through players like Justin as the older players in this team take more time off to play in over aged competitions and make room for younger players to move up the grades. Justin scored 182 runs at 30.3 and along Mark Roser took 22 wickets. Marks' contribution throughout the year was fantastic, outscoring many batters while batting most weeks at 11 with 80 runs at an average of 20.

While Justin and Mark had a very good year, all of our bowlers did very well and we remain the best bowling team in the grade. Jim Micsko as always contributed both on and off the field, helping me with all the off-field administration and ending with a very good season tally of 16 wickets. With a little more reliable catching Jim could easily been our highest wicket taker for the year. Jim's on-field effort throughout the seasons, and off-field work with us at Emu Plains and as part of the district committee is immeasurable and is truly underestimated. Thanks for all you do Jim, it is appreciated.

Luke Downie continues to be the most generous caterer in the district and even extended to away games for the over 50s representative team. Your continued generosity in catering week in, week out, is appreciated by all. I've received complements on your behalf from umpires, opposition members and the curators. Luke's batting with a total of 60 and fielding was good again this year, as is Lukes tireless enthusiasm to help out wherever he can. Thanks for being part of this group. Sam Barbaro and Lee McColl continue to selflessly give up their batting and finals spots for the benefit of others and contributed every time they played with us. Dave Hanrahan continues to run too much for our liking. We look forward to seeing Dave more often as his other commitments allow. We don't get to see all three of these batters as often as we would like. All still remain very good cricketers.

I'd also like to recognise our fill in's this year. In many ways, the club is successful due to the willingness of our players to help other grades as required. Our junior and seniors working together is the envy of other clubs in the district. Craig, while you didn't hit the double hundred for us, nor even a century, we appreciated you filling in and congratulations on your return to the game. I was great the see Flynn Carstens coming in at 3 for us, bowling 6 overs and taking a wicket was awesome. And to Tony, the trip down from QLD for the end of season trip was a great effort, let's go one better next year and complete a game too.

We didn't win our final this year, but we did play in a very good spirit all season which is just as important. In a repeat from last year, It feels like this season was one that slipped away. Although having beaten every other team, finishing first by a big margin is something we are all proud to have achieved.

Winning the shield remains this squad's goal, and it is not beyond us.

It continues to be my pleasure to lead this team and I look forward to running around with you all again next season.

Go the bird.

Ange Barbaro
Captain 3rd Grade 2023/24

4TH GRADE CAPTAINS REPORT

After a few years (a lot) in the wilderness, a few fathers decided to enter a father and son team in the senior ranks. With all our boys playing their junior cricket with Emu Plains we were placed in the 4th grade competition.

We started the season with six 14/15 year olds and the rest of the team was made up with mostly over 50's. Our first game of the season we went down to Penrith RSL after dropping about a dozen catches.

We lost a couple of young fellas into the grade system but that didn't stop us. We were on a roll and went on to not lose a game up until the Christmas break. We had some great individual and team performances to get us that far.

In the new year we kept the roll on and finished the season only losing round 1 and went into the finals as definitely the team to beat.

We disposed of St Mary's leagues quite comfortably in the semi finals.

We faced Penrith RSL in the final. With them beating us in round 1, we did get revenge by winning the next two games comfortably.

Day 1 of the final was washed out, day 2, we won the toss and bowled. We had them 9/104 after 40 overs. After an unbelievable opening stand from father and son, Andrew and Henry 46 (75) we were in the box seat and passed them 4 down to take the premiership.

Special thanks to the club and all that helped fill in when we had the kids reps and some grade commitments.

It was a pleasure playing with Emu Plains and with our sons and hope to go around again.

Craig White
Captain 4th Grade 2023-24

*** Editor's note: In typical captain's fashion Craig White does not mention that he had an outstanding year and deserves special recognition. Craig had an outstanding year with the bat hitting 706 @ 88.25 including 272 NO, 117 NO and 174, in the 4th Grade Semi Final. It is great having you in the club Craig and we look forward to many more seasons.

5TH GRADE CAPTAINS REPORT

The 2023/24 season was another successful season for Emu Plains Cricket Club, winning eight premierships across our junior and senior teams. Our club showed once again we are a true powerhouse club of this district.

Our 5th grade team would like to congratulate Luke Stanowski's 1st grade team on winning back-to-back premierships, Alex Mullen's 2nd grade team on continuing their Panther-esque domination over their grade with winning their fifth premiership in six seasons, and Craig White's 4th grade team on winning their premiership which is made even more remarkable considering it was their first season together as a side. We would also like to congratulate the 3rd and 6th grade teams on successful seasons with making it to the semi-finals in their competitions.

Although not making the finals, we had many achievements and milestones to celebrate throughout the season. This included Jake Couchman making his first century, Clayton Chantler making 500 plus runs over the season, Robbie Bates making a half-century with one eye, Nathan Decelis taking his first 5fa, and Keith Parker and Josh Lawson continuing their success with the ball for another season by taking a 5fa and 6fa respectively during two of the best spells our team had this season. After many seasons of playing cricket together as a side and as close mates, it was also special to have Ryan Morely, Bryce Walton and Liam Hall record 100 club games and Chris Hinkley and myself record 200 club games. The majority of our team also enjoyed some premiership success in the side we formed for the T20 competition.

We also had the pleasure of welcoming Joe Kolodynski, Samuel Wheeler, and Tai Lovett into our team during the season.

On a personal note, I want to thank Josh Lawson for everything he did for our side as captain over many seasons. As captain, Josh led us to a premiership victory and three back-to-back grand final appearances as we moved up the grades. Amongst this success, Josh also created a great team environment, which has meant many enjoyable seasons of playing cricket for me. I also want to thank Josh for many aspects of this report, luckily, there's no plagiarism checker for it.

We look forward to next season and challenging for another premiership victory. For one last time this season, Go the Bird!

Patrick Kamlade
Co-Captain 5th Grade 2023/24

6TH GRADE CAPTAINS REPORT

This season saw us turning up with a great deal of optimism after our 6Th Grade Grand Final appearance last season. We were missing a couple of key players who were unavailable this season, so we needed to rebuild.

We started the season playing three two-day matches, round one started with an outright loss, the next two losses we held off an outright. Not an ideal start.

Our squad saw the addition of 3 young players, aged 20, 17 & 16, which was welcomed by the senior members of our squad, who were all terrific in supporting these young men from start to finish.

One of our young guns Oscar Becker played his first full season of senior cricket, scoring his maiden half-century with the bat, finishing the season 194 runs. Oscar also opened the bowling on occasion, taking 9 wickets including a couple of awesome clean bowled deliveries.

Fynn Carstens, another young gun, showed us his talent straight away with his bowling. Fynn had many batsmen in trouble with his accurate bowling. He managed to take 19 wickets for the season, including his best spell of 5/27 off 16 overs in his first senior finals appearance against the benchmark. Fynn did not stop in the field all day, impressively, putting in even more so after his tough long bowling spells.

Lincoln Heidtmann at 20, has been playing for only a handful of seasons with us. This season Linc hit 144 runs with the bat, with some cracking shots. Linc has never played any junior cricket, so it was really good to be able to work with him this season. He is an out & out quick with the ball, early on in the season we did some work with his run up, something that he hadn't looked at too much before & the improvement in Linc's bowling was outstanding, in no time, stumps were going out of the ground everywhere with 16 wickets taken.

Old Boys Highlights –

Aus Longhurst scoring a ridiculously fast ton, finishing with 145 runs for the match.

Jeff Wales coming in at 7, knocking out 90 not out, in a must win match to make the finals.

A big thank you & congratulations to our original squad members, Jack McAnally-Elwin & Mitch Harley, first season at the club, great blokes to have around the team, both realising that our 1st Grade were short on numbers, they mentioned that they would be happy to play there to help out the club. They finished the season as 1st Grade Premiers! Well done fellas.

Congratulations to 1st 2nd & 4th Grade on your Premiership wins! And thank you to those who helped fill in throughout the season.

Overall, a great season had, thank you all & as always, 'Go The Bird!'

Pat Anderson

Captain 6th Grade 2023/24

JUNIOR AWARDS

BATTING & BOWLING – AGGREGATE AND AVERAGE AWARDS – ALL AGE GROUPS

Batting & bowling Aggregate and average awards are calculated on non-finals games only.

Award	Presented to	
Under 9 Batting Award	George Hooke	46 runs
Under 9 Bowling Aggregate & Average	Liam Drew	11 wickets @ 7.91
Under 9 Coaches Award	Patrick Treharne	
Under 10 Batting Award	Marley Lopez	126 runs
Under 10 Bowling Aggregate & Average	Malakai Lopez	16 wickets @ 3.94
Under 10 Coaches Award	Austin Anderson	
Under 11 Batting Award	Jack Douglass	131 runs
Under 11 Bowling Aggregate & Average	Jayden Denner	15 wickets @ 4.87
Under 11 Coaches Award	Jayden Denner

CRICKET BLASTER REPORT

Our EPCC Cricket Blast Program was once again a 9 week program for this season. We managed to get 7 sessions in throughout the season, with a couple of weeks of rain disruptions in between.

We had a big increase in participants this season & welcomed back many from our previous seasons, which was terrific.

A huge thank you to our coaches, Chris Hinkley Matt Large & Brenton McFadgean for all your help throughout the year with keeping the activities flowing & making sure all of the kids had plenty of fun along the way. It is really appreciated & extra special as all three coaches are all current senior cricketers here with us at Emu.

A big thank you to all of the parents & family members who came out on the field to help out & support the program so well.

The 15 minute free hit warm up between parents & the kids before we start the morning, was once again the real feature.

Special thanks to our club President Sam Barbaro for coming down at the start of the season to welcome all participants & their families to our club, & also in helping close the season by coming along to our last session, to cook a BBQ for the kids to enjoy.

The coaches & I are really proud of all the kids efforts with this program. We look forward to seeing you all back next year with us at Emu.

Until next season, Thank you all!

As Always,

'Go The Bird!'

Pat Anderson, EPCC Cricket Blasters Coordinator 2023-24

UNDER 9 REPORT

A late split and formation for this team, with 5 of the 7 new to cricket including the parents these kids formed a wonderful bond and grew as individuals and as a team. They tried very hard every match and were determined to win, and for a bunch of first timers were rewarded for their efforts with some amazing wins and close losses. Our team quickly became its own little community and mentions must be made to Anne Sacco (our dedicated scorer), Benn Treharne and Trent Auld who umpired most of our matches. Hopefully the kids enjoyed their first look at competitive cricket and I look forward to seeing their development over the next few years. Special mention to Heidi Vanderlem who was a constant resource for a group learning the ins and outs of kids cricket.

George Hooke, our swashbuckling batsman, scored plenty of runs, threw himself around in the field to prevent runs, took his wickets and was our teams Mr Cricket. Future Mike Hussey.

Leah Guggemos, our team socialite, always up for chat, Leah was technically sound with her batting, her left handed bowling improved out of sight and was always a bundle of energy in the field. Great season Leah.

Patty Treharne, Patty's first year in cricket, he started out timid and shy but with hard work and training he was rewarded with many runs, wickets and excellent fielding with the gloves at keeper found his place within the team. Well done Patty.

Oliver Sacco, our strike bowler who literally ran off the back fence, took some awesome wickets, threw the stumps down with his rocket right arm, made his runs and was instrumental in making sure the team had fun every weekend with his antics. Congrats on a great inaugural season Ollie.

James Auld, one of our late comers and first time cricketer Jimmy trained very hard and was determined to improve every aspect of his cricket. He did so successfully to score plenty of runs, take lots of wickets and show impressive fielding. Perseverance pays off Jimmy, you never gave up, and by seasons end you had improved every aspect of your cricket. Keep up the great work.

Liam Drew our last member to join, Liam scored plenty of runs with the bat and took a lot of wickets with his fast and consistent bowling. Moved around the ground with lightning speed and was instrumental in many run outs. Congratulations on an amazing season Liam.

Max Steele, our all rounder, Max batted well, bowled well but excelled in the wicket keeping position. He took many classic catches behind the stumps, lost count of the number of run outs he secured and was generally as safe as a house behind the stumps. Max's first year playing cricket and he quickly learned the ins and outs of the game. Well done Max.

Matt Steele, Coach

UNDER 10 REPORT

We went into the first game of the season with excitement. We came up against a very well drilled Jordan Springs team, that proved too strong for us. With registration numbers growing the decision was made to add an Under 9's team and split the team. With the teams finalised we were able to settle into the season nicely bouncing back quickly from a first-round loss to win our second match. Winning quickly became contagious for the team. They performed well all season improving each week not losing another game for the rest of the season. While the results were great the most pleasing this season was watching the boys learn and improve each week and their love of the game grow week in week out.

The team was blessed with a great bunch of parents who were all willing to jump in and help throughout the season. Our manager Terri Lee, thank you for always being on hand at training and game days. Amber Anderson who helped scoring and teaching our parents how to score. Your patience and generosity was greatly appreciated.

Austin: Always a pleasure to coach, Austin always listens and applies himself every training session and game and always gets the best out of himself. Austin improved each week with his in-swing bowling. He was very strong square of the wicket hitting boundaries regularly.

Carter: Truly fell in love with this great game this season, Carter's will to improve through the hours of practice this season seen him improve each week. He put an emphasis on his batting technique that will serve him well for the rest of his cricket days. With the ball Carter was consistent with his out-swing bowling taking 12 wickets for the season.

Kingsley: In his first season of cricket Kingsley worked hard all season learning and improving each week. By the end of the season Kingsley was taking catches in the field, and his bowling improving out of sight. He finished the season with his best batting performance of the season walking off the field with a smile from ear to ear.

Malakai: With a strong technique with the bat Malakai puts a high price on his wicket. With the ball in hand Malakai excelled taking 16 wickets @ 3.94 including a hat-trick during the season. In the field he was just as strong with run outs and taking catches.

Marley: A big hitting left-handed batsman who topped our run scoring with 126 runs. Marley proved a handful for opposition batsmen with his quick left arm in-swing bowling. Marley also took the most catches for the team.

Marshall: New to cricket this season, Marshall dived head first into everything he tried. Marshall worked hard learning the game. Marshall showed that hard work and persistence pays off with his batting and bowling improving throughout the season.

Max: Was strong with the bat, putting bad balls away to the boundary while keeping the opposition on their toes with his running between the wickets. Max worked hard with the ball in hand with his bowling improving each week. In the field Max was a ball of energy working hard pouncing on the ball.

Oliver: Took cricket like a duck to water. Oliver showed his natural ability with bat, ball and in the field. Each week Oliver's bowling improved bowling tighter lines more consistently. With the bat Oliver had an eye like hawk hitting the ball hard. Oliver showed lightning speed running between the wickets. In the field Oliver proved to have a safe pair of hands.

It was a pleasure to be given the opportunity to coach these boys this season. I'd like to thank the committee for their help and support this season, without your hard work our boys would not be able to play this great game.

Rydall Govender, Coach

UNDER 11 REPORT

With a lot of new faces joining us this year, we solidified as a new team quite quickly. Whether it was on game day or at training, the boys' enthusiasm and encouragement spurred one another on to grow as cricketers throughout the year.

I'm very thankful to Glen and Belinda Douglass for their help in managing the team, scoring most weeks, as well as updating playhq. We have an amazing bunch of parents as well, who were all willing to chip in and help with furthering the kids in their skills, as well as scoring, umpiring, and encouraging. It was a joy to coach the team again this year.

Throughout the season each and every boy in the team grew in leaps and bounds as they put into practise on game day all that they had been repeating at training. Some went from struggling to hit the pitch, to bowling down the middle for wickets. Others were seeing the ball better with each passing week and collecting more and more boundaries.

Unfortunately missing a few games at the end of 2023, and then having the new year break, meant that a lot of good momentum was lost coming in to the final few games. However they were able to finish the season on a high, by all producing a solid game with bat and ball in their final match to secure a massive win to round out the year. Regardless of the match results, they were competitive, making teams higher on the ladder work for their wins. The ladder didn't show their competitiveness, but they came away with 5 wins to 8 losses and finished in the very centre of the ladder.

The boys enjoyed handing out a player-of-the-match trophy each week, chosen by the captain. This started becoming hard to choose as so many were having such good games and continually playing better with each game they had. But an eruption of congratulations always occurred with encouragement emanating from teammates and parents alike as they received the trophy with pride.

Highlights included:

Finnley - Consistent batting and bowling throughout the season. Deserved a few more wickets than he had as many that were great line and lengths seemed to always crash straight into the opposition's pads.

Lachlan - New to the team but showed his skills from the first game. A great all-rounder. Consistently getting wickets and runs every game, topping the scoresheet many times. Lachlan also grew in courage each time he took a turn at putting the gloves on behind the stumps as wicket keeper.

Lawson - Always brought energy and encouragement to every game and practise session. Although playing up into the 11s, he was solid with both bat and ball. A quick runner between the wickets.

Jayden - Sharing his skills and knowledge with his teammates, Jayden helped the whole team develop and grow. Every week Jayden gave 100% in the field, leading to many run-outs and wickets. Applying himself with his batting as well, Jayden enjoyed scoring freely in various games.

Jack - Excelling with both bat and ball. He continued to gain courage and confidence with every game. Guiding the team home to an epic win by hitting more 4s than singles in a game in the middle of the season.

Ryan - Was encouraged and welcomed into the team and was quick to belong. With each week Ryan grew in skills with both bat and ball, surprising even himself. By halfway through the season his confidence had grown and he started to show these skills by hitting runs and getting wickets.

Ben - Ben continued to grow in his skills from last year. Running hard between the wicket with great communication for his batting partners. Ben was a great encouragement and a joy to coach throughout the season.

Charlie - Consistently bowling down the middle of the pitch, there were few bad balls that ever came out of his hand, which meant he enjoyed a couple of 3 wicket hauls. Battling with style instead of power, Charlie always looked comfortable and effortless with the bat, unfortunately with the long grass hampering many boundary opportunities.

Josh - Getting better with every game, Josh grew in confidence with both bat and ball as he began to take wickets and score runs. Listening well and working hard at training paid off for some great personal achievements.

Congratulations to the whole team for another awesome season.

Kirk Watkinson, Coach

UNDER 12 RED REPORT

It was a great pleasure to coach this team again this season. They're a fun, energetic bunch who enjoy playing the game. We welcomed Tyler Gahagan to our playing group this season and he slotted in nicely from day one. We started our season off with a big 205 run victory over Penrith RSL and the boys looked like they would have a good season ahead. We played last years winners JSCC Strikers in round 3 and were probably 20 runs short of a good total, the boys learned the importance making the most of their scoring opportunities in this game.

We had some close games and tough losses and struggled to hit the bad ball when it was needed. Feedback from the coach would be to work on reading the line and length of the ball earlier and be in the right position to hit the ball quicker. Our running between the wickets was really good again this season with a few mishaps but it was good to see the energy in this area of the game.

We were also unfortunate to lose Nate Anderson early in the season after he injured his arm. Nate was a big loss and before getting injured managed to achieve the team's highest batting score and best bowling figures (46 runs off 32 balls, and 4 for 0 off 2 overs).

I really enjoyed coaching this great bunch of boys again. To the parents; you're all an awesome group of people and a big thanks for all the effort you put in each week getting the boys to practice and games. I mentioned this last year but it does take more than a coach to complete a game of cricket and without the support of the parents that contributed it wouldn't have been possible. A special mention to Talitha Watkinson who put her hand up to score every game. We're all very grateful for the time and effort you put into the team.

Mark Williams, Coach

UNDER 12 BLUE REPORT

The year started with 3 new faces 2 filling spots for players that moved on Flynn and Braden joined the boys from different club teams and took no time to settle in the 3rd boy Billy was joining us for his very first season and he also fitted straight in and developed his skills from day 1.

The team went straight back into the form they finished in last season at convincingly winning all matches apart from the game against the top of the table side but even then, was some pretty good performances with Caleb grabbing a personal best with the bat.

Everyone worked hard on the basics this year with quite a few boys achieving some impressive results -Billy retiring not out after 30 balls all the way up to Braden's 98 not out and then grabbing a hat-trick a few rounds later. Every boy put in every training session and match to bring the extras down and the runs up. The improvement in the field is evident in the way they won matches when at times teams struggled to get into double digits.

Arthur with the gloves was again impressive and when he gets opportunity with the ball bowling he is just as good as a batsman with the bat delivers match winning innings more times than not.

Jax just runs in and finds the stumps he finished the season with the most wickets and has produced some great batting partnerships and runs throughout the season and his effort in the field is top notch.

William has stepped up with the bat this year and continues to improve his ability to do whatever is asked never ends. His efforts fielding and bowling are as good as his enthusiasm and his endless efforts to bring the boys spirits up In the field.

Declan's bowling and batting has been impressive he has taken wickets and scored runs when he is needed his running between wickets and in the field is second to none.

Flynn proved he is handy with the bat in hand, but his bowling is next level 100 percent effort all the time. He is always pushing himself to do better and is lighting in the field.

Lachlan is Mr Consistent you could count on one hand the times he got out this season providing runs and valuable partnerships all the time his field is close to best on field every week and he has troubled plenty when he bowls.

Caleb's ability to find the boundary is natural as is his ability to bowl balls that have scared batters to the non-batter's end on more than one occasion, but he has been working on his defensive game and his bowling variations.

Billy came into the team with very little cricket experience, from the first training session he was fearless at the crease batting, and he continued to improve throughout the season contributing with bat and ball.

Braden another new addition this season he has continually provided runs and wickets he has been left out in the middle on 98 and taken a hat-trick this season and has also backed himself in a foot race against the batsmen from about 20 metres out to knock the bails off ball in hand . Great cricketer

Aiden has been working hard to make sure he is contributing to the team putting in some good work with the bat and keeping the batsmen guessing with the ball in hand his talk in the field. His enthusiasm has been rewarded this year.

The way they have conducted themselves on and off the field has earned them the premiership this season. It has been a privilege to watch them develop. Big thanks to Tim Gardener, Mia Oliffe and all the other parents for helping during the season without this help none of this could have happened.

Mark Spiteri, Coach

UNDER 13 REPORT

We lost 2 games during the season both to Jordan Springs, the same team that beat us in the Grand Final last year, outside of that we had a few convincing wins and a couple really close wins. We made our way through to the Grand Final in a replay from last year against Jordan Springs but for the first time in 3 years we were able to come away with the win, congratulations to the boys on their Grand Final win this year, they thoroughly deserved it, throughout the year every player contributed, it really was a team effort, they should all be very proud of the hard work they put in. Thank you to Ann, Amanda, Matt, Brent and Troy for all your help throughout the year, definitely couldn't have done it without you.

Brax – Worked really hard all year on his game, bowled consistently well with a highlight being 3/7 against Springwood and was involved in probably the best partnership of the year, putting on a last wicket stand of 68 with his brother to see us home against JS Tigers.

Heath – Another great and consistent year from Heath, could almost copy and paste last years review, 3 times retired, 36n.o being the top score and 2/11 against Glenbrook Blaxland being the pick of the bowling, Heath also had the privilege of hitting the winning runs in the GF with 4 balls to spare

Jack L – Slowish start this year from Jack by his standards but he finished with a bang, his top 3 scores for the year came in his last 4 at bats, top score 46 but his best innings was the GF, in tricky wet conditions and whilst wickets were falling around him, he score 29 very important runs that pretty much seen us home.

Jack O – Took a team high 16 wickets this year with a best performance of 3/2 against Cranebrook, Jacks strength is his consistency, bowling good line and length, Jack works extremely hard on his batting, being n.o 4 times with scores all in the teens, took 2fa in the GF and was also out there when the winning runs were scored.

Jake – Powerful top order batsman with a top score of 38, Jake regularly hit the boundary, arguably the quickest bowler in the team, his 3 wickets this season does not do his quality justice, a better indicator would be that 9 times during the year Jakes spell went for 5 runs or less including 0/4 off 3 overs in the GF.

Leo – Good all-round cricketer, he avg 33 with the bat having hit a season-high 65n.o against Springwood and avg 8 with the ball, Leo's problem was that at times he was unplayable, he took a wicket in all except 3 games this year, he opened the bat and the bowl for us in the GF, in the GF he had figures of 1/2 off 3 overs.

Maverick – Scored 514 runs @ 57.11, this was the most runs in the entire u/13s competition, Maverick is really talented, his technique is well beyond his years and he plays every shot in the book, he took up a new challenge this year bowling leg spin for us and did a great job as well, to prove he can do a bit of everything he was 1 of our 2 keepers in the Grand Final as well.

Sunny – Had a great year with both bat and ball, had a high score of 45n.o v Leura and took 3/6 with his best bowling performance against Springwood, Sunny is a whippet between the wickets and in the field, his energy is 2 nd to none and his team mates fed off that as well, all very PG but he would love to ask the opposition batsman about their plans for the weekend and other questions when given the chance.

Tallis – The Big Show, he only has one gear fortunately for him and us it's a pretty good one, he scored 507 runs this year at an avg of 72.4, I don't have exact numbers but I can assure his strike rate would be well over 100, he had a top score of 98n.o off 72 balls inc 6x4 and 5x6, this innings was a match winning one, it included a 68 run last wicket partnership with his brother.

Tim – I am running out of ways to say good batsman and bowler, Tim is no different, he contributed with a top score of 33n.o vs Springwood and returned figures of 2/4 on two separate occasions both times against Springwood, Tim liked playing Springwood, Tim is a great fielder as well, he would have some of the safest hands in the competition.

Daniel O'Brien, Coach

UNDER 14 REPORT

Our competition this season was just 4 teams with all sides capable of beating each other. We broke even for the year winning 7 and losing 7.

This was our first season playing full cricket which the boys seem to enjoy. I'm not sure if it was the cricket or being able to hang with their mates for four hours or being able to annoy the coach for longer on a Saturday morning, they enjoyed the most.

We managed to beat both teams twice during the season that made the grand final but we also managed to lose a few games that eventually cost us a spot in the grand final. At seasons end we finished 3rd on the ladder but unfortunately due to the weather we didn't get to play the semi-final.

While all the boys achieved some great personal goals during the season they are at their best when they play as a team. We are the best side in the competition when we are all playing at our best on the same day.

Unfortunately, after losing the semi final without bowling a ball, we all thought we had probably under achieved for the season by not getting through the grand final.

It just gives us a bit of motivation to all come back next season and give it another go. I'm hoping we are all there together again next season.

Thank you to the Parents for your help at training and scoring on game day. I hope to see you all back again next season. Thank you also to the Emu Plains Committee for your support all season

Marty Romer, Coach

UNDER 15 REPORT

As has been the case of the last few seasons we lost a few players from our team of last year and gained a few new faces to take our number to 13 again.

With so many of our players focused on winter sports right up until the start of the season we made our customary slow start to the season. To compound this issue the association combined the 15s and 16s competition for the first half of the season. Unfortunately this meant we had a pretty tough draw for the first part of the year, playing all of the 16s teams and the stronger of the 15s.

We didn't do ourselves any favour's through this period. Our bowling had been competitive in most games but our batting and fielding had been letting us down. This meant we had 1 win from the first 8 games.

The boys were trying hard at training and in the games but everyone's confidence was down. In round 9 v Springwood all the hard work and perseverance paid off as we had a dominate win against a team well above us on the ladder.

At that point the competition was divided into 2 divisions.

From that point on we didn't lose another game. We finished a close second on the ladder to Springwood despite having more wins than them!

Our semi final was a washout which saw us go straight through to the final v Springwood, a team we had beaten each time so far.

The final was played in tough conditions, a very long and wet outfield and the threat of rain and some drizzle hanging around all day. We lost the toss and were sent in to the bat. After 3-3 early our captain Noah Mclean and vice-captain Jed Young put together a fighting and sensible 44 run partnership to get us past drinks. After drinks a few great up tempo innings from Noah Wright, Jet Goodwin and Declan Casey meant we reached 7-110. It didn't sound like a lot but on that outfield was probably worth 200.

We started well with the ball, making it hard for Springwood to score. Their openers hang around but once we broke through and picked up the first 2 wickets, the second of those being their number one batter caught by Josh Wright with probably the catch of the year the wickets started to flow.

Our little leg spinner Oliver Clark put in one of the best bowling performances I've ever seen in a final taking 4 for 8 of 6 overs. Josh Wright picked up 2 for 4 in his best bowling performance of the year to go with that catch. Blake Anderson took a brilliant catch behind the stumps. Naite Devine completed a brilliant run out from point.

After those first few wickets Springwood never looked like getting close, eventually bowled out for 73.

It was one of the best team performances this team has ever put together in my time coaching them. From the way our top order didn't panic and through their wickets away when runs were hard to come by, to the way all our bowlers gave them nothing for free and the quality of our fielding right across the park. It was also great to see so many of the boys make special contributions on the day.

Congratulations boys on the season. After a tough start everyone kept their heads up and kept working hard and turned it around.

Thanks to my Kain Young for all his work this year. Also all the parents for their help scoring etc. throughout the year and always turning up to support the boys.

Daniel Mclean, Coach

UNDER 16 REPORT

3 premierships in a row, what a great way to end the junior cricket journey for some of the players in this team.

Also, congratulations to the Emu Plains Cricket Club, what a season. And to top it off winning the PJCA Club Championship. To Sam, Ange, Pat, Jim, Heidi and the other committee members, this is a result of your tireless efforts. Thank you for all that you do.

In a season where we had 14 registered players, we most often played with 9 or 10 players, even 7 in one game, our performances were a little inconsistent. From 1/240 one week to all out for 20 the next best described our season. However when it mattered the team produced some outstanding cricket. Most pleasing was the development of players throughout the season who had more opportunities throughout the season.

Making it through to the Grand final against GP Red was always going to require a good performance against a quality opposition. And to the players credit this was our most complete game of the season. Ryan (32) and Fred (56) gave us a great platform at the top of the innings. Then Cooper (26) and Jack (15 no) finished off the innings in style to give us a competitive total of 5/148 off 38 overs.

Since the kids began playing in Under 8s, bowling and fielding has always been our strength. We have had the most talented and rounded overall attack every season, with the opposition never getting a rest, and this year was no different. Cooper and Jack opened the innings bowling extremely tight, building the pressure on the opposition. Reihana, Xander, Dane and Wil continued the build the pressure with GP Red being bowled out for 116 in the 36 th over. Also I have to mention our fielding, with some great catches taken in this match by Fred, Thommy, Reihana and Ryan.

It has been a pleasure to coach this team over the past 9 seasons, with the boys becoming good friends on and off the field. A big part of the kids success has been their tight bond on and off the field. Turning up to training and game day with an enthusiastic bunch of young men has been my absolute pleasure. Most of this team I have seen grow from tiny U9 players to the young men they are today.

Special mention to Dane, Jack and Xander who are from the original EPCC U8 team. I could not be prouder of the cricketers you have become, but also the great young men you are as well, absolute champions. Our first team photo I was on my knees and taller than you guys. Soon, if not already, I am going to be the short guy in the photo.

Also, a massive thankyou to all the Parents of the players for assisting to score, umpire or just support the boys at every game. Myself and the players really appreciate it. From myself a special mention to Jim Micsko and Brett Newman for their support and assistance over the past 9 seasons. It has been amazing and I am privileged to have you as mates.

Fred Bell – 412 runs @ 43.36 was another fantastic season with the bat from Fred. With a strike rate of 115.76 Fred's innings would often set the tone for our side. Fred scored a rapid 103 off just 55 balls in Rd 6 against Glenmore Park White which included 15 fours and 3 sixes. However his 56 off 66 balls in the grand final showed some real maturity and highlighted how far his batting has come. A great fielder with awesome hands and a rocket arm, Fred was a 'Panther' in the field. Fred is also a quality bowler, however, unselfishly, had limited opportunities with the ball. Captained the side well in the Grand Final.

Xander Carstens- Only played 2 games due to other higher cricket commitments. Managed 77 of 62 ball in the first game of the season against our eventual Grand Final opponents, then a well made duck in his 2 nd match. Xander is an extremely talented young cricketer with the bat, the ball and in the field. It was great for him to play some club cricket with his mates. We wish Xander well in his cricket journey, with hard work who knows how far Xander will go with his cricket career.

Ryan Donoghue – Ryan opened the batting this season and finished with 199 @ 22.11. He is the most calm and cool character at the crease. He will never die of a stress related disease. With a top score of 49, Ryan's batting was more impactful than the statistics suggest. His 32 in the grand final set up the innings with Fred. Ryan also kept for most of the season, a job he did with distinction. This limited his bowling, however playing in the same team as Josh, made up for a lack of bowling. I think he had his most enjoyable and successful season to date.

Tommy Farrell – Tommy came into the team halfway through the season to bolster playing numbers. An absolute champion young man, Tommy also showed he was more than handy with the ball and in the field. Tommy also showed great determination with the bat with limited opportunities. His catch in the Grand Final was a screamer. It was great to see you fit so well into the team Tommy.

Reihana Hawea – One of our strike bowlers, Reihana's 11 wicket @ 16.91 was reward for another good season. Reihana also took 7 catches, 3 being in the Grand Final, having a safe pair of hands. Reihana also wicket kept and had some great cameo end of innings performances with the bat. A valuable member of the team, with it hard to keep him out of the game. Another young cricketer with a lot of potential.

Cooper Hegarty – Opened the bowling and just got better as the season progressed. Really started to bowl the off stump line which is required as cricket gets more difficult. Cooper's 15 wickets @ 10.53 showed the quality of his bowling. Also an economy rate of 2.26 per over meant that no opposition ever got away from him. Took 4/17 opening the bowling in the grand final to help secure victory. The biggest improvement in Coopers game was his batting, From the start of the season Cooper displayed an improved technique and it was only a matter of time when that would lead to runs. Fortunately, the Grand Final is a great time to get your season top score of 26 of 31 balls. Cooper also has a safe pair of hands and a rocket arm. I really want to see Cooper bowl if he ends up 6 foot 3.

Joshua Koutzas – Joining the team from last season U16 side, Josh quickly became just part of the team. His banter with Ryan was hilarious. Josh also showed plenty of ability with the ball, capturing 10 wickets @ 13.10. His best of 4/2 was very impressive. Josh also showed some great hitting ability with the bat, with cow corner being his shot of choice, His 46no off 39 balls helped us to a mammoth 1/240 off 36 overs. Josh also took 4 catches and was an asset in the field. I hope he enjoyed the season.

Hayden McElroy – Hayden continued to be a valued member of the team and further developed his skills through out the season. His 6 wickets @ 14.67 was a good return for limited opportunities. Hayden also played some supportive innings with the bat that contributed valuable runs to our innings. It was great to see Hayden enjoying his cricket.

Dane Micsko – Dane should be proud of what I believe to be his best ever season. His Left arm Fast Medium Bowling proved difficult for the opposition, with his 14 wickets @ 13.86 being a great return in a team full of quality bowlers. Dane also played some valuable runs towards the end of our innings, with his runs being scored quickly, supported by his quick running between the wickets. Dane also has the best hands in the team, his 11 catches being a team high. Seriously I can not remember the last time Dane dropped a catch.

Xander Murphy - Another solid season with the ball from Xander. His 14 wickets @12.50 was another healthy return for the season. Going at only 2 runs an over also helped build pressure on the opposition. Xander also took 4 catches, displaying more confidence in the field. Xanders batting technique also improved, he just need to become more confident during a match and the runs will come. Similar to Cooper, I would like to see Xander bowl when he is 6 foot 3.

Blake Nelson – Blake was our first choice keeper when available and also top order batsmen. His 188 runs @ 37.60 provided the foundation to our innings. His 76 no was a quality innings. Blakes wicket keeping was of a high standard, with him often keeping only half a game due to higher cricket commitments. Another valuable member of the team who was always in the game.

Jack Newman – Injury curtailed Jacks season slightly, however his 6 wickets at 10.50 was an excellent return. His 3/21 opening the bowling in the grand final help set up victory for the team. Jack showed some excellent improvement with the bat, with a far more effective technique. His 15no and partnership with Cooper in the Grand final gave us a competitive total. More runs in the future will be the result of these improvements. Jack is another talented young cricketer.

Jacob Thompson – Jacob only played 3 games due to higher cricket commitments. His 68 runs @ 34 opening the batting supported our innings in every match. He also took 2 wicket in his only over for the season. Jacob is also an excellent fielder, providing pressure through his fielding. I wish Jacob the best in his cricket endeavours.

Wil White – Wil has another great season. Opening the batting he displayed grit and determination, which will hold him in good stead for the future. With the ball Wil has an outstanding season, capturing 22 wickets @ 6.50 to dominate the competition. His Left Arm Fast Medium bowling being just so consistent and accurate. A strike rate of a wicket every 15 balls was very impressive. Wil also took 8 catches and is another quality fielder. Overall an outstanding season from Wil.
